- SDCI: Building Department, Development Department, Construction Department , Construction and Inspections Department*, Development and Inspections Department*

Note: Because changing the name requires changes throughout the 287 page bill, these changes are not shown in line-in, line-out. If the Council would like to change the names, Central Staff will make the changes to a new bill, with an updated title, and prepare it for introduction.

** The Executive would prefer to see the names left unchanged; if they are changed, the options with the * are the preferred alternatives suggested by executive staff.*
