CITY OF SEATTLE
ORDINANCE 127345
COUNCIL BILL 121104

AN ORDINANCE relating to the electric system of The City of Seattle; adopting a system or plan of additions, improvements, and betterments to and extensions of the existing municipal light and electric power generation, transmission, and distribution system of the City; authorizing the issuance and sale of municipal light and power revenue bonds for the purposes of providing funds to pay part of the cost of carrying out that system or plan, providing for the reserve fund requirement (if necessary), and paying the costs of issuance of the bonds; providing parameters for the bond sale terms including conditions, covenants, and other sale terms; describing the lien of the bonds and authorizing their issuance as either senior lien parity bonds or junior lien bonds; and ratifying and confirming certain prior acts.

WHEREAS, The City of Seattle (the “City”) owns, operates, and maintains a municipal light and electric power generation, transmission, and distribution system (the “Light System”) which Light System from time to time requires various additions, improvements, betterments, and extensions; and

WHEREAS, the City needs to acquire and construct certain additions, improvements, and betterments to and extensions of the Light System (the “Plan of Additions”) as described in this ordinance, and needs to borrow funds to pay a portion of the costs of carrying out such Plan of Additions; and

WHEREAS, the City currently has outstanding certain municipal light and power revenue bonds (as identified in Exhibit A to this ordinance, the “Outstanding Parity Bonds”) having a charge and lien upon Gross Revenues of the Light System available after payment of Operating and Maintenance Expense (“Net Revenue”) prior and superior to all other charges whatsoever; and

WHEREAS, pursuant to the ordinances authorizing their issuance, the City reserved the right to issue additional revenue bonds (“Future Parity Bonds”) having a lien and charge on Net

1 Revenue of the Light System on parity with the lien and charge of the Outstanding Parity
2 Bonds, upon satisfaction of certain conditions (the “Parity Conditions”); and

3 WHEREAS, pursuant to the Outstanding Parity Bond Ordinances, the City also reserved the
4 right to issue additional municipal light and power revenue bonds or other obligations
5 having a lien and charge on Net Revenue of the Light System that is junior and
6 subordinate to the lien and charge of the Outstanding Parity Bonds (the “Junior Lien
7 Bonds”); and

8 WHEREAS, after due consideration, the City has determined that it is in the best interest of the
9 City and its ratepayers to authorize, subject to the provisions of this ordinance, the
10 issuance and sale of municipal light and power revenue bonds to be designated as either
11 Parity Bonds, upon satisfaction of the Parity Conditions, or Junior Lien Bonds, to pay
12 part of the cost of the Plan of Additions, to provide for the reserve fund requirement (if
13 necessary), and to pay the costs of issuance of those bonds; NOW, THEREFORE,

14 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

15 Section 1. **Definitions**. In this ordinance, the following capitalized terms shall have the
16 meanings set forth in this section.

17 “**Accreted Value**” means with respect to any Capital Appreciation Bond, (a) as of any
18 Valuation Date, the amount determined for such Valuation Date in accordance with the
19 applicable Bond Documents, and (b) as of any date other than a Valuation Date, the sum of
20 (i) the Accreted Value on the preceding Valuation Date and (ii) the product of (A) a fraction, the
21 numerator of which is the number of days having elapsed from the preceding Valuation Date and
22 the denominator of which is the number of days from such preceding Valuation Date to the next
23 succeeding Valuation Date, calculated based on the assumption that Accreted Value accrues

1 during any semiannual period in equal daily amounts on the basis of a year of 12 30-day months,
2 and (B) the difference between the Accreted Values for such Valuation Dates.

3 **“Adjusted Net Revenue”** means Net Revenue, less any deposits into the Rate
4 Stabilization Account and plus any withdrawals from the Rate Stabilization Account. In
5 calculating Net Revenue, the City may include the Tax Credit Subsidy Payments the City
6 expects to receive from the federal government in respect to the interest on any Tax Credit
7 Subsidy Bonds (or with respect to which the federal government will provide direct payments).
8 In a Parity Certificate, Adjusted Net Revenue is subject to further adjustment as set forth in
9 subsection 18(a)(ii) of this ordinance. In a Junior Lien Coverage Certificate, Adjusted Net
10 Revenue is subject to further adjustment as set forth in subsection 18(b)(ii) of this ordinance.

11 **“Alternate Reserve Security”** means Qualified Insurance or a Qualified Letter of Credit
12 that is used by the City to satisfy part or all of the Reserve Fund Requirement, and that is not
13 cancelable on less than five years’ notice.

14 **“Annual Debt Service”** means, with respect to either Parity Bonds (or a series of Parity
15 Bonds) (**“Annual Parity Bond Debt Service”**) or Junior Lien Bonds (or a series of Junior Lien
16 Bonds) (**“Annual Junior Lien Debt Service”**), as applicable, the sum of the amounts required
17 in a calendar year to pay the interest due in such calendar year (excluding interest to be paid from
18 the proceeds of the sale of bonds), the principal of Serial Bonds maturing in such calendar year,
19 and the Sinking Fund Requirements for any Term Bonds due in such calendar year. Additionally,
20 for purposes of this definition:

21 (a) **Calculation of Interest Due – Generally.** Except as otherwise provided in this
22 definition, interest shall be calculated based on the actual amount of accrued, accreted, or
23 otherwise accumulated interest that is payable in respect of the relevant series of Parity Bonds or

1 Junior Lien Bonds, as applicable, taken as a whole, at the rate or rates set forth in the applicable
2 Bond Documents.

3 (b) **Capital Appreciation Bonds.** The principal and interest portions of the Accreted
4 Value of Capital Appreciation Bonds becoming due at maturity or by virtue of a Sinking Fund
5 Requirement shall be included in the calculations of accrued and unpaid and accruing interest or
6 principal in such manner and during such period of time as is specified in the Bond Documents
7 applicable to such Capital Appreciation Bonds.

8 (c) **Variable Interest Rate Bonds.**

9 (i) **Assumed Interest on Variable Interest Rate Parity Bonds.** The amount of
10 interest deemed to be payable on any series of Parity Bonds that are Variable Interest Rate Bonds
11 shall be calculated under the assumption that the interest rate on those bonds is equal to the
12 highest 12-month rolling average of the SIFMA Municipal Swap Index over the preceding five
13 years.

14 (ii) **Assumed Interest on Variable Interest Rate Junior Lien Bonds.** The
15 amount of interest deemed to be payable on any series of Junior Lien Bonds that are Variable
16 Interest Rate Bonds shall be calculated on the assumption that the interest rate on those bonds is
17 equal to the highest 12-month rolling average (ending with the month preceding the date of the
18 calculation) of the SIFMA Municipal Swap Index over the preceding five years.

19 (d) **Interest on Bonds with Respect to Which a Payment Agreement is in Force.** In
20 general, debt service on any bonds (Parity Bonds or Junior Lien Bonds, as applicable) with
21 respect to which a Payment Agreement is in force shall be based on the net economic effect on
22 the City expected to be produced by the terms of the applicable Bond Documents and the terms
23 of the Payment Agreement. For example, if the net effect of the Payment Agreement on a series

1 of bonds otherwise bearing interest at a variable interest rate is to produce an obligation bearing
2 interest at a fixed rate, the relevant series of bonds shall be treated as fixed rate bonds. And if the
3 net effect of the Payment Agreement on a series of bonds otherwise bearing interest at a fixed
4 interest rate is to produce an obligation bearing interest at a variable interest rate, the relevant
5 series of bonds shall be treated as Variable Interest Rate Bonds.

6 Accordingly, the amount of interest deemed to be payable on any series of Parity Bonds
7 (or Junior Lien Bonds, as applicable) with respect to which a Payment Agreement is in force
8 shall be an amount equal to the amount of interest that would be payable at the rate or rates
9 stated in or determined pursuant to the applicable Bond Documents, plus Payment Agreement
10 Payments, minus Payment Agreement Receipts. For the purposes of calculating as nearly as
11 practicable Payment Agreement Receipts and Payment Agreement Payments under a Payment
12 Agreement that includes a variable rate component determined by reference to a pricing
13 mechanism or index that is not the same as the pricing mechanism or index used to determine the
14 variable rate interest component on the series of bonds to which the Payment Agreement is
15 related, it shall be assumed that: (i) the fixed rate used in calculating Payment Agreement
16 Payments will be equal to 105 percent of the fixed rate specified by the Payment Agreement, and
17 (ii) the pricing mechanism or index specified by the Payment Agreement is the same as the
18 pricing mechanism or index specified by the applicable Bond Documents. Notwithstanding the
19 other provisions of this definition, the City shall not be required to (but may in its discretion)
20 take into account in determining Annual Debt Service the effects of any Payment Agreement that
21 has a term of ten years or less.

22 **(e) Parity Payment Agreements; Junior Lien Payment Agreements.** For any period
23 during which Payment Agreement Payments under a Parity Payment Agreement (or Junior Lien

1 Payment Agreement, as applicable) are taken into account in determining Annual Debt Service
2 on the related Parity Bonds (or Junior Lien Bonds, as applicable) under subsection (d) of this
3 definition, no additional debt service shall be taken into account with respect to that Parity
4 Payment Agreement (or Junior Lien Payment Agreement, as applicable). However, for any
5 period during which Payment Agreement Payments are not taken into account under
6 subsection (d) of this definition because the Parity Payment Agreement (or Junior Lien Payment
7 Agreement, as applicable) is not then related to any Outstanding Parity Bonds (or Junior Lien
8 Bonds, as applicable), payments on that Payment Agreement shall be taken into account by
9 assuming:

10 **(i) If City is Obligated to Make Payments Based on a Fixed Rate.** If the City is
11 obligated to make Payment Agreement Payments based on a fixed rate and the Qualified
12 Counterparty is obligated to make payments based on a variable rate index, it shall be assumed
13 that payments by the City will be based on the assumed fixed payor rate, and that payments by
14 the Qualified Counterparty will be based on a rate equal to the average rate determined by the
15 variable rate index specified by the Payment Agreement during the four calendar quarters
16 preceding the quarter in which the calculation is made.

17 **(ii) If City is Obligated to Make Payments Based on a Variable Rate Index.** If
18 the City is obligated to make Payment Agreement Payments based on a variable rate index and
19 the Qualified Counterparty is obligated to make payments based on a fixed rate, it shall be
20 assumed that payments by the City will be based on a rate equal to the average rate determined
21 by the variable rate index specified by the Payment Agreement during the four calendar quarters
22 preceding the quarter in which the calculation is made, and that the Qualified Counterparty will
23 make payments based on the fixed rate specified by the Payment Agreement.

1 (f) **Balloon Bonds.** In calculating Annual Debt Service for any series of Parity Bonds, the
2 City may in its discretion treat the debt service requirements with respect to Parity Bonds that are
3 Balloon Bonds (including principal of and interest on such bonds at the applicable rate or rates)
4 as being amortized in approximately equal annual installments over a period equal to the longer
5 of 30 years or the remaining term of such series of Parity Bonds.

6 In calculating Annual Debt Service for any series of Junior Lien Bonds, the City may in
7 its discretion treat the debt service requirements with respect to Junior Lien Bonds that are
8 Balloon Bonds (including principal of and interest on such bonds at the applicable rate or rates)
9 as being amortized in approximately equal annual installments over a period equal to the longer
10 of 30 years or the remaining term of such series of Junior Lien Bonds.

11 (g) **Adjustments for Defeased Bonds.** For purposes of determining compliance with the
12 rate covenants set forth in subsections 17(a)(ii) and 17(b)(ii) of this ordinance, calculating the
13 Reserve Fund Requirement, and making coverage ratio calculations in connection with the
14 delivery of a Parity Certificate or Junior Lien Coverage Certificate, Annual Debt Service shall be
15 adjusted as set forth in subsection 20(d) of this ordinance.

16 (h) **Reimbursement Obligations.** If any payment under a Parity Reimbursement
17 Obligation is then due and payable, or is then reasonably expected to become due and payable,
18 the reasonably estimated amount and timing of such payment, calculated in accordance with
19 applicable generally accepted accounting principles and as reflected in the annual financial
20 statements of the Light System, shall be included in calculating Annual Debt Service for
21 purposes of delivering a Parity Certificate. If any payment under a Parity Reimbursement
22 Obligation, an Intermediate Lien Reimbursement Obligation, or a Junior Lien Reimbursement
23 Obligation is then due and payable, or is then reasonably expected to become due and payable,

1 the reasonably estimated amount and timing of such payment, calculated in accordance with
2 applicable generally accepted accounting principles and as reflected in the annual financial
3 statements of the Light System, shall be included in calculating Annual Junior Lien Debt Service
4 for purposes of delivering a Junior Lien Coverage Certificate.

