

# **Granting Water Well Easement to the Sallal Water Association On SPU Property North of Rattlesnake Lake**

City Council  
Civil Rights, Utilities, Economic Development  
& Arts Committee  
December 12, 2017

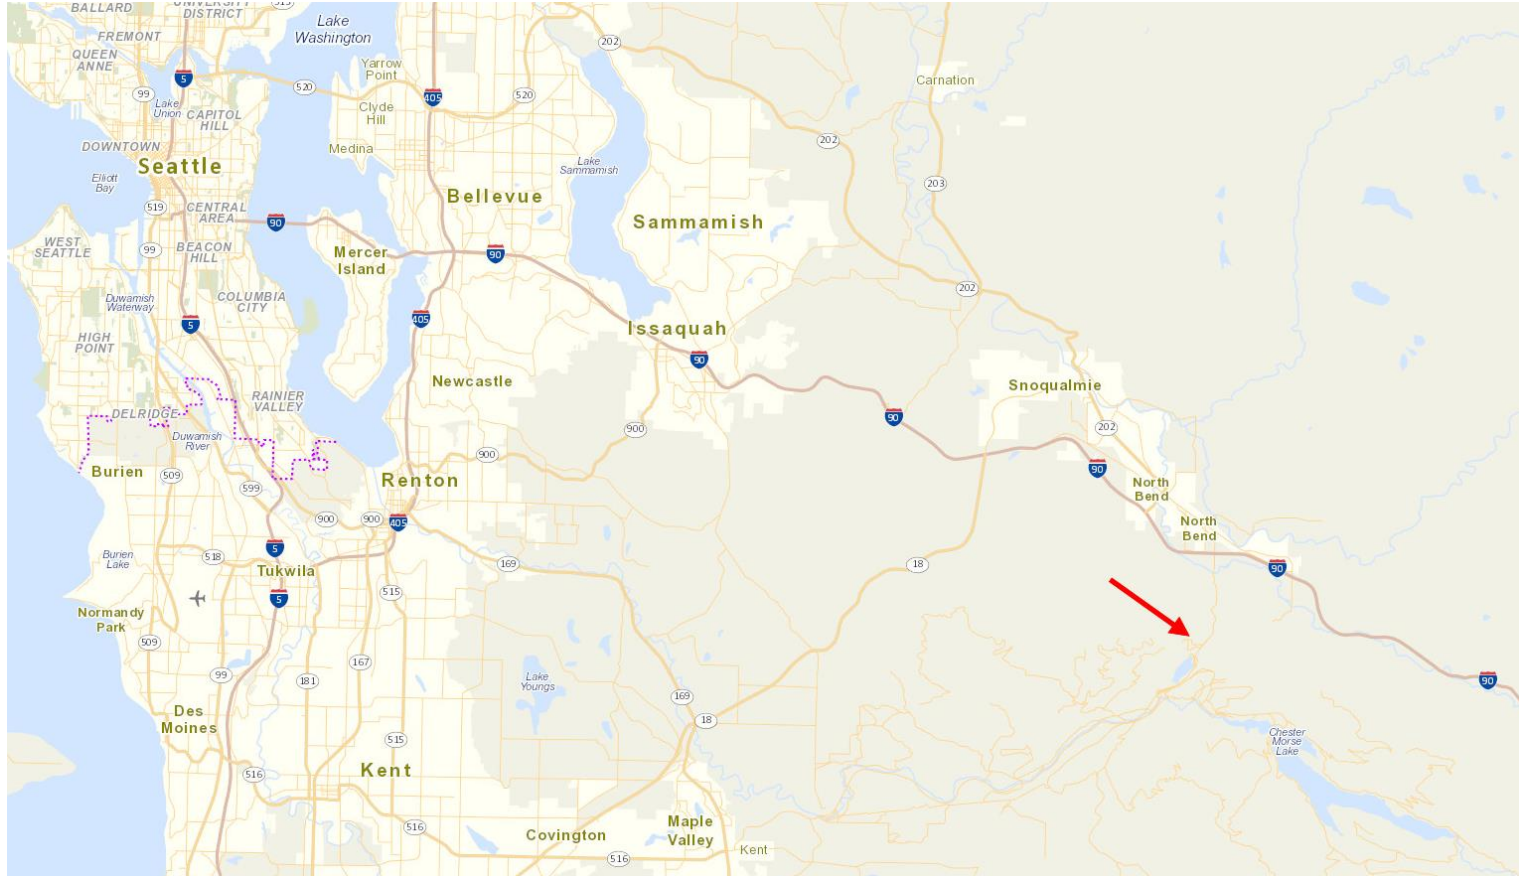

# Sallal Water Association Request

- In 1985 the City of Seattle granted to the Sallal Water Association:
  - 2 water well sites
  - Storage tank site
  - Access roads
  
