Budget Action description:

This budget action imposes the following proviso:

"No more than \$350,000 appropriated in the 2017 budget for the Department of Finance and Administrative Services' Seattle Police Department North Area Interim and Long-term Facilities project (A1PS117) may be spent for planning a new precinct facility until authorized by ordinance. Council anticipates that such an ordinance will not be passed until the Department of Finance and Administrative Services submits a report and a plan to the Gender Equity, Safe Communities, and New Americans Committee. Council anticipates that the report will be available by June 1, 2017 and that the plan for developing the new precinct facility will be available by September 1, 2017."