9 Requirement with respect to all Parity Bonds outstanding at the time of calculation, the sum of
10 the Annual Parity Bond Debt Service remaining to be paid to the last scheduled maturity of the
11 applicable Parity Bonds, divided by the number of years such Parity Bonds are scheduled to
12 remain outstanding.

13 **“Balloon Bonds”** means any series of either Parity Bonds or Junior Lien Bonds, as

4 respect to any Junior Lien Bonds other than a Series of the Bonds, the applicable Junior Lien
5 Bond Ordinance(s); (b) the authenticated bond form; and (c) the written agreement(s) setting
6 forth the Bond Sale Terms and additional terms, conditions, or covenants pursuant to which such
7 bond was issued and sold, as set forth in any one or more of the following (if any): (i) a sale
8 resolution, (ii) a bond purchase contract (as defined in the applicable authorizing ordinance),

15 **“Bond Purchase Contract”** means a written offer to purchase a Series of the Bonds

22 Lien Bond that is issued as a Capital Appreciation Bond, but which later converts to an
23 obligation on which interest is paid periodically, shall be a Capital Appreciation Bond until the

1 conversion date and thereafter shall no longer be a Capital Appreciation Bond, but shall be
2 treated as having a principal amount equal to its Accreted Value on the conversion date. For
3 purposes of (a) receiving payment of the redemption premium, if any, on a Capital Appreciation
4 Bond that is redeemed prior to maturity, or (b) computing the principal amount of Parity Bonds

7 in fixing the amounts to be paid into those funds in accordance with this ordinance and the
8 parameters for the Bond Sale Terms set forth in Section 5 of this ordinance, the City Council has
9 exercised due regard for the cost of operation and maintenance of the Light System, and is not
10 setting aside into such Bond Funds a greater amount than in the judgment of the City Council,
11 based on the rates established from time to time consistent with subsection 17(a)(ii) of this
12 ordinance, will be sufficient, in the judgment of the City Council, to meet all expenses of
13 operation and maintenance of the Light System and to provide the amounts previously pledged
14 for the payment of all outstanding obligations payable out of Gross Revenues and pledged for the
15 payment of the Bonds. Therefore, the City Council finds that the issuance and sale of the Bonds

16 Bonds in a maximum aggregate principal amount of not to exceed \$500 million.

21 (iv) **Interest Rate(s).** Each Bond shall bear interest from its Issue Date or from
22 the most recent date to which interest has been paid or duly provided, whichever is later, unless
23 otherwise provided for in the applicable Bond Documents. Each Series of the Bonds shall bear

1 interest at one or more fixed interest rates or Variable Interest Rates. The true interest cost for
2 any fixed rate Series may not exceed a rate of 10 percent per annum. The Bond Documents for
3 any Series may provide for multiple interest rates and interest rate modes, and may provide
4 conditions and mechanisms for the Director of Finance to effect a conversion from one mode to
5 another. Nothing in this ordinance shall be interpreted to prevent the Bond Documents for any
6 Series from including a provision for adjustments to interest rates during the term of the Series
7 upon the occurrence of certain events specified in the applicable Bond Documents.

8 (v) **Payment Dates.** Interest shall be payable on dates acceptable to the Director
9 of Finance. Principal shall be payable on dates acceptable to the Director of Finance, which shall
10 include payment at the maturity of each Bond; in accordance with any Sinking Fund
11 Requirements applicable to Term Bonds; and otherwise in accordance with any redemption or
12 tender provisions.

13 (vi) **Final Maturity.** Each Bond shall mature no later than 40 years after its Issue
14 Date.

15 (vii) **Redemption Prior to Maturity.** The Bond Sale Terms may include
16 redemption and tender provisions, as determined by the Director of Finance in the Director's
17 discretion, consistent with Section 8 of this ordinance and subject to the following:

22 (B) **Mandatory Redemption.** The Director of Finance may designate any
23 Bond as a Term Bond, subject to mandatory redemption prior to its maturity on the dates and in

3 (C) **Extraordinary Redemption.** The Director of Finance may designate
4 any Bond as subject to extraordinary optional redemption or extraordinary mandatory
5 redemption upon the occurrence of an extraordinary event, as such event or events may be set
6 forth in the applicable Bond Documents, consistent with subsection 8(c) of this ordinance.

7 (D) **Tender Options.** The Director of Finance may designate any Variable
8 Interest Rate Bond as subject to tender options, as set forth in the applicable Bond Documents.

10 aggregate purchase price for each Series of the Bonds that is, in the Director's judgment, the
11 price that produces the most advantageous borrowing cost for the City, consistent with the
12 parameters set forth in this ordinance and in any applicable bid documents.

13 (ix) **Other Terms and Conditions.**

14 (A) **Expected Life of Capital Facilities.** As of the Issue Date of each
15 Series, the Director of Finance must find to the Director's satisfaction that the average expected
16 life of the capital facilities to be financed with the proceeds (or allocable share of proceeds) of
17 that Series exceeds the weighted average maturity of such Series (or share thereof allocated to
18 financing those capital facilities).

19 (B) **Satisfaction of Parity Conditions or Junior Lien Additional Bonds**
20 **Test.** For each Series of the Bonds, the Director of Finance must designate such Series of the
21 Bonds as either Parity Bonds or Junior Lien Bonds. For a Series to be designated as Parity
22 Bonds, the Director of Finance must find to the Director's satisfaction that, as of the Issue Date,
23 the Parity Conditions have been met or satisfied so that such Series is permitted to be issued as

1 Parity Bonds. For a Series to be designated as Junior Lien Bonds, the Director of Finance must
2 find to the Director's satisfaction that, as of the Issue Date, the Junior Lien Additional Bonds
3 Test has been met or satisfied so that such Series is permitted to be issued as Junior Lien Bonds.

4 **(C) Additional Terms, Conditions, and Agreements.** The Bond Sale
5 Terms for any Series may provide for Qualified Insurance, a Qualified Letter of Credit or other
6 liquidity facility, Parity Reimbursement Obligation, Intermediate Lien Reimbursement
7 Obligation, Junior Lien Reimbursement Obligation, or any other Payment Agreement as the
8 Director of Finance may find necessary or desirable, and may include such additional terms,
9 conditions, and covenants as may be necessary or desirable, including but not limited to:
10 restrictions on investment of Bond proceeds and pledged funds (including any escrow
11 established for the defeasance of any of the Bonds); provisions for the conversion of interest rate
12 modes; provisions for the reimbursement of a credit enhancement provider or Qualified
13 Counterparty; and requirements to give notice to or obtain the consent of a credit enhancement
14 provider or a Qualified Counterparty. The Director of Finance is authorized to execute, on behalf
15 of the City, such additional certificates and agreements as may be necessary or desirable to
16 reflect such terms, conditions, and covenants.

17 **(D) Parity Bond Reserve Fund Requirement.** The Bond Sale Terms for
18 any Series of Parity Bonds must establish the Reserve Fund Requirement for such Series and
19 must set forth the method for satisfying any such requirement, consistent with Section 15 of this
20 ordinance and the Parity Conditions. The Reserve Fund Requirement for any such Series may
21 not be set at a level that would cause the aggregate Reserve Fund Requirement to exceed the
22 least of (1) 125 percent of Average Annual Debt Service on all Parity Bonds outstanding, (2)

1 Maximum Annual Debt Service on all Parity Bonds outstanding, or (3) 10 percent of the
2 proceeds of the outstanding Parity Bonds.

3 (E) **Tax Status of the Bonds.** The Director of Finance may designate any
4 Series of the Bonds as Tax-Exempt Bonds, Taxable Bonds, or Tax Credit Subsidy Bonds,
5 consistent with Section 21 of this ordinance.

6 Section 6. **Bond Registrar; Registration and Transfer of Bonds.**

7 (a) **Registration and Bond Registrar.** The Bonds shall be issued only in registered form
8 as to both principal and interest and shall be recorded on the Bond Register. The Fiscal Agent is
9 appointed to act as Bond Registrar for each Series of the Bonds, unless otherwise determined by
10 the Director of Finance.

11 (b) **Transfer and Exchange of Bonds.** The Bond Registrar shall keep, or cause to be
12 kept, sufficient books for the registration and transfer of the Bonds, which shall be open to
13 inspection by the City at all times. The Bond Register shall contain the name and mailing address
14 of the Registered Owner of each Bond and the principal amount and number of each of the
15 Bonds held by each Registered Owner.

16 The Bond Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds
17 transferred or exchanged in accordance with the provisions of the Bonds and this ordinance, to
18 serve as the City's paying agent for the Bonds, and to carry out all of the Bond Registrar's
19 powers and duties under this ordinance and the System of Registration.

20 The Bond Registrar shall be responsible for its representations contained in the Bond
21 Registrar's certificate of authentication on the Bonds. The Bond Registrar may become an
22 Owner of Bonds with the same rights it would have if it were not the Bond Registrar and, to the
23 extent permitted by law, may act as depository for and permit any of its officers or directors to

1 act as members of, or in any other capacity with respect to, any committee formed to protect the
2 rights of Owners.

3 Bonds surrendered to the Bond Registrar may be exchanged for Bonds in any Authorized
4 Denomination of an equal aggregate principal amount and of the same Series, seniority, interest
5 rate, and maturity. Bonds may be transferred only if endorsed in the manner provided thereon
6 and surrendered to the Bond Registrar. Any exchange or transfer shall be without cost to an
7 Owner or transferee. The Bond Registrar shall not be obligated to exchange or transfer any Bond
8 during the period between the Record Date and the corresponding interest payment or principal
9 redemption date.

10 (c) **Securities Depository; Book-Entry Form.** Unless otherwise determined by the
11 Director of Finance, the Bonds initially shall be issued in Book-Entry Form and registered in the
12 name of the Securities Depository. The Bonds so registered shall be held fully immobilized in
13 Book-Entry Form by the Securities Depository in accordance with the provisions of the Letter of
14 Representations. Neither the City nor the Bond Registrar shall have any responsibility or
15 obligation to participants of the Securities Depository or the persons for whom they act as
16 nominees with respect to the Bonds regarding the accuracy of any records maintained by the
17 Securities Depository or its participants of any amount in respect of principal of or interest on the
18 Bonds, or any notice that is permitted or required to be given to Registered Owners hereunder
19 (except such notice as is required to be given by the Bond Registrar to the Securities
20 Depository). Registered ownership of a Bond initially held in Book-Entry Form, or any portion
21 thereof, may not be transferred except: (i) to any successor Securities Depository; (ii) to any
22 substitute Securities Depository appointed by the City or such substitute Securities Depository's
23 successor; or (iii) to any person if the Bond is no longer held in Book-Entry Form.

1 Upon the resignation of the Securities Depository from its functions as depository, or
2 upon a determination by the Director of Finance to discontinue utilizing the then-current
3 Securities Depository, the Director of Finance may appoint a substitute Securities Depository. If
4 the Securities Depository resigns from its functions as depository and no substitute Securities
5 Depository can be obtained, or if the Director of Finance determines not to utilize a Securities
6 Depository, then the Bonds shall no longer be held in Book-Entry Form and ownership may be
7 transferred only as provided in this ordinance.

8 Nothing in this ordinance shall prevent the Bond Sale Terms from providing that a Series
9 of the Bonds shall be issued in certificated form without utilizing a Securities Depository, and
10 that the Bonds of such Series shall be registered as of their Issue Date in the names of the
11 Owners thereof, in which case ownership may be transferred only as provided in this ordinance.

12 **(d) Lost or Stolen Bonds.** In case any Bond or Bonds shall be lost, stolen, or destroyed,
13 the Bond Registrar may authenticate and deliver a replacement Bond or Bonds of like amount,
14 date, maturity, and effect to the Registered Owner(s) thereof upon the Registered Owner(s)'
15 paying the expenses and charges of the City in connection therewith and upon filing with the
16 Bond Registrar evidence satisfactory to the Bond Registrar that such Bond or Bonds were
17 actually lost, stolen, or destroyed and of Registered Ownership thereof, and upon furnishing the
18 City with indemnity satisfactory to both the City and the Bond Registrar.

19 Section 7. **Payment of Bonds.**

20 **(a) Payment.** Each Bond shall be payable in lawful money of the United States of
21 America on the dates and in the amounts as provided in the Bond Documents for that Series.
22 Principal of and interest on each Bond designated as a Parity Bond shall be payable solely out of
23 the Parity Bond Fund. Principal of and interest on each Bond designated as a Junior Lien Bond

1 shall be payable solely out of the Junior Lien Debt Service Fund. The Bonds shall not be general
2 obligations of the City. No Bonds of any Series shall be subject to acceleration under any
3 circumstances.

4 (b) **Bonds Held in Book-Entry Form.** Principal of and interest on each Bond held in
5 Book-Entry Form shall be payable in the manner set forth in the Letter of Representations.

