Statement of Legislative Intent:

This Statement of Legislative Intent would request that the Seattle Department of Transportation (SDOT) work in collaboration with Seattle City Light (SCL) to complete the required street frontage improvements adjacent to the Broad Street substation, as part of the Thomas Street Redesigned (MC-TR-C105) CIP Project.

SCL scope of work includes required street frontage improvements adjacent to the Broad Street substation on the east side of Taylor Ave N (between Thomas St. and Harrison St.) and north side of Thomas St (between Taylor Ave N and 6th Ave N). The SCL improvements commitment is a result of a 4,300 square foot street vacation which allows SCL to install equipment necessary for upgrading the reliability of the transmission system and reducing congestion at Broad Street Substation.

SDOT should submit a written progress report on the status of the frontage improvements to the Transportation and Seattle Public Utilities Committee by May 31, 2023.

Responsible Council Committee(s):

Transportation and Seattle Public Utilities

Date Due to Council: May 31, 2023
