Budget Action Description:

This budget action recommends passage of CB 119929, Seattle Center's parking rates ordinance. This CB would amend the Seattle Center parking regulations to specify that the monthly parking program is for designated hours only, to establish an enforcement fee for exceeding those designated hours, and to modify the volume discount percentage. The legislation would also increase the maximum fees for the premium parking program and for parking enforcement. For example, the maximum surcharge for not paying a parking charge within 14 days is increased from \$20 to \$30. Lastly, the legislation would align the department's online customer transaction fee with citywide rules established in SMC 5.22.020.