6 (c) **Bonds Not Held in Book-Entry Form.** Interest on each Bond not held in Book-Entry
7 Form shall be payable by electronic transfer on the interest payment date, or by check or draft of
8 the Bond Registrar mailed on the interest payment date to the Registered Owner at the address
9 appearing on the Bond Register on the Record Date. The City, however, is not required to make
10 electronic transfers except pursuant to a request by a Registered Owner in writing received at
11 least ten days prior to the Record Date and at the sole expense of the Registered Owner. Principal
12 of each Bond not held in Book-Entry Form shall be payable upon presentation and surrender of
13 the Bond by the Registered Owner to the Bond Registrar.

14 Section 8. **Redemption and Purchase of Bonds.**

15 (a) **Optional Redemption.** All or some of the Bonds may be subject to redemption prior
16 to their stated maturity dates at the option of the City on the dates and terms set forth in the
17 applicable Bond Documents.

18 (b) **Mandatory Redemption.** All or some of the Bonds may be designated as Term
19 Bonds, subject to mandatory redemption in Sinking Fund Requirements, as set forth in the
20 applicable Bond Documents. If not redeemed or purchased at the City's option prior to maturity,
21 Term Bonds (if any) must be redeemed, at a price equal to 100 percent of the principal amount to
22 be redeemed, plus accrued interest, on the dates and in the years and Sinking Fund Requirements
23 as set forth in the applicable Bond Documents.

1 If the City optionally redeems or purchases a principal portion of a Term Bond prior to its
2 maturity, the principal amount so redeemed or purchased (irrespective of its redemption or
3 purchase price) shall be credited against the remaining Sinking Fund Requirements for that Term
4 Bond in the manner directed by the Director of Finance. In the absence of direction by the
5 Director of Finance, credit shall be allocated among the remaining Sinking Fund Requirements
6 for that Term Bond on a pro rata basis.

7 **(c) Extraordinary Redemption.** All or some of the Bonds may be subject to
8 extraordinary optional redemption or extraordinary mandatory redemption prior to maturity upon
9 the occurrence of an extraordinary event at the prices, in the principal amounts, and on the dates,
10 all as set forth in the applicable Bond Documents.

11 **(d) Selection of Bonds for Redemption; Partial Redemption.** If fewer than all of the
12 outstanding Bonds of a Series are to be redeemed at the option of the City, the Director of
13 Finance shall select the maturity or maturities to be redeemed. If less than all of the principal
14 amount of a maturity of the selected Series is to be redeemed and such Series is held in Book-
15 Entry Form, the portion of such maturity to be redeemed shall be selected for redemption by the
16 Securities Depository in accordance with the Letter of Representations. If the Series selected for
17 redemption is not then held in Book-Entry Form, the portion of such maturity to be redeemed
18 shall be selected by the Bond Registrar at random in such manner as the Bond Registrar shall
19 determine. All or a portion of the principal amount of any Bond that is to be redeemed may be
20 redeemed in any applicable Authorized Denomination. If less than all of the outstanding
21 principal amount of any Bond is redeemed, upon surrender of that Bond to the Bond Registrar
22 there shall be issued to the Registered Owner, without charge, a new Bond (or Bonds, at the

1 option of the Registered Owner) of the same Series, seniority, maturity, and interest rate in any
2 Authorized Denomination in the aggregate principal amount to remain outstanding.

3 (e) **Purchase.** The City reserves the right and option to purchase any or all of the Bonds
4 at any time at any price acceptable to the City plus accrued interest to the date of purchase.

5 Section 9. **Notice of Redemption; Rescission of Notice.** Unless otherwise set forth in the
6 applicable Bond Documents, the City must cause notice of any intended redemption of Bonds to
7 be given not fewer than 20 nor more than 60 days prior to the date fixed for redemption by first-
8 class mail, postage prepaid, to the Registered Owner of any Bond to be redeemed at the address
9 appearing on the Bond Register on the Record Date, and the requirements of this sentence shall
10 be deemed to have been fulfilled when notice has been mailed as so provided, whether or not it is
11 actually received by the Owner of any Bond. Interest on Bonds called for redemption shall cease
12 to accrue on the date fixed for redemption unless the Bond or Bonds called are not redeemed
13 when presented pursuant to the call.

14 In the case of an optional or extraordinary optional redemption, the notice may state that
15 the City retains the right to rescind the redemption notice and the related redemption of Bonds by
16 giving a notice of rescission to the affected Registered Owners at any time on or prior to the
17 scheduled redemption date. Any notice of optional redemption that is rescinded by the Director
18 of Finance shall be of no effect, and the Bonds for which the notice of redemption has been
19 rescinded shall remain outstanding.

20 Section 10. **Failure to Pay Bonds.** If any Bond is not paid when properly presented at its
21 maturity or redemption date, the City shall be obligated to pay, solely from the sources pledged
22 to that Bond in this ordinance, interest on that Bond at the same rate provided on that Bond from
23 and after its maturity or redemption date until that Bond, principal (including redemption

1 premium, if any) and interest, is paid in full or until sufficient money for its payment in full is on
2 deposit in the Parity Bond Fund (if such Bond is a Parity Bond) or the Junior Lien Debt Service
3 Fund (if such Bond is a Junior Lien Bond) and that Bond has been called for payment by giving
4 notice of that call to the Registered Owner of that Bond. The exercise of remedies of Owners of
5 the Bonds are limited as set forth in Section 24 of this ordinance.

6 Section 11. **Form and Execution of Bonds**. The Bonds shall be typed, printed, or
7 reproduced in a form consistent with the provisions of this ordinance and State law; shall be
8 signed by the Mayor and Director of Finance, either or both of whose signatures may be manual
9 or in facsimile; and the seal of the City or a facsimile reproduction thereof shall be impressed or
10 printed thereon.

11 Only Bonds bearing a certificate of authentication in substantially the following form
12 (with the designation, year, and Series adjusted consistent with this ordinance) and manually
13 signed by the Bond Registrar shall be valid or obligatory for any purpose or entitled to the
14 benefits of this ordinance: “This Bond is one of the fully registered The City of Seattle,
15 Washington, Municipal Light and Power [Improvement] Revenue Bonds, [Year], [Series and/or
16 Seniority, if applicable], described in [this ordinance].” Junior Lien Bonds shall bear the words
17 “Junior Lien” in their name in the foregoing certificate of authentication. The authorized signing
18 of a certificate of authentication shall be conclusive evidence that the Bond so authenticated has
19 been duly executed, authenticated, and delivered and is entitled to the benefits of this ordinance.

20 If any official whose manual or facsimile signature appears on a Bond ceases to be an
21 official of the City authorized to sign bonds before the Bond bearing that official’s manual or
22 facsimile signature is authenticated or delivered by the Bond Registrar or issued by the City, that
23 Bond nevertheless may be authenticated, issued, and delivered and, when authenticated, issued,

1 and delivered, shall be as binding on the City as though that person had continued to be an
2 official of the City authorized to sign bonds. Any Bond also may be signed on behalf of the City
3 by any person who, on the actual date of signing of the Bond, is an official of the City authorized
4 to sign bonds, although that person did not hold the required office on the Issue Date of that
5 Series of the Bonds.

6 Section 12. **Construction Account; Deposit of Proceeds**. The principal proceeds of the
7 sale of each Series of the Bonds (other than amounts necessary to pay accrued interest (if any), to
8 pay costs of issuance, and to provide for the Reserve Fund Requirement (if necessary) with
9 respect to a Series of Parity Bonds) shall be deposited into the Construction Account (or such
10 other fund or account as may be directed by the Director of Finance) to be used for the purposes
11 set forth in Section 3 of this ordinance. Until needed for such purposes, the City may invest
12 principal proceeds and interest thereon temporarily in any Permitted Investments, and the
13 investment earnings may, as determined by the Director of Finance, be either (a) retained in the
14 Construction Account to be spent for the purposes of that account, or (b) deposited into the
15 Parity Bond Fund or Junior Lien Debt Service Fund, as applicable.

16 Section 13. **Security for the Bonds; Designation as Parity Bonds or Junior Lien**
17 **Bonds**. The Bonds shall not constitute general obligations of the City, the State or any political
18 subdivision of the State or a charge upon any general fund or upon any money or other property
19 of the City, the State or any political subdivision of the State not specifically pledged by this
20 ordinance.

21 (a) **Parity Bonds**. Each Series of the Bonds that is designated as Parity Bonds shall be a
22 special limited obligation of the City payable from and secured solely by Gross Revenues
23 available after payment of Operating and Maintenance Expense (“Net Revenue”) and by money

1 in the Parity Bond Fund and the Reserve Fund. Net Revenue is pledged to make the payments
2 into the Parity Bond Fund and the Reserve Fund required by Sections 14 and 15 of this
3 ordinance, which pledge shall constitute a lien and charge upon such Net Revenue prior and
4 superior to all other charges whatsoever. Each Series of the Bonds designated as Parity Bonds
5 shall be issued on parity with the Outstanding Parity Bonds and all Future Parity Bonds, without
6 regard to date of issuance or authorization and without preference or priority of right or lien.

7 **(b) Junior Lien Bonds.** Each Series of the Bonds that is designated as Junior Lien Bonds
8 shall be a special limited obligation of the City payable from and secured solely by Net Revenue
9 and by money in the Junior Lien Debt Service Fund. Net Revenue is pledged to make the
10 payments into the Junior Lien Debt Service Fund required by Sections 14 and 16 of this
11 ordinance, which pledge shall constitute a lien and charge upon such Net Revenue (i.e., Gross
12 Revenues available after payment of Operating and Maintenance Expense of the Light System
13 pursuant to subsection 14(a) of this ordinance) that is (i) subordinate only to the payments to be
14 made into the Parity Bond Fund required by subsections 14(b) through (d) of this ordinance, and
15 (ii) prior and superior to all other charges whatsoever. Each Series of the Bonds designated as
16 Junior Lien Bonds shall be issued on parity with the lien and charge of any then-outstanding
17 Junior Lien Bonds and all Future Junior Lien Bonds, without regard to date of issuance or
18 authorization and without preference or priority of right or lien. Nothing in this ordinance
19 prevents the City from issuing revenue bonds or other obligations that are a charge or lien upon
20 Net Revenue subordinate to the payments required to be made into the Junior Lien Debt Service
21 Fund and the Reserve Fund, and any subfund, account, or subaccount within the foregoing funds.

1 Section 14. **Priority Expenditure of Gross Revenues; Flow of Funds**. Gross Revenues
2 shall be deposited as received in the Light Fund and used for the following purposes only, in the
3 following order of priority:

4 (a) To pay the Operating and Maintenance Expense;

5 (b) To make when due all payments into the Parity Bond Fund required to be made in
6 order to pay the interest on and principal of all Parity Bonds, including all Parity Bond Sinking
7 Fund Requirements, and all net payments under Parity Payment Agreements, and to make all
8 payments required to be made (if any) in respect of Parity Reimbursement Obligations;

9 (c) To make all payments required to be made (if any) into the Reserve Fund necessary to
10 satisfy the Reserve Fund Requirement, to make all payments (if any) required to be made under
11 subsection 15(c)(i)(B) of this ordinance into a special account within the Light Fund for the
12 replacement of an Alternate Reserve Security as to which the City has received a notice of
13 cancellation, and to pay any reimbursement obligations under any Alternate Reserve Security;

14 (d) To make all payments required to be made (if any) in respect of Intermediate Lien
15 Reimbursement Obligations;

16 (e) To make all payments into the Junior Lien Debt Service Fund required to be made in
17 order to pay the interest on and principal of all Junior Lien Bonds, including all net payments
18 under Junior Lien Payment Agreements and all Junior Lien Reimbursement Obligations, when
19 due;

20 (f) To make all required payments into any revenue bond redemption fund created to pay
21 and secure the payment of the principal of and interest on any revenue bonds or short-term
22 obligations of the City having a charge and lien upon Net Revenue subordinate to the lien

1 thereon for the payment of the principal of and interest on the Parity Bonds and the Junior Lien
2 Bonds; and

3 (g) Without priority, for any of the following purposes: to retire by redemption or
4 purchase any outstanding revenue bonds or revenue obligations of the Light System; to make
5 necessary additions, betterments, repairs, extensions, and replacements of the Light System; to
6 pay City taxes or other payments in lieu of taxes payable from Gross Revenues; to make deposits
7 to the Rate Stabilization Account; or for any other lawful Light System purpose.

