CITY CLERK

Daniel M. Foltz, A.I.A., LEED AP BD+C

**Professional
Summary:**

- Senior Design Architect with 30 years of comprehensive professional experience, domestic and international with intensive design background in a wide range of project types.
- Highly collaborative, proven design talent with a high degree of insight, technical knowledge and organizational, communication, leadership and mentoring abilities.
- Design excellence, consistently delivering a high level of innovative, design solutions while maintaining outstanding trust, confidence and respect from my clients and colleagues.
- Outgoing personality and strong motivation for success in design and marketing to existing and future clients.

**Professional
Experience:**

Weber Thompson, Seattle, Washington
January 2007 to Present

Design Principal

- Design Principal for the firm's high-rise, large buildings practice serving and marketing to clients in mixed-use, corporate/ commercial, hospitality and residential markets.
- Perform as a primary client contact, design, marketing and business development lead.

Dan Foltz, Architect, Seattle, Washington
August 2001 to January 2007

Design Principal

- Private practice providing innovative planning and architectural design solutions for multiple clients.
- Design consultant with an intensely collaborative focus with clients and associated architects.

Sienna Architecture Company, Seattle, Washington
September 2000 to August 2001

Design Principal

- Design lead for the firm's new Seattle office, serving clients in mixed-use, corporate/ commercial and residential markets.

Daniel M. Foltz, A.I.A., LEED AP

**Professional
Experience:**
(continued)

- Senior project designer, establishing direction through the completion of design, while working with and mentoring teammates.
- Perform as a primary client contact and design services provider.
- Lead marketing and business development activities for the Seattle office.
- Actively involved in senior management of the firm and a member of the Board of Directors.

Mulvanny. G2 Architecture, Bellevue, Washington (merger of G2 with Mulvanny)
August 1999 to September 2000

Corporate Director of Design/ Principal/ Vice President/ Senior Project Designer

- Continue the design, client, marketing and mentoring roles and responsibilities as at G2 Architecture (following, at top of next page) but in an enhanced and elevated capacity as Corporate Design Director for this 350-person, multi-office firm:
- Leader of firm-wide design process and improvement initiatives

G2 Architecture, Seattle, Washington
June 1997 to August 1999

Senior Project Designer

- Lead designer and planner of projects for a 25-person firm, serving clients in corporate/ commercial, mixed-use and hospitality markets.
- Manage and direct the design process for multiple projects; setting each project's design direction and working with and directing other designers and technical staff.
- Act as a key client contact, responsible for presentations of design ideas.
- Perform marketing and business development activities of the firm in concert with owner.
- Member of the G2A management group, participating in office policy initiatives and administering design staffing and scheduling.

Daniel M. Foltz, A.I.A., LEED AP

**Professional
Experience:**
(continued)

Callison Architecture, Seattle, Washington
June 1995 to June 1997

Senior Project Designer/ Associate

- Senior designer and planner of projects in a multi-specialty studio serving residential, mixed-use, hospitality, healthcare and corporate/ commercial clients.
- Lead client contact external to the firm, while directing project design teams internally.
- Member of the studio management team regarding design-related issues.
- Co-lead the healthcare marketing efforts of the studio, responsible for key presentations to clients and potential clients and co-authored Callison's healthcare marketing plan.

Hansen Lind Meyer, Chicago, Illinois
October 1987 to June 1995

Director of Design/ Senior Associate

- Actively lead the design and planning of projects ranging from master planning of large institutional complexes to specific building programs primarily, but not limited to healthcare and research facilities.
- Develop and manage the design and planning practice of the Chicago office of HLM.
- Review and provide oversight to 45 architects, planners and designers while developing a strong design-oriented focus to projects through monitoring, training and evaluating staff and organizing in-house design reviews and continuing education.
- As member of the regional executive committee, participate in office management, policy initiatives and implementation pertaining to design.
- Lead marketing effort of the office's design and planning services. Additionally, served as interim marketing director of the Chicago office for five months.

Leo A. Daly, Omaha, Nebraska
July 1980 to September 1987

Architect

Daniel M. Foltz, A.I.A.

**Professional
Experience:**
(continued)

- Comprehensive professional experience in a full-service international firm. Well-rounded design and technical background and diverse project responsibilities in corporate/
- commercial, academic, research, healthcare, residential and sport facilities for clients domestic and international.
- Extensive experience in conceptual and schematic design, design development, programming and master planning of major institutional, private and commercial projects.
- Developed a thorough knowledge base in contract document production and construction.
- Eventually became a firm representative/ client contact from initiation of projects to the completion of construction.
- Developed excellent presentation skills – drawing, sketching, model building, graphics, etc.
