**Budget Action Description:**

This Council Budget Action would impose a proviso on \$500,000 of Seattle Transportation Benefit District (STBD) Funds in the Seattle Department of Transportation (SDOT) to fund Waterfront Shuttle transit service. The proposed funding is intended to match King County Metro funding for Waterfront Shuttle transit service. The \$500,000 of STBD Funds would fall under the emerging mobility needs category of spending authorized by the Seattle Transit Measure.

This Council Budget Action would impose the following proviso:  
 "Of the appropriations in the Seattle Department of Transportation's 2023 budget for the Mobility Operations Budget Summary Level (BO-TR-17003), \$500,000 is appropriated solely for Waterfront Shuttle transit service as an emerging mobility need funded by the Seattle Transit Measure and may be spent for no other purpose."