8 Section 15. **Parity Bond Fund; Reserve Fund**. The special funds of the City known as
9 the Parity Bond Fund and the Reserve Fund have been previously created and shall be
10 maintained as special funds for the sole purpose of paying the principal of (including redemption
11 premium, if any) and interest on the Parity Bonds as the same shall become due. The Director of
12 Finance may create subfunds, accounts, or subaccounts in the Parity Bond Fund and the Reserve
13 Fund to pay or secure the payment of Parity Bonds as long as the maintenance of such subfunds,
14 accounts, or subaccounts does not conflict with the rights of the owners of the Parity Bonds.
15 Principal of (including redemption premium, if any) and interest on the Parity Bonds shall be
16 payable solely out of the Parity Bond Fund.

17 (a) **Required Payments into the Parity Bond Fund and Reserve Fund**. So long as any
18 Parity Bonds are outstanding (including any Parity Payment Agreements or Parity
19 Reimbursement Obligations), the City shall set aside and pay out of Net Revenue certain fixed
20 amounts without regard to any fixed proportion, namely:

21 (i) Into the Parity Bond Fund, on or prior to the respective dates on which such
22 payments shall become due and payable, an amount sufficient, together with other money on
23 deposit therein, to pay without priority or preference among the following items: (A) the interest

1 (including net payments due under Parity Payment Agreements) then due on the Outstanding
2 Parity Bonds, (B) the maturing principal of the Outstanding Parity Bonds (including any Sinking
3 Fund Requirements then due), and (C) any payments then due in respect of Parity
4 Reimbursement Obligations; and

5 (ii) Into the Reserve Fund, an amount necessary to provide for the Reserve Fund
6 Requirement within the time and manner required by this ordinance and the Bond Sale Terms,
7 including all payments required to be made under subsection 14(c) of this ordinance.

8 To meet the required payments to be made into the Parity Bond Fund and the Reserve
9 Fund, the Director of Finance may transfer any money from any funds or accounts of the City
10 legally available therefor, except bond redemption funds, refunding escrow funds or defeasance
11 funds. The Director of Finance may provide for the purchase, redemption, or defeasance of any
12 Parity Bonds by the use of money on deposit in any subfund, account, or subaccount in the Parity
13 Bond Fund or Reserve Fund, so long as the money remaining in those subfunds, accounts, or
14 subaccounts is sufficient to satisfy the required deposits for the remaining Parity Bonds.

15 (b) **Parity Bond Fund.** The Parity Bond Fund has been previously created for the sole
16 purpose of paying the principal of and interest on the Parity Bonds as the same shall become due.
17 Each Series of the Bonds designated as Parity Bonds shall be payable (including principal,
18 Sinking Fund Requirements, redemption premium (if any), and interest) out of the Parity Bond
19 Fund. Money in the Parity Bond Fund shall, to the fullest extent practicable and reasonable, be
20 invested and reinvested at the direction of the Director of Finance solely in, and obligations
21 deposited in such accounts shall consist of, Permitted Investments. Earnings on money and
22 investments in the Parity Bond Fund shall be deposited in and used for the purposes of that fund.

1 (c) **Reserve Fund.** The Reserve Fund has been previously created for the purpose of
2 securing the payment of the principal of and interest on all Parity Bonds (including all net
3 payments due under any Parity Payment Agreements, if any). Money held in the Reserve Fund
4 shall, to the fullest extent practicable and reasonable, be invested and reinvested at the direction
5 of the Director of Finance solely in, and obligations deposited in such accounts shall consist of,
6 Permitted Investments. Earnings on money and investments in the Reserve Fund shall be
7 deposited in that fund and credited against amounts required to be deposited therein until the
8 Reserve Fund is fully funded, and thereafter such earnings shall be deposited in the Parity Bond
9 Fund.

10 (i) **Reserve Fund Requirement.** The Bond Sale Terms for each Series of the
11 Bonds shall establish the amount (if any) to be added to the aggregate Reserve Fund
12 Requirement for such Series, and the method for providing for such incremental addition to the
13 Reserve Fund deposit, subject to the following:

14 (A) In connection with the issuance of Future Parity Bonds, the City shall
15 provide the amounts required for deposit into the Reserve Fund (1) at one time on the Issue Date,
16 or (2) in periodic deposits of Net Revenue (or any other legally available source of funds), so that
17 by five years from the date of such Future Parity Bonds there will have been paid into the
18 Reserve Fund an amount that, together with the money already on deposit therein, will be at least
19 equal to the Reserve Fund Requirement for the Parity Bonds scheduled to be outstanding at the
20 end of that five-year period.

21 (B) The City may obtain one or more Alternate Reserve Securities for
22 specific amounts required to be paid into the Reserve Fund. The amount available to be drawn
23 upon under each such Alternate Reserve Security shall be credited against the amounts needed to

1 satisfy the Reserve Fund Requirement. In the event of receipt of any notice of cancellation of an
2 Alternate Reserve Security, the City shall (and, in preparation for the expiration of any such
3 Alternate Reserve Security in accordance with its terms, the City may) either: (1) obtain a
4 substitute Alternate Reserve Security in the amount necessary to satisfy the Reserve Fund
5 Requirement on the date any such cancellation (or expiration) becomes effective, or (2) create a
6 special account in the Light Fund and deposit therein amounts necessary to replace the Alternate
7 Reserve Security upon its expiration or cancellation. In the case of receipt of a notice of
8 cancellation, such periodic deposits are to be made on or before the 25th day of each of the
9 60 calendar months succeeding receipt of such notice, in an amount equal to 1/60 of the amount
10 necessary (together with other money and investments then on deposit in the Reserve Fund) to
11 satisfy the expected Reserve Fund Requirement on the date such cancellation shall become
12 effective, taking into account scheduled redemptions of Parity Bonds and disregarding any
13 incremental additional amounts that may become necessary due to the issuance of Future Parity
14 Bonds subsequent to the date of such notice of cancellation. Such amounts shall be transferred
15 from Net Revenue available in the Light Fund after making provision for the required payments
16 into the Parity Bond Fund, in accordance with Section 14 of this ordinance. Amounts on deposit
17 in such special account are preliminarily earmarked for the replacement of such Alternate
18 Reserve Security and shall not be available to pay debt service on Parity Bonds or for any other
19 purpose of the City, and shall be transferred to the Reserve Fund on the effective date of any
20 cancellation or expiration of the Alternate Reserve Security to make up the deficiency caused
21 thereby. In the event that the Reserve Fund is completely depleted and all Alternate Reserve
22 Securities have been fully drawn, the amounts in that special account may be withdrawn and
23 treated as Gross Revenues available to be used in accordance with the flow of funds set forth in

1 Section 14 of this ordinance. If and when a substitute Alternate Reserve Security having a
2 sufficient value or policy limit is obtained, amounts held in that special account may be
3 transferred back to the Light Fund and treated as Gross Revenues available to be used in
4 accordance with the flow of funds set forth in Section 14 of this ordinance.

5 (C) If the amount on deposit in the Reserve Fund is less than the Reserve
6 Fund Requirement (taking into account the five-year period referred to in paragraph (A) of this
7 subsection), the City shall transfer to the Reserve Fund money in an amount sufficient to restore
8 the Reserve Fund to the Reserve Fund Requirement within 12 months after the date of such
9 deficiency. The City shall transfer such amount first from Net Revenue available in accordance
10 with the priority of payment in Section 14 of this ordinance, and only thereafter from money in
11 any construction fund or account established with respect to any issue of Parity Bonds, first
12 taking money from the unrestricted portion thereof, then taking money from the restricted
13 portion thereof. If the amount in the Reserve Fund is greater than the Reserve Fund Requirement,
14 the City may then withdraw such excess from the Reserve Fund and deposit such excess in the
15 Light Fund.

16 (ii) **Use of Reserve Fund to Refund Parity Bonds.** If any Parity Bonds are to be
17 refunded, the money set aside in the Reserve Fund to secure the payment of such Parity Bonds
18 may be used to retire such Parity Bonds, or may be transferred to any reserve fund or account
19 which may be created to secure the payment of any bonds issued to refund such Parity Bonds, as
20 long as the money left remaining in the Reserve Fund is at least equal, together with all Alternate
21 Reserve Securities, to the Reserve Fund Requirement.

22 (iii) **Use of Reserve Fund to Pay Debt Service.** If the money in the Parity Bond
23 Fund is insufficient to meet maturing installments of either interest on or principal of and interest

1 on the Parity Bonds (including net amounts payable under any Parity Payment Agreements),
2 such deficiency shall be made up from the Reserve Fund by the withdrawal of money or
3 proceeds of Alternate Reserve Securities, as the case may be. Any deficiency created in the
4 Reserve Fund by reason of any such withdrawal or claim against an Alternate Reserve Security
5 shall then be made up out of Net Revenue or out of any other legally available funds of the City.

6 (iv) **Withdrawals From Reserve Fund.** Money in the Reserve Fund may be
7 withdrawn by the City for any lawful purpose as long as the aggregate of any money and
8 Alternate Reserve Securities remaining on deposit in the Reserve Fund is at least equal to the
9 Reserve Fund Requirement for the Parity Bonds then outstanding. The City reserves the right to
10 substitute one or more Alternate Reserve Securities for money previously deposited in the
11 Reserve Fund and to withdraw such excess to the extent described in the preceding sentence.
12 Any withdrawals from subaccounts within the Reserve Fund shall be made on a *pro rata* basis,
13 except when the terms of an Alternate Reserve Security require all cash and investments in the
14 Reserve Fund to be withdrawn before any draw or claim is made on the Alternate Reserve
15 Security, or unless the City receives an opinion of Bond Counsel to the effect that such *pro rata*
16 withdrawal is not required to maintain the federal tax benefits (if any) of any then-outstanding
17 Parity Bonds issued as Tax-Exempt Bonds or Tax Credit Subsidy Bonds. If multiple Alternate
18 Reserve Securities are on deposit in the Reserve Fund, draws on such Alternate Reserve
19 Securities shall be made on a *pro rata* basis.

20 Section 16. **Junior Lien Debt Service Fund.**

21 (a) **Use of Junior Lien Debt Service Fund.** The Director of Finance is authorized (and,
22 in conjunction with the issuance of Junior Lien Bonds, is directed) to create and maintain a
23 special fund of the City known as the Junior Lien Debt Service Fund for the sole purpose of

1 paying the principal of (including redemption premium, if any) and interest on the Junior Lien
2 Bonds as the same shall become due. The Junior Lien Debt Service Fund shall consist of a
3 Principal and Interest Account and such additional subfunds, accounts, or subaccounts as the
4 Director of Finance may find it necessary or convenient to create in order to pay or secure the
5 payment of Junior Lien Bonds, as long as the maintenance of such subfunds, accounts, or
6 subaccounts does not conflict with the rights of the owners of the Junior Lien Bonds or the Parity
7 Bonds.

8 Each Series of the Bonds designated as Junior Lien Bonds shall be payable (including
9 principal, Sinking Fund Requirements, redemption premium (if any), and interest) out of the
10 Junior Lien Debt Service Fund. Money in the Junior Lien Debt Service Fund shall, to the fullest
11 extent practicable and reasonable, be invested and reinvested at the direction of the Director of
12 Finance solely in, and obligations deposited in such accounts shall consist of, Permitted
13 Investments. Earnings on money and investments in the Junior Lien Debt Service Fund shall be
14 deposited in and used for the purposes of that fund.

15 **(b) Required Payments Into the Junior Lien Debt Service Fund.** So long as any
16 Junior Lien Bonds (including any Junior Lien Payment Agreements) are outstanding, the City
17 shall set aside and pay out of Net Revenue certain fixed amounts, without regard to any fixed
18 proportion, namely, into the Principal and Interest Account of the Junior Lien Debt Service
19 Fund, on or prior to the respective dates on which such payments shall become due and payable,
20 an amount sufficient, together with other money on deposit therein, to pay the interest on and the
21 principal of the Junior Lien Bonds, including net payments due on Junior Lien Payment
22 Agreements and all payments under Junior Lien Reimbursement Obligations, as the same shall
23 become due. To meet the required payments to be made into the Junior Lien Debt Service Fund,

1 the Director of Finance may transfer any money from any funds or accounts of the City legally
2 available therefor, except the Parity Bond Fund, the Reserve Fund, other bond redemption funds,
3 refunding escrow funds, or defeasance funds. The Director of Finance may provide for the
4 purchase, redemption or defeasance of any Junior Lien Bonds by the use of money on deposit in
5 any subfund, account, or subaccount in the Junior Lien Debt Service Fund, so long as the money
6 remaining in those subfunds, accounts, or subaccounts is sufficient to satisfy the required
7 deposits with respect to the remaining Junior Lien Bonds.

8 Section 17. **Bond Covenants.**

9 (a) **Parity Bond Covenants.** The City covenants with the Owner of each Bond that is
10 designated as a Parity Bond at any time outstanding, as follows:

11 (i) **Sale or Disposition of the Light System.**

12 (A) The City may dispose of all or substantially all of the Light System
13 only if the City simultaneously causes all of the Parity Bonds to be, or be deemed to be, no
14 longer outstanding.