- Sallal is requesting:
  - A 3rd water well site
  - Increase the size of the 2 existing well sites
  - Well Protection Covenants

# Purpose

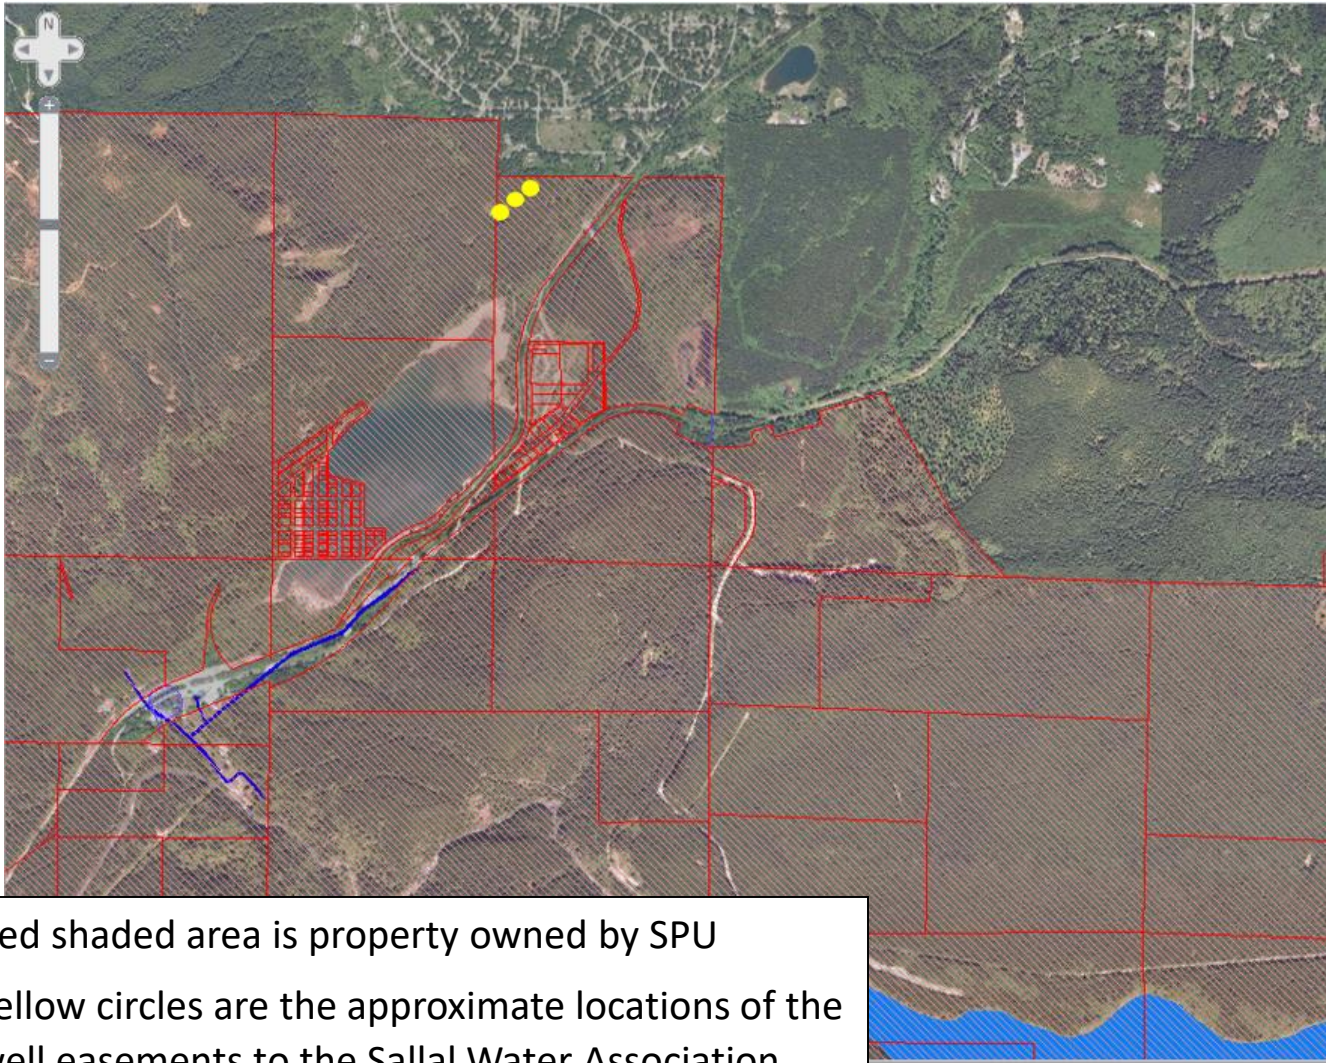

- Increase the reliability of the well production
- Increase the size of the well protection area
- There is no increase in Sallal's water rights

