1. BILL SUMMARY

Legislation Title: AN ORDINANCE amending Ordinance 126955, which adopted the 2024 Budget, including the 2024-2029 Capital Improvement Program (CIP); changing appropriations to various departments and budget control levels, and from various funds in the Budget; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

Summary and Background of the Legislation: This legislation appropriates unexpended non-capital appropriations from the 2023 Budget to the 2024 Budget.

RCW 35.32A.080 states: “The whole or any part of any appropriation provided in the budget for operating and maintenance expenses remaining unexpended or unencumbered at the close of the fiscal year shall automatically lapse, except any such appropriation as the city council shall continue by ordinance.” This legislation requests continuances for unexpended 2023 appropriations for non-capital purposes in the amount of \$201.6 million. Appropriations were made in the 2023 Budget for these expenditures but for various reasons, spending was not initiated or completed during the 2023 fiscal year. This ordinance re-appropriates these funds, which lapsed at the end of 2023, in most cases for the same purposes that the funds were dedicated to in 2023.