15 (B) Except as provided in this paragraph (B), the City will not dispose of
16 any part of the Light System in excess of 5 percent of the value of the net utility plant of the
17 Light System in service unless prior to such disposition: (1) there has been filed with the Director
18 of Finance a certificate of a Professional Utility Consultant stating that such disposition will not
19 impair the ability of the City to comply with the rate covenant set forth in subsection 17(a)(ii) of
20 this ordinance, in which the Professional Utility Consultant may make those assumptions
21 permitted in delivering a Parity Certificate under subsection 18(a) of this ordinance; or (2)
22 provision is made for the payment, redemption or other retirement of a principal amount of
23 Parity Bonds equal to the greater of the following amounts: (I) an amount that will be in the same

1 proportion to the net principal amount of Parity Bonds then outstanding (defined as the total
2 principal amount of Parity Bonds then outstanding less the amount of cash and investments in
3 the Parity Bond Fund) that Gross Revenues for the 12 preceding months attributable to the part
4 of the Light System being sold or disposed of bears to the total Gross Revenues for such period;
5 or (II) an amount that will be in the same proportion to the net principal amount of Parity Bonds
6 then outstanding as the book value of the part of the Light System being sold or disposed of
7 bears to the book value of the entire Light System immediately prior to such sale or disposition.

8 (C) Notwithstanding the foregoing, the City may dispose of any portion of
9 the Light System that has become unserviceable, inadequate, obsolete, worn out, or unfit to be
10 used, or no longer necessary for, material to, or useful in the operation of the Light System.

11 (D) If the ownership of all or part of the Light System is transferred from
12 the City through the operation of law, the City shall reconstruct or replace the transferred portion
13 using any proceeds of the transfer unless the City Council determines that such reconstruction or
14 replacement is not in the best interests of the City and the Owners of the Parity Bonds, in which
15 case any proceeds shall be used to purchase, defease, or redeem Parity Bonds prior to maturity.

16 (ii) **Rates and Charges.** The City will establish from time to time and maintain
17 such rates for electric energy as will maintain the Light System in sound financial condition and
18 provide sufficient revenues to pay all Operating and Maintenance Expense, to pay into the Parity
19 Bond Fund the amounts that are required by this ordinance to be applied to the payment of the
20 principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full,
21 and to pay all bonds, warrants, and indebtedness for which any revenues of the Light System
22 shall have been pledged.

1 **(iii) Operation and Maintenance of the Light System.** The City will operate the
2 properties of the Light System in an efficient manner and at a reasonable cost; will maintain,
3 preserve, and keep, or cause to be maintained, preserved, and kept, the properties of the Light
4 System and every part and parcel thereof in good repair, working order, and condition; and from
5 time to time will make or cause to be made all necessary and proper repairs, renewals and
6 replacements thereto so that at all times the business carried on in connection therewith will be
7 properly and advantageously conducted.

8 **(iv) Books and Financial Statements.** The City will keep and maintain proper
9 books of account for the Light System in accordance with generally accepted accounting
10 principles applicable to governmental utilities; will generally adhere to the uniform system of
11 accounts prescribed by the State Auditor’s Office and the Federal Energy Regulatory
12 Commission (if any); and will prepare, on or before 180 days after the end of each calendar year,
13 annual financial statements showing reasonable detail, including a balance sheet, an income
14 statement, and a statement of cash flows or other such statement. Copies of such financial
15 statements shall be placed on file in the office of the Director of Finance and shall be open to
16 inspection at any reasonable time by any owner of any Parity Bonds. A copy of such financial
17 statements shall be sent to any owner of Parity Bonds upon request in writing setting forth the
18 name and address to which such financial statements may be sent.

19 **(b) Junior Lien Bond Covenants.** The City covenants with the Owner of each Bond that
20 is designated as a Junior Lien Bond, for so long as such Junior Lien Bond remains outstanding,
21 as follows:

22 **(i) Sale or Disposition of the Light System.** The City may dispose of all or
23 substantially all of the Light System only if the City simultaneously causes all of the Junior Lien

1 Bonds to be, or be deemed to be, no longer outstanding. The City will not dispose of any part of
2 the Light System in excess of 5 percent of the value of the net utility plant of the Light System in
3 service except upon compliance with the covenant set forth in subsection 17(a)(i)(B) of this
4 ordinance. Notwithstanding the foregoing, the City may dispose of any portion of the Light
5 System that has become unserviceable, inadequate, obsolete, worn out or unfit to be used, or no
6 longer necessary, material to, or useful in the operation of the Light System.

7 (ii) **Rates and Charges.** The City will establish from time to time and maintain
8 such rates for electric energy as will maintain the Light System in sound financial condition and
9 provide sufficient revenues to pay all Operating and Maintenance Expense; to pay into the Parity
10 Bond Fund the amounts that are required by this ordinance to be applied to the payment of the
11 principal of and interest on the Parity Bonds until the Parity Bonds shall have been paid in full;
12 to pay into the Junior Lien Debt Service Fund the amounts that are required by this ordinance to
13 be paid into such fund, in accordance with the priority of payment set forth in Section 14 of this
14 ordinance, until the Junior Lien Bonds (including Junior Lien Payment Agreements and Junior
15 Lien Reimbursement Obligations) shall have been paid in full; and to pay all other bonds,
16 warrants, and indebtedness for which any revenues of the Light System shall have been pledged.

17 (iii) **Operation and Maintenance of the Light System.** The City will operate the
18 properties of the Light System in an efficient manner and at a reasonable cost; will maintain,
19 preserve and keep, or cause to be maintained, preserved and kept, the properties of the Light
20 System and every part and parcel thereof in good repair, working order and condition; and from
21 time to time will make or cause to be made all necessary and proper repairs, renewals, and
22 replacements thereto so that at all times the business carried on in connection therewith will be
23 properly and advantageously conducted.

1 (iv) **Books and Financial Statements.** The City will keep and maintain proper
2 books of account for the Light System in accordance with generally accepted accounting
3 principles applicable to governmental utilities; will generally adhere to the uniform system of
4 accounts prescribed by the State Auditor’s Office and the Federal Energy Regulatory
5 Commission (if any); and will prepare, on or before 180 days after the end of each calendar year,
6 annual financial statements showing reasonable detail, including a balance sheet, an income
7 statement, and a statement of cash flows or other such statement. Copies of such financial
8 statements shall be placed on file in the office of the Director of Finance and shall be open to
9 inspection at any reasonable time by any owner of any Junior Lien Bonds. A copy of such
10 financial statements shall be sent to any owner of Junior Lien Bonds upon request in writing
11 setting forth the name and address to which such financial statements may be sent.

12 Section 18. **Additional Bonds.**

13 (a) **Future Parity Bonds.** The City reserves the right to issue Future Parity Bonds (which
14 includes entering into future Parity Payment Agreements or future Parity Reimbursement
15 Obligations) for any lawful purpose of the City’s Light System if the Parity Conditions are met
16 and complied with as of the date of issuance of such Future Parity Bonds, or as of the effective
17 date of the Parity Payment Agreement or Parity Reimbursement Obligation, as appropriate.

18 If the Parity Conditions are met and complied with, then payments into the Parity Bond
19 Fund with respect to such Future Parity Bonds shall rank equally with the payments out of Net
20 Revenue required to be made into the Parity Bond Fund by this ordinance. Nothing in this
21 subsection 18(a) shall prevent the City from (i) issuing revenue bonds or other obligations that
22 are a charge upon Net Revenue junior and inferior to the payments required to be made
23 therefrom into the Parity Bond Fund for the payment of the Parity Bonds, provided that such

1 subordinate obligations may not be subject to acceleration under any circumstances; or (ii)
2 issuing Refunding Parity Bonds to refund maturing Parity Bonds of the City for the payment of
3 which money is not otherwise available.

4 (i) **Parity Conditions.** The Parity Conditions are as follows:

5 (A) No deficiency may then exist in the Parity Bond Fund or in any of the
6 accounts therein; and

7 (B) Provision must be made to satisfy the Reserve Fund Requirement for
8 the Parity Bonds then outstanding plus any additional amount required (if any) in connection
9 with the issuance and sale of the proposed Future Parity Bonds in accordance with subsection
10 15(c) of this ordinance; and

11 (C) There must be on file with the City a Parity Certificate as described in
12 subsection 18(a)(ii) of this ordinance. If the proposed Future Parity Bonds (or any portion
13 thereof) are to be issued for the purpose of refunding outstanding Parity Bonds and the Annual
14 Debt Service on the refunding portion of the proposed Future Parity Bonds is not more than
15 \$5,000 greater than the Annual Debt Service on the Parity Bonds to be refunded thereby, then no
16 Parity Certificate shall be required as to that portion issued for refunding purposes. If the
17 requirements of the preceding sentence are not satisfied, Refunding Parity Bonds may
18 alternatively be issued upon delivery of a Parity Certificate.

19 (ii) **Parity Certificate.** A Parity Certificate required by subsection 18(a)(i) of this
20 ordinance may be provided by either the Director of Finance or by a Professional Utility
21 Consultant, as follows:

22 (A) A Parity Certificate may be prepared by the Director of Finance,
23 demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive months out of the

1 most recent 24 months preceding the delivery of the proposed series of Future Parity Bonds (the
2 “Base Period”) was not less than 125 percent of Maximum Annual Debt Service in any future
3 calendar year on all Parity Bonds then outstanding and the proposed series of Future Parity
4 Bonds. For the purposes of a Parity Certificate delivered under this subsection (A), the Director
5 of Finance shall reflect in that certificate any adjustment in the rates, fees, and charges for the
6 services of the Light System that have or will become effective at any time prior to or within six
7 months after the delivery of the proposed Future Parity Bonds, by including in the amount of
8 Adjusted Net Revenue the amount that the Director estimates would have been collected in the
9 Base Period if such new rates, fees, and charges had been in effect for the entire Base Period.

10 (B) A Parity Certificate may be prepared by a Professional Utility
11 Consultant, demonstrating that the amount of Adjusted Net Revenue (which may be further
12 adjusted as provided in paragraphs (a)(ii)(B)(1) through (5) of this section) in any 12 consecutive
13 months out of the most recent 24 months preceding the delivery of the proposed Series of Future
14 Parity Bonds (the “Base Period”) is not less than 125 percent of the amount of Maximum Annual
15 Debt Service in any future calendar year on all Parity Bonds then outstanding and the proposed
16 Future Parity Bonds. For the purposes of a certificate delivered under this subsection (a)(ii),
17 Adjusted Net Revenue may be further adjusted by the Professional Utility Consultant using any
18 or all of the following methods reflecting the conditions and requirements as may be appropriate
19 to the circumstances:

20 (1) If the purpose for which the proposed Future Parity Bonds are
21 being issued is to acquire operating electric utility properties having an earnings record, the
22 Professional Utility Consultant shall estimate the effect on Adjusted Net Revenue for the Base
23 Period of the acquisition of such electric utility properties and the integration thereof into the

1 Light System, and shall further adjust Adjusted Net Revenue for the Base Period to give effect to
2 such estimate. Any such estimate shall be based upon the operating experience and records of the
3 City and upon any available financial statements and records relating to the earnings of such
4 electric utility properties to be acquired.

5 (2) If any changes to rates, fees, or charges imposed by the City on
6 sales of power, energy, or other services furnished by the Light System that were not in effect
7 during the entire Base Period have been adopted by the City Council and are in effect on the date
8 of sale of the proposed Future Parity Bonds (or effective date of the proposed Parity Payment
9 Agreement) or are to go into effect not later than 12 months after such date, the Professional
10 Utility Consultant may, if such changes resulted in increases in such rates, fees, or charges, and
11 shall, if such changes resulted in reductions in such rates, fees, or charges, further adjust
12 Adjusted Net Revenue for the Base Period to reflect any change in such Adjusted Net Revenue
13 that would have occurred if the changed rates, fees, or charges had been in effect during the
14 entire Base Period.

15 (3) If the purpose for which the proposed Future Parity Bonds are
16 being issued is to acquire or construct generation or transmission facilities required to furnish or
17 make available to the Light System additional power and energy, or transmission facilities
18 required to enable the City to sell additional power and energy, the Professional Utility
19 Consultant may further adjust Adjusted Net Revenue for the Base Period by (I) deducting the
20 amount of the estimated increase in Operating and Maintenance Expense resulting from the
21 acquisition or construction of such facilities in their first year of full operation, (II) adding any
22 additional revenues to be derived from the sale or transmission of such additional power and
23 energy pursuant to executed power sales contracts, and (III) adding an amount equal to the

1 estimated cost of the power and energy that would have been replaced or displaced by such
2 facilities had such additional power and energy in excess of the power and energy to be sold
3 pursuant to paragraph (a)(ii)(B)(2) of this section been used in the Light System during the Base
4 Period.

