Budget Action Description:

This Council Budget Action would add \$200,000 GF (one-time) in 2023 to the Human Services Department (HSD) and impose a proviso on that funding for therapeutic services for survivors of commercial sexual exploitation, domestic violence, and sexual assault. Council has identified the "Safe, Healthy, Empowered" (S.H.E.) Clinic for this funding and requests that the HSD Director waive the requirements of Seattle Municipal Code subsection 3.20.050.B, as authorized by subsection 3.20.050.C. This funding should be prioritized for behavioral health, advocacy, and medical wrap-around services for women who have experienced sexual exploitation on Aurora Avenue N.

The S.H.E. Clinic is a program partnership between Aurora Commons and Harborview Medical Center and is currently supported by the Washington State Department of Health, the City of Seattle, and the Pacific Hospital Preservation and Development Authority. It opened in 2018 to provide healthcare

services to survivors of commercial sexual exploitation, domestic violence, and sexual assault in a context that recognizes that the services needed are caused by homelessness, poverty, drug dependence, and violent victimization, but that these same factors can serve as barriers to access. Aurora Commons serves about 400 women per year and uses at least \$200,000 in operating expenses to continue providing therapeutic services to its clients.

This Council Budget Action would impose the following proviso: "Of the appropriation in the 2023 budget for the Human Services Department, \$200,000 is appropriated solely for therapeutic services including behavioral health, advocacy, and medical wrap-around services for women who have experienced sexual exploitation on Aurora Avenue N. and may be spent for no other purpose. Council has identified the 'Safe, Healthy, Empowered' (S.H.E.) Clinic for this funding and requests that the Human Services Department Director waive the requirements of Seattle Municipal Code subsection 3.20.050.B, as authorized by subsection 3.20.050.C. Furthermore, none of the money so appropriated may be spent until authorized by future ordinance. Council anticipates that such authority will not be granted until the Human Services Department announces the recipients of the funding awarded through the 2022 gender based violence survivor services request for proposals."