# Easement Location

# Easement Location

Red shaded area is property owned by SPU

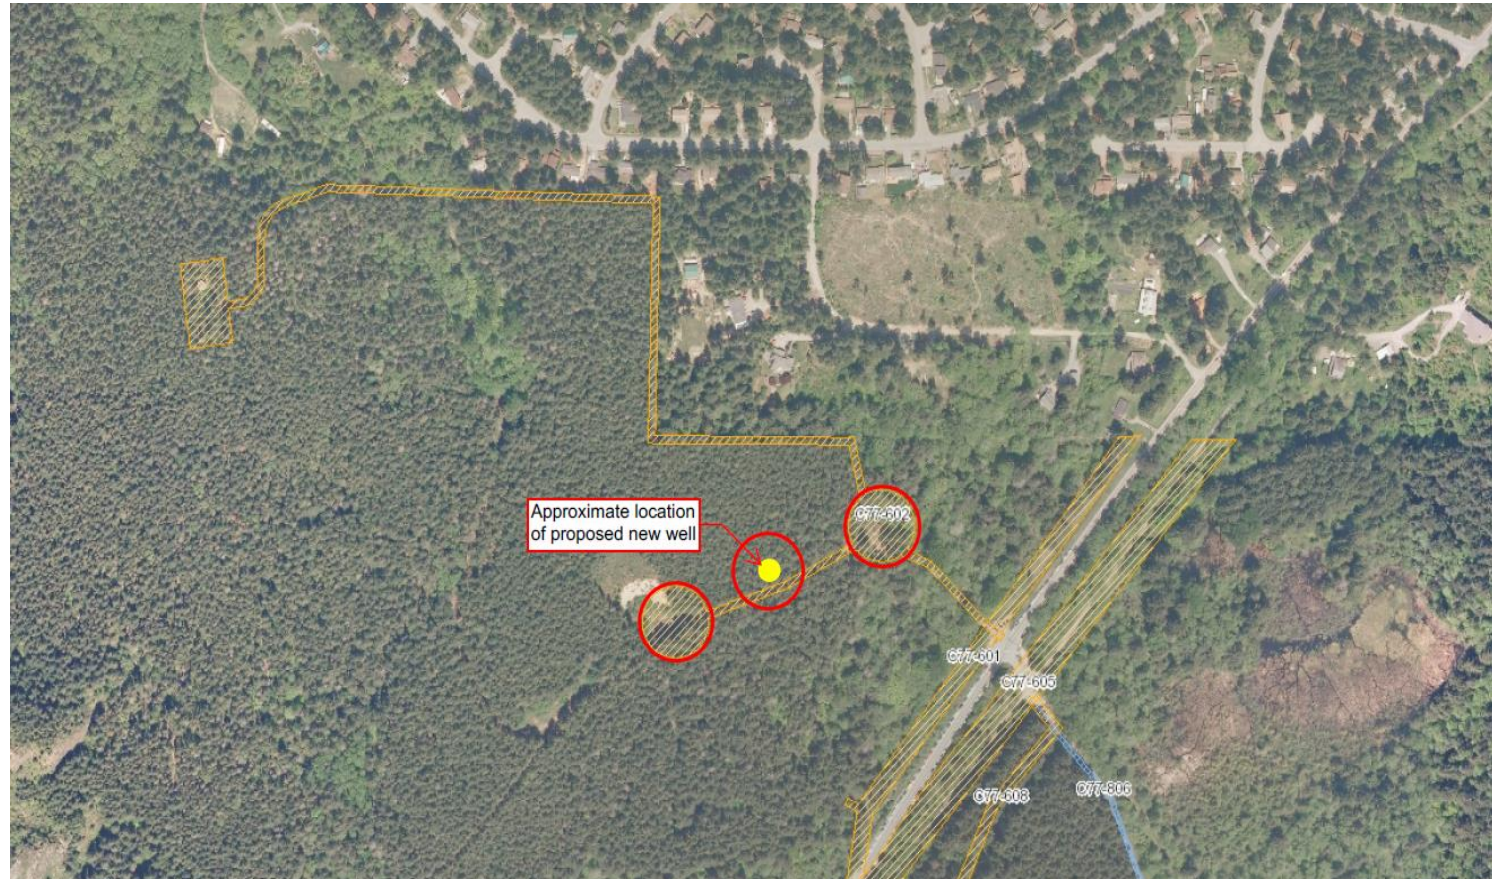

Yellow circles are the approximate locations of the well easements to the Sallal Water Association