5 (4) If any customers were added to the Light System during the
6 Base Period or thereafter (and prior to the date of the Professional Utility Consultant's
7 certificate), Adjusted Net Revenue may be further adjusted as if such added customers were
8 customers of the Light System during the entire Base Period.

9 (5) If extensions of or additions to the Light System (not described
10 in paragraph (a)(ii)(B)(3) of this section) are in the process of construction on the date of the
11 Professional Utility Consultant's certificate, or if the proceeds of the proposed Future Parity
12 Bonds are to be used to acquire or construct extensions of or additions to the Light System (not
13 described in paragraph (a)(ii)(B)(3) of this section), Adjusted Net Revenue for the Base Period
14 may be further adjusted by adding any additional revenues not included in the preceding
15 paragraphs that will be derived from such additions and extensions, and deducting the estimated
16 increase in Operating and Maintenance Expense resulting from such additions and extensions.

17 In rendering any Parity Certificate under this subsection (a)(ii)(B), the Professional
18 Utility Consultant may rely upon the following documents, which shall be attached to the Parity
19 Certificate: financial statements of the Light System, certified by the Director of Finance,
20 showing income and expenses for the period upon which the same are based and a balance sheet
21 as of the end of such period; financial statements of the Light System certified by the Office of
22 the State Auditor of the State (or any successor thereto); or financial statements of the Light
23 System certified by a certified public accountant for as much of such period as any examination

1 by such accountant has been made and completed. If two or more of such statements are
2 inconsistent with each other, the Professional Utility Consultant shall rely on the statements
3 certified by the Director of Finance.

4 **(b) Future Junior Lien Bonds.** The City reserves the right to issue Future Junior Lien
5 Bonds (which term includes Junior Lien Payment Agreements and Junior Lien Reimbursement
6 Obligations) for any lawful purpose of the City’s Light System if the Junior Lien Additional
7 Bonds Test is met and complied with as of the date of issuance of such Future Junior Lien
8 Bonds, or as of the effective date of the Junior Lien Payment Agreement or Junior Lien
9 Reimbursement Obligation, as appropriate.

10 If the Junior Lien Additional Bonds Test is met and complied with, then payments into
11 the Junior Lien Debt Service Fund with respect to such Future Junior Lien Bonds shall rank
12 equally with the payments out of Net Revenue required to be made into the Junior Lien Debt
13 Service Fund by this ordinance. Nothing in this subsection (b) shall prevent the City from (i)
14 issuing revenue bonds or other obligations that are a charge upon Net Revenue junior and
15 inferior to the payments required to be made therefrom into the Junior Lien Debt Service Fund
16 for the payment of the Junior Lien Bonds, provided that such subordinate obligations may not be
17 subject to acceleration under any circumstances; or (ii) issuing Refunding Junior Lien Bonds to
18 fund or refund maturing Junior Lien Bonds of the City for the payment of which money is not
19 otherwise available.

20 **(i) Junior Lien Additional Bonds Test.** The Junior Lien Additional Bonds Test
21 is as follows:

22 (A) No deficiency may then exist in the Junior Lien Debt Service Fund or
23 in any of the accounts therein; and

1 (B) No default may have occurred that is then continuing with respect to
2 any then-outstanding Parity Bonds or Junior Lien Bonds; and

3 (C) There must be on file with the City a Junior Lien Coverage Certificate
4 as described in subsection 18(b)(ii) of this ordinance. If the proposed Future Junior Lien Bonds
5 (or any portion thereof) are to be issued for the purpose of refunding outstanding Junior Lien
6 Bonds and the Annual Debt Service on the refunding portion of the proposed Future Junior Lien
7 Bonds is not more than \$5,000 greater than the Annual Debt Service on the Junior Lien Bonds to
8 be refunded thereby, then no Junior Lien Coverage Certificate shall be required as to that portion
9 issued for refunding purposes. If the requirements of the preceding sentence are not satisfied,
10 Refunding Junior Lien Bonds may alternatively be issued upon delivery of a Junior Lien
11 Coverage Certificate.

12 (ii) **Junior Lien Coverage Certificate.** A Junior Lien Coverage Certificate
13 required by subsection 18(b)(i) of this ordinance may be provided by either the Director of
14 Finance or by a Professional Utility Consultant, as follows:

15 (A) A Junior Lien Coverage Certificate may be prepared by the Director
16 of Finance, demonstrating that the amount of Adjusted Net Revenue in any 12 consecutive
17 months out of the most recent 24 months preceding the delivery of the proposed Series of Future
18 Junior Lien Bonds (the “Base Period”) was not less than 115 percent of Maximum Annual Debt
19 Service in any future calendar year on all Parity Bonds, Intermediate Lien Reimbursement
20 Obligations (if any), and Junior Lien Bonds then outstanding plus the proposed Series of Future
21 Junior Lien Bonds. For the purposes of a Junior Lien Coverage Certificate delivered under this
22 subsection (A), the Director of Finance shall reflect in that certificate any adjustment in the rates,
23 fees, and charges for the services of the Light System that will become effective at any time prior

1 to or within six months after the delivery of the proposed Future Junior Lien Bonds, by including
2 in the amount of Adjusted Net Revenue the amount that the Director estimates would have been
3 collected in the Base Period if such new rates, fees, and charges had been in effect for the entire
4 Base Period.

5 (B) A Junior Lien Coverage Certificate may be prepared by a Professional
6 Utility Consultant, demonstrating that the amount of Adjusted Net Revenue (which may be
7 further adjusted as provided in subsection 18(a)(ii)(B)(1) through (B)(5) of this ordinance) in any
8 12 consecutive months out of the most recent 24 months preceding the delivery of the proposed
9 Future Junior Lien Bonds (the “Base Period”) not less than 115 percent of Maximum Annual
10 Debt Service in any future calendar year on all Parity Bonds and Junior Lien Bonds then
11 outstanding plus the proposed Future Junior Lien Bonds.

12 Section 19. **Rate Stabilization Account.** The City may at any time deposit in the Rate
13 Stabilization Account Net Revenue and any other money received by the Light System and
14 available to be used therefor. Thereafter, the City may withdraw any or all of the money from the
15 Rate Stabilization Account for inclusion in Adjusted Net Revenue for any applicable year of the
16 City. Such deposits or withdrawals may be made up to and including the date 90 days after the
17 end of the applicable year for which the deposit or withdrawal will be included as Adjusted Net
18 Revenue.

19 Section 20. **Refunding or Defeasance of Bonds.**

20 (a) **Bonds Designated as Refundable Bonds and as Defeasible Bonds.** Each Series of
21 the Bonds is designated as “Refundable Bonds” and “Defeasible Bonds” for purposes of the
22 Omnibus Refunding Ordinance and the Omnibus Defeasance Ordinance, respectively.

1 **(b) Refunding; Defeasance.** The City may issue refunding bonds pursuant to the laws of
2 the State or use money available from any other lawful source (i) to pay when due the principal
3 of (including redemption premium, if any) and interest on any Bond, or any portion thereof,
4 included in a refunding or defeasance plan (the “Defeased Bonds”); (ii) to redeem and retire,
5 release, refund, or defease the Defeased Bonds; and (iii) to pay the costs of such refunding or
6 defeasance. If money and/or Government Obligations maturing at a time or times and in an
7 amount sufficient (together with known earned income from the investment thereof) to redeem
8 and retire, release, refund, or defease the Defeased Bonds in accordance with their terms is set
9 aside in a special trust fund or escrow account irrevocably pledged to such redemption,
10 retirement, or defeasance (the “Trust Account”), then all right and interest of the Owners of the
11 Defeased Bonds in the covenants of this ordinance and in Net Revenue and the funds and
12 accounts pledged to the payment of such Defeased Bonds, other than the right to receive the
13 funds so set aside and pledged, thereafter shall cease and become void. Such Owners thereafter
14 shall have the right to receive payment of the principal (or redemption price) of and interest on
15 the Defeased Bonds from the Trust Account. After such a Trust Account is established and
16 funded as set forth in this subsection (b), the Defeased Bonds shall be deemed to be no longer
17 outstanding and the Director of Finance may then apply any money in any other fund or account
18 established for the payment or redemption of the Defeased Bonds to any lawful purpose.

19 **(c) Notice of Defeasance or Refunding.** Unless otherwise specified in the applicable
20 Bond Documents, notice of refunding or defeasance shall be given, and selection of Bonds for
21 any partial refunding or defeasance shall be conducted, in the manner set forth in this ordinance
22 for the redemption of Bonds.

1 (d) **Annual Debt Service Calculation Adjustments for Defeased Bonds.** If the
2 refunding or defeasance plan provides (i) that the Defeased Bonds (or the refunding bonds issued
3 to redeem those Defeased Bonds) are to be secured by money and/or Government Obligations
4 pending the redemption of the Defeased Bonds, and (ii) that certain money and/or Government
5 Obligations are pledged irrevocably for the redemption of the Defeased Bonds, then only the
6 debt service on such Bonds as are not Defeased Bonds (and any refunding bonds, the payment of
7 which is not so secured by the refunding plan) shall be included in the calculation of Annual
8 Debt Service.

9 Section 21. **Federal Tax Matters.** The Bond Documents may include such additional
10 terms and covenants relating to federal tax matters as the Director of Finance deems necessary or
11 appropriate, including the following:

12 (a) **Tax-Exempt Bonds.** For each Series of the Bonds issued as Tax-Exempt Bonds, the
13 City covenants that it will take all actions, consistent with the terms of such Series as set forth in
14 this ordinance and the applicable Bond Documents, that are reasonably within its power and
15 necessary to prevent interest on that Series from being included in gross income for federal
16 income tax purposes. The City further covenants that it will neither take any action nor make or
17 permit any use of gross proceeds of that Series (or other funds of the City treated as gross
18 proceeds of that Series) at any time during the term of such Series that will cause interest on such
19 Series to be included in gross income for federal income tax purposes. The City also covenants
20 that, to the extent the arbitrage rebate requirement of Section 148 of the Code is applicable to any
21 Series issued as Tax-Exempt Bonds, it will take all actions necessary to comply (or to be treated
22 as having complied) with that requirement in connection with that Series (including the
23 calculation and payment of any penalties that the City may elect to pay as an alternative to

1 calculating rebatable arbitrage and the payment of any other penalties if required under Section
2 148 of the Code) to prevent interest on such Bonds from being included in gross income for
3 federal income tax purposes.

4 **(b) Taxable Bonds; Tax Credit Subsidy Bonds.** For each Series of the Bonds issued as
5 Taxable Bonds or as Tax Credit Subsidy Bonds, the Director of Finance is authorized to make
6 provision in the Bonds and other Bond Documents, to execute additional written agreements, and
7 to make additional covenants on behalf of the City, all as the Director may deem necessary or
8 appropriate in order to obtain, maintain, and administer such tax status. In the case of Tax Credit
9 Subsidy Bonds, such additional covenants and agreements may include (without limiting the
10 generality of the foregoing) those necessary in order for the City (i) to receive from the United
11 States Treasury the applicable Tax Credit Subsidy Payments in respect of such Tax Credit
12 Subsidy Bonds, and (ii) to ensure that such Tax Credit Subsidy Bonds otherwise become and
13 remain eligible for tax benefits under the Code.

14 Section 22. **Official Statement; Continuing Disclosure.**

15 **(a) Preliminary Official Statement.** The Director of Finance and other appropriate City
16 officials are directed to cause the preparation of and review the form of a preliminary official
17 statement in connection with each sale of one or more Series to the public. For the sole purpose
18 of the Purchaser's compliance with paragraph (b)(1) of Rule 15c2-12, the Director of Finance is
19 authorized to deem that preliminary official statement final as of its date, except for the omission
20 of information permitted to be omitted by Rule 15c2-12. The City approves the distribution to
21 potential purchasers of the Bonds of a preliminary official statement that has been deemed final
22 in accordance with this subsection 22(a).

1 **(b) Final Official Statement.** The City approves the preparation of a final official
2 statement for each sale of one or more Series to be sold to the public in the form of the
3 preliminary official statement, with such additions, modifications and amendments as the
4 Director of Finance deems necessary or desirable, and further authorizes the Director of Finance
5 to execute and deliver such final official statement to the Purchaser. The City authorizes and
6 approves the distribution by the Purchaser of that final official statement to purchasers and
7 potential purchasers of the Bonds.

