

Amendment E Version 1 to RES 32187 - 2026 State Legislative Agenda

Sponsor: Councilmember Lin

Increasing Healthy Food Access through Food Banks and Universal Free School Meals

**Effect:** This amendment would add language to the City of Seattle’s 2026 State Legislative Agenda to state the City’s commitment to increasing healthy food access, including support for food banks and universal free school meals.

Amend the language under the heading “Affordability” in Exhibit 1 of RES 32187 as follows:

**Affordability**

\* \* \*

- Maintain and strengthen state investments in Working Connections Child Care and ECEAP to ensure access to affordable, high-quality early learning opportunities.
- Increase healthy food access through support for food banks, universal free school meals, and other ways to address food deserts.