8 **(c) Undertaking to Provide Continuing Disclosure.** To meet the requirements of
9 paragraph (b)(5) of Rule 15c2-12, as applicable to a participating underwriter for a Series of the
10 Bonds, the Director of Finance is authorized to execute a written Continuing Disclosure
11 Certificate with respect to that Series, in substantially the form attached to this ordinance as
12 Exhibit B.

13 Section 23. **Supplemental or Amendatory Bond Documents.** This ordinance and the
14 other applicable Bond Documents for any Series of the Bonds may not be supplemented or
15 amended in any respect subsequent to the Issue Date of such Series, except in accordance with
16 and subject to the provisions of this section.

17 **(a) Amendments Without Bond Owners' Consent.** From time to time and at any time,
18 without the consent of or notice to the owners of any Parity Bonds or Junior Lien Bonds, the City
19 may supplement or amend the Bond Documents applicable to any Series of the Bonds for any of
20 the purposes set forth in this subsection 23(a). Any such supplement or amendment may be
21 passed, adopted, or otherwise approved in writing by the City, without requiring the consent of
22 the registered owners of any Parity Bonds or Junior Lien Bonds, but may become effective only
23 upon receipt by the City of an opinion of Bond Counsel to the effect that such supplement or

1 amendment is permitted by the terms of this ordinance. The City shall deliver a copy of any such
2 supplement or amendment to each Rating Agency prior to its passage, adoption, or approval (as
3 applicable) by the City. The types of supplements and amendments permitted under this
4 subsection 23(a) are as follows:

5 (i) To add to any Parity Bond Documents (or to any Junior Lien Bond
6 Documents, as applicable) additional covenants and agreements that do not adversely affect the
7 interests of the owners of any Parity Bonds (or, as to Junior Lien Bond Documents, the interests
8 of the owners of any Junior Lien Bonds) then outstanding, or to surrender any right or power
9 reserved to or conferred upon the City in any Bond Documents;

10 (ii) To cure any ambiguities or to cure, correct, or supplement any defective
11 provision in any Bond Documents, in regard to matters or questions arising under such Bond
12 Documents, as the City may deem necessary or desirable and not inconsistent with this
13 ordinance, and which do not materially adversely affect the interests of the owners of any Parity
14 Bonds or Junior Lien Bonds then outstanding; and

15 (iii) To make such changes as may be necessary to permit the Bonds to be held in
16 registered certificate form or in Book-Entry Form, as the case may be, and to make similar
17 amendments or modifications of a technical nature.

18 **(b) Amendments Permitted Upon Bond Owner Consent.**

19 (i) **Parity Bond Documents.** With the consent of the registered owners
20 representing not less than 60 percent in aggregate principal amount of the Parity Bonds then
21 outstanding, the City may pass, adopt, or otherwise provide its written approval of any
22 supplement or amendment to add to, change, or eliminate any provision of the Bond Documents

1 applicable to a Series of the Bonds designated as Parity Bonds in any manner other than a
2 supplement or amendment effecting a change described in subsection 23(c)(i) of this ordinance.

3 (ii) **Junior Lien Bond Documents.** With the consent of the registered owners
4 representing not less than 60 percent in aggregate principal amount of the Junior Lien Bonds
5 then outstanding, the City may pass, adopt, or otherwise approve in writing any supplement or
6 amendment to add to, change, or eliminate any provision of the Bond Documents applicable to a
7 Series of the Bonds designated as Junior Lien Bonds in any manner other than a supplement or
8 amendment effecting a change described in subsection 23(c)(ii) of this ordinance.

9 (c) **Amendments Prohibited Except Upon Unanimous Consent.**

10 (i) **Amendments to Parity Bond Documents.** Nothing contained in this section
11 shall permit or be construed as permitting an amendment or supplement that would:

12 (A) Except upon consent from the registered owners of or on behalf of all
13 Parity Bonds so affected, extend the fixed maturity of any Parity Bond, reduce the rate of interest
14 on any Parity Bond (other than a change in interest rate permitted under the applicable Parity
15 Bond Documents then in effect), extend the times of payment of interest from their respective
16 due dates, reduce the principal amount of any Parity Bond, or reduce any redemption premium;
17 or

18 (B) Except upon consent from the registered owners of or on behalf of all
19 of the Parity Bonds then outstanding, reduce the percentage of ownership required under
20 subsection 23(b)(i) of this ordinance to approve any supplement or amendment.

21 (ii) **Amendments to Junior Lien Bond Documents.** Nothing contained in this
22 section shall permit or be construed as permitting an amendment or supplement that would:

1 (A) Except upon consent from the registered owners of or on behalf of all
2 Junior Lien Bonds so affected, extend the fixed maturity of any Junior Lien Bond, reduce the rate
3 of interest on any Junior Lien Bond (other than a change in interest rate permitted under the
4 applicable Junior Lien Bond Documents then in effect), extend the times of payment of interest
5 from their respective due dates, reduce the principal amount of any Junior Lien Bond, or reduce
6 any redemption premium; or

7 (B) Except upon consent from the registered owners of or on behalf of all
8 of the Junior Lien Bonds then outstanding, reduce the percentage of ownership required under
9 subsection 23(b)(ii) of this ordinance to approve any supplement or amendment.

10 (d) **Notice and Consents.** If at any time the City passes, adopts, or otherwise approves in
11 writing a supplement or amendment for any of the purposes requiring consent under subsection
12 23(b) or 23(c) of this ordinance, it shall provide a notice to each registered owner and to each
13 Rating Agency briefly summarizing the nature of the proposed supplement or amendment and
14 stating that a copy of such supplement or amendment is on file at the office of the City Clerk. It
15 shall not be necessary to obtain consent to or approval of the particular form of any proposed
16 supplement or amendment, but it shall be sufficient if the consent shall approve the substance
17 thereof. For purposes of determining whether consents representing the requisite percentage of
18 principal amount of Parity Bonds or Junior Lien Bonds have been obtained, the Accreted Value
19 of Capital Appreciation Bonds shall be deemed to be the principal amount.

20 (e) **Effect of Amendment or Supplement.** Upon the effective date of any amendment or
21 supplement to any Bond Documents, such Bond Documents shall be deemed to be amended and
22 modified in accordance with such amendment or supplement. Thereafter, the respective rights,
23 duties, and obligations of the City under the applicable Bond Documents shall be determined,

1 exercised, and enforced subject in all respects to such supplement or amendments, and all the
2 terms and conditions of any such supplement or amendment shall be deemed to be a part of the
3 terms and conditions of those Bond Documents for any and all purposes. The effective dates of
4 such amendments and supplements shall be as follows:

5 (i) An amendment and supplement permitted under subsection 23(a) of this
6 ordinance shall become effective immediately upon (A) the passage, adoption, or other approval
7 of such amendment or supplement (or upon the effective date of such document as stated therein,
8 if any), and (B) the delivery of the required opinion of Bond Counsel stating that such
9 amendment or supplement is permitted under this ordinance.

10 (ii) A supplement or amendment permitted under subsection 23(b) or 23(c) of this
11 ordinance shall become effective on the date on which the City has received the written consents
12 of the requisite percentage of registered owners. If the requisite percentage of registered owners
13 of Parity Bonds or Junior Lien Bonds, as applicable, have given their consent to any such
14 amendment or supplement, no owner of any Bond shall have any right (i) to object to the
15 passage, adoption, or approval of such supplement or amendment, (ii) to object to any of the
16 terms and provisions contained therein or the operation thereof, (iii) in any manner to question
17 the propriety of the passage, adoption, or approval thereof, (iv) to enjoin or restrain the City, or
18 any authorized official thereof, from passing, adopting, or otherwise approving the same, or (v)
19 to enjoin or restrain the City, any authorized official thereof, or the Bond Registrar from taking
20 any action pursuant to the provisions thereof.

21 (f) **Notation on Bonds.** Any Bonds executed and delivered after the effective date of any
22 amendment or supplement that is passed, adopted, or otherwise approved in writing pursuant to
23 this section may include a notation as to any matter provided for in such amendment or

1 supplement. The City may, in its discretion, prepare and deliver replacement bonds, modified to
2 reflect any such amendment or supplement, to the registered owner(s) thereof upon surrender of
3 the original bonds for cancellation.

4 **Section 24. Defaults and Remedies**

5 (a) **Parity Bond Events of Default.** Each of the following shall constitute an Event of
6 Default with respect to the Bonds designated as Parity Bonds, except as set forth in subsection
7 24(c) of this ordinance:

8 (i) If a default is made in the payment of the principal of (including Sinking Fund
9 Requirements and any redemption premium thereon, if any) or interest on any Parity Bond when
10 the same shall become due and payable; or

11 (ii) If the City defaults in the observance and performance of any other of the
12 Parity Bond covenants, conditions, or agreements on the part of the City set forth in this
13 ordinance or the applicable Parity Bond Documents (except as otherwise provided herein or in
14 such Parity Bond Documents) and such default or defaults shall have continued for a period of
15 six months (the “cure period”) after the City shall have received from the registered owners of
16 not less than 25 percent in principal amount of the Parity Bonds then outstanding (or from a
17 Bond Owners’ Trustee duly appointed as set forth in subsection 24(e) of this ordinance) a written
18 notice specifying and demanding the cure of such default. However, if such default is one that
19 cannot be completely remedied within the cure period, it shall not be an Event of Default with
20 respect to the Parity Bonds, so long as the City has taken active steps within the cure period to
21 remedy the default and is diligently pursuing such remedy.

1 **(b) Junior Lien Bond Events of Default.** Each of the following shall constitute an Event
2 of Default with respect to the Bonds designated as Junior Lien Bonds, except as set forth in
3 subsection 24(c) of this ordinance:

4 (i) If a default is made in the payment of the principal of (including Sinking Fund
5 Requirements and any redemption premium thereon, if any) or interest on any Junior Lien Bond
6 when the same shall become due and payable; or

7 (ii) If the City defaults in the observance and performance of any other of the
8 Junior Lien Bond covenants, conditions, or agreements on the part of the City set forth in this
9 ordinance or the applicable Junior Lien Bond Documents (except as otherwise provided for in
10 this ordinance or in such Junior Lien Bond Documents) and such default or defaults shall have
11 continued for a period of six months (the “cure period”) after the City shall have received from
12 the registered owners of not less than 25 percent in principal amount of the Junior Lien Bonds
13 then outstanding (or from a Bond Owners’ Trustee duly appointed as set forth in subsection (e)
14 of this section) a written notice specifying and demanding the cure of such default. However, if
15 such default is one which cannot be completely remedied within the cure period, it shall not be
16 an Event of Default with respect to the Bonds as long as the City has taken active steps within
17 the cure period to remedy the default and is diligently pursuing such remedy.

18 **(c) Exceptions.** Notwithstanding anything in this section to the contrary, the failure of the
19 City or any obligated person to comply with a Continuing Disclosure Certificate shall not
20 constitute an Event of Default, and the sole remedy of any holder of any Parity Bond or Junior
21 Lien Bond, as applicable, shall be to seek an order of specific performance from an appropriate
22 court to compel the City to comply with the Continuing Disclosure Certificate. For purposes of
23 determining whether an Event of Default has occurred and is continuing with respect to the rate

1 covenant set forth in subsection 17(a)(ii) or 17(b)(ii) of this ordinance, if such covenant is met
2 for any fiscal year, it shall be deemed to have been met for all prior fiscal years.

3 **(d) Remedies; No Acceleration.** In the case of a Parity Bond Event of Default, an owner
4 of a Parity Bond shall have the remedies set forth in Section 10 of this ordinance and in the
5 applicable Parity Bond Documents, as limited by subsection 24(e) of this ordinance. In the case
6 of a Junior Lien Bond Event of Default, the owner of a Junior Lien Bond shall have the remedies
7 set forth in Section 10 of this ordinance and in the applicable Junior Lien Bond Documents, as
8 limited by subsection 24(e) of this ordinance. Nothing contained in this ordinance shall, in any
9 event or under any circumstance, be deemed to authorize the acceleration of the maturity of
10 principal on the Bonds, and the remedy of acceleration is expressly denied to the registered
11 owners of the Bonds under any circumstances including, without limitation, upon the occurrence
12 and continuance of an Event of Default.

13 **(e) Bond Owners' Trustee.** A Bond Owners' Trustee appointed in the manner provided
14 in this section, and each successor thereto, is declared to be a trustee for all of the owners of the
15 Parity Bonds (in the case of a Parity Bond Event of Default) or all of the owners of the Junior
16 Lien Bonds (in the case of a Junior Lien Bond Event of Default), as applicable, and is
17 empowered to exercise all the rights and powers herein conferred on the Bond Owners' Trustee.

18 **(i) Appointment of Bond Owners' Trustee; Removal.** Upon the occurrence and
19 continuance of an Event of Default described in subsection 24(a) of this ordinance, the registered
20 owners of 25 percent in principal amount of the then-outstanding Parity Bonds (or upon the
21 occurrence and continuance of an Event of Default described in subsection 24(b) of this
22 ordinance, the registered owners of 25 percent in principal amount of the then-outstanding Junior
23 Lien Bonds) may appoint a Bond Owners' Trustee by an instrument or concurrent instruments in

1 writing signed by such registered owners (or by their duly authorized attorneys-in-fact) and
2 delivered to such Bond Owners' Trustee, with notification of such appointment given to the City.
3 That appointment shall become effective immediately upon acceptance thereof by the Bond
4 Owners' Trustee. The entity acting as Bond Owners' Trustee may be removed at any time, and a
5 successor Bond Owners' Trustee may be appointed, by the registered owners of more than 50
6 percent in principal amount of the Parity Bonds then outstanding (in the case of a Parity Bond
7 Event of Default) or 50 percent in principal amount of the Junior Lien Bonds then outstanding
8 (in the case of a Junior Lien Bond Event of Default), as applicable, by an instrument or
9 concurrent instruments in writing signed and acknowledged by such registered owners or by
10 their duly authorized attorneys-in-fact.

11 (ii) **Cure of Event of Default.** If the Bond Owners' Trustee furnishes to the City
12 a certificate stating that, in its sole judgment, an Event of Default that has occurred has been
13 cured, such Event of Default shall be conclusively deemed to be cured, and the City, the Bond
14 Owners' Trustee, and the registered owners of the Parity Bonds or Junior Lien Bonds, as
15 applicable, shall be restored to the same rights and position which they would have held if no
16 Event of Default had occurred.

17 (iii) **Suits at Law or in Equity.** Upon the occurrence of an Event of Default and
18 during the continuance thereof, the Bond Owners' Trustee in its discretion may (and, upon the
19 written request of the registered owners of not less than 25 percent in principal amount of the
20 Parity Bonds (or Junior Lien Bonds, as applicable) then outstanding, shall) take such steps and
21 institute such suits, actions, or other proceedings, all as it may deem appropriate for the
22 protection and enforcement of the rights of the registered owners of the Parity Bonds (or Junior
23 Lien Bonds, as applicable), to collect any amounts due and owing to or from the City, or to

1 obtain other appropriate relief, and may enforce the specific performance of any covenant,
2 agreement, or condition contained in this ordinance or set forth in any of the applicable Bond
3 Documents.

4 Any action, suit, or other proceeding instituted by the Bond Owners' Trustee hereunder
5 shall be brought in its name as the Bond Owners' Trustee and all such rights of action upon or
6 under any of the Parity Bonds (or Junior Lien Bonds, as applicable) or the provisions of this
7 ordinance may be enforced by the Bond Owners' Trustee without the possession of any of those
8 Parity Bonds (or Junior Lien Bonds, as applicable) and without the production of the same at any
9 trial or proceedings relative thereto except where otherwise required by law.

10 (iv) **Effect of Appointment of Bond Owners' Trustee.** Any action, suit, or
11 proceeding instituted by the Bond Owners' Trustee shall be brought for the ratable benefit of all
12 of the owners of the Parity Bonds (or Junior Lien Bonds, as applicable), subject to the provisions
13 of this ordinance. The respective owners, by taking and holding the same, shall be conclusively
14 deemed irrevocably to appoint the Bond Owners' Trustee the true and lawful trustee of the
15 respective owners, with authority to institute any such action, suit, or proceeding; to receive as
16 trustee and deposit in trust any sums becoming distributable on account of those Parity Bonds; to
17 execute any paper or documents for the receipt of money; and to do all acts with respect thereto
18 that the owner might have done in person. Nothing herein shall be deemed to authorize or
19 empower the Bond Owners' Trustee to consent to accept or adopt, on behalf of any owner of the
20 Parity Bonds (or Junior Lien Bonds, as applicable), any plan of reorganization or adjustment
21 affecting the Parity Bonds (or Junior Lien Bonds, as applicable) or any right of any registered
22 owner thereof, or to authorize or empower the Bond Owners' Trustee to vote the claims of the

1 registered owners thereof in any receivership, insolvency, liquidation, bankruptcy,
2 reorganization, or other proceeding to which the City is a party.

3 **(v) Bond Owners' Direction of Proceedings.** By an instrument or concurrent
4 instruments in writing executed and delivered to the Bond Owners' Trustee, the owners of more
5 than 50 percent in aggregate principal amount of the Parity Bonds (or Junior Lien Bonds, as
6 applicable) then outstanding shall be entitled to control and direct the enforcement of all rights
7 and remedies granted to the owners (or the Bond Owners' Trustee for the benefit of the owners)
8 under the applicable Bond Documents. Notwithstanding the foregoing, the Bond Owners'
9 Trustee shall have the right to decline to follow any such direction which in the opinion of the
10 Bond Owners' Trustee, in reasonable reliance on advice of counsel, would be unjustly
11 prejudicial to owners not parties to such direction.

12 **(vi) Limitation on Remedies; Limitations on Individual Actions.** No owner of
13 a Parity Bond, in the case of a Parity Bond Event of Default (or owner of a Junior Lien Bond, in
14 the case of a Junior Lien Bond Event of Default) shall have any right in any manner whatever by
15 its action to affect, disturb, or prejudice the security pledged in this ordinance or the rights of any
16 other owners, or to enforce any right under the applicable Bond Documents or applicable law
17 except in the manner provided in this section, and that all proceedings at law or in equity to
18 enforce any such right shall be instituted, had, and maintained in the manner herein provided and
19 for the equal and ratable benefit and protection of all owners of the Parity Bonds (or Junior Lien
20 Bonds, as applicable), subject to the provisions of this ordinance.

21 **(vii) Limitations on Individual Actions.** No owner of a Parity Bond (or Junior
22 Lien Bond, as applicable) shall have any right to institute any action, suit, or proceeding at law or
23 in equity for the enforcement of same unless (A) such owner previously shall have given to the

1 Bond Owners' Trustee written notice of the occurrence of an Event of Default; (B) the owners of
2 more than 50 percent in aggregate principal amount of the then-outstanding Parity Bonds (in the
3 case of a Parity Bond Event of Default) or 50 percent in aggregate principal amount of the then-
4 outstanding Junior Lien Bonds (in the case of a Junior Lien Bond Event of Default) shall have
5 made a written request to the Bond Owners' Trustee to exercise the powers granted above or to
6 institute such action, suit, or proceeding in its own name; (C) such owners shall have tendered to
7 the Bond Owners' Trustee reasonable indemnity against the costs, expenses, and liabilities to be
8 incurred in compliance with such request; and (D) the Bond Owners' Trustee shall have refused
9 or omitted to comply with such request for a period of 60 days after such written request shall
10 have been received by, and said tender of indemnity shall have been made to, the Bond Owners'
11 Trustee. The conditions set forth in (A) through (D) in the preceding sentence are hereby
12 declared to be conditions precedent to the exercise by any owner of a Parity Bond (in the case of
13 a Parity Bond Event of Default) or by any owner of a Junior Lien Bond (in the case of a Junior
14 Lien Bond Event of Default) of any remedy under the applicable Bond Documents or under
15 applicable law.

16 (viii) **Duties and Obligations of Bond Owners' Trustee.** The Bond Owners'
17 Trustee shall not be liable except for the performance of such duties as are specifically set forth
18 in this ordinance. During any period in which an Event of Default has occurred and is continuing
19 as to the Parity Bonds (or the Junior Lien Bonds, as applicable) the Bond Owners' Trustee shall
20 exercise such of the rights and powers vested in it by this ordinance, and shall use the same
21 degree of care and skill in its exercise as a prudent person would exercise or use under the
22 circumstances in the conduct of that person's own affairs. The Bond Owners' Trustee shall have
23 no liability for any act or omission to act hereunder except for the Bond Owners' Trustee's own

1 negligent action, its own negligent failure to act or its own willful misconduct. The duties and
2 obligations of the Bond Owners' Trustee shall be determined solely by the express provisions of
3 this ordinance, and no implied powers, duties or obligations of the Bond Owners' Trustee shall
4 be read into this ordinance. The Bond Owners' Trustee shall not be required to expend or risk its
5 own funds or otherwise incur individual liability in the performance of any of its duties or in the
6 exercise of any of its rights or powers as the Bond Owners' Trustee, except as may result from
7 its own negligent action, its own negligent failure to act or its own willful misconduct. The fees
8 and expenses of the Bond Owners' Trustee shall be borne by the owners of the Parity Bonds (or
9 Junior Lien Bonds, as applicable) and not by the City. A Bond Owners' Trustee may require
10 such security and indemnity as may be reasonable against the costs, expenses, and liabilities that
11 may be incurred in the performance of its duties. The Bond Owners' Trustee shall not be bound
12 to recognize any person as a registered owner of any Parity Bond (or Junior Lien Bond, as
13 applicable) until their title thereto, if disputed, has been established to its reasonable satisfaction.
14 The Bond Owners' Trustee may consult with counsel, and the opinion of such counsel shall be
15 full and complete authorization and protection in respect of any action taken or suffered by it
16 hereunder in good faith and in accordance with the opinion of such counsel. The Bond Owners'
17 Trustee shall not be answerable for any neglect or default of any person, firm, or corporation
18 employed and selected by it with reasonable care.

19 Section 25. **General Authorization**. In addition to the specific authorizations in this
20 ordinance, the Mayor and the Director of Finance and each of the other appropriate officers of
21 the City are each authorized and directed to do everything as such officer may judge necessary,
22 appropriate, or desirable in order to carry out the terms and provisions of, and complete the
23 transactions contemplated by, this ordinance. In particular and without limiting the foregoing:

1 (a) The Director of Finance, in the Director’s discretion and without further action by the
2 City Council, (i) may issue requests for proposals to provide underwriting services or financing
3 facilities (including, without limitation, Qualified Insurance, a Qualified Letter of Credit, or other
4 credit support or liquidity facility), and may execute engagement letters and other agreements
5 with underwriters and other financial institutions (including providers of liquidity or credit
6 support) based on responses to such requests; (ii) may select and make decisions regarding the
7 Bond Registrar, fiscal or paying agents, and any Securities Depository for each Series of the
8 Bonds; (iii) may take any and all actions necessary or convenient to provide for the conversion of
9 interest rate modes for any Series in accordance with the applicable Bond Documents; and
10 (iv) may take such actions on behalf of the City as are necessary or appropriate for the City to
11 designate, qualify, or maintain the tax-exempt treatment with respect to any Series issued as Tax-
12 Exempt Bonds, to receive from the United States Treasury the applicable Tax Credit Subsidy
13 Payments in respect of any Series issued as Tax Credit Subsidy Bonds, and to otherwise receive
14 any other federal tax benefits relating to any Series of the Bonds that are available to the City;
15 and

16 (b) The Mayor and the Director of Finance are each separately authorized to execute and
17 deliver (i) any and all contracts or other documents as are consistent with this ordinance and for
18 which the City’s approval is necessary or to which the City is a party (including but not limited
19 to agreements with escrow agents, refunding or defeasance trustees, liquidity or credit support
20 providers, providers of Qualified Insurance or Alternate Reserve Securities, remarketing agents,
21 underwriters, lenders or other financial institutions, fiscal or paying agents, Qualified
22 Counterparties, custodians, and the Bond Registrar); and (ii) such other contracts or documents
23 incidental to the issuance and sale of any Series of the Bonds; the establishment of the interest

1 rate or rates on a Bond; or the conversion, tender, purchase, remarketing, or redemption of a
2 Bond, as may in the judgment of the Mayor or Director of Finance, as applicable, be necessary or
3 appropriate.

4 Section 26. **Severability**. The provisions of this ordinance are declared to be separate and
5 severable. The invalidity of any clause, sentence, paragraph, subdivision, section, subsection, or
6 portion of this ordinance, or the invalidity of its application to any person or circumstance, does
7 not affect the validity of the remainder of this ordinance or the validity of its application to other
8 persons or circumstances.

9 Section 27. **Ratification of Prior Acts**. Any action consistent with the authority of this
10 ordinance taken after its passage and prior to its effective date is ratified and confirmed.

11 Section 28. **Section Headings**. Section headings in this ordinance are nonsubstantive.

1 Section 29. **Effective Date.** This ordinance shall take effect as provided by Seattle
2 Municipal Code Sections 1.04.020 and 1.04.070.

23 under the circumstances and in the manner permitted by the Rule, including:

2 circumstances that arises from a change in legal requirements, change in law, or change in the identity,
3 nature, or status of the City, or type of business conducted by the City;

5 of a Bond shall be to take such actions as that Owner deems necessary, including seeking an order of
6 specific performance from an appropriate court, to compel the City or other obligated person to comply
7 with this Undertaking.
