This project holds budget to acquire the Integrus (Bakun) building located on the new Alaskan Way at Pike Street Hillclimb from WSDOT to provide for a facility to house the dedicated staff team for on-going maintenance and operations of the Waterfront Park. This building is located approximately 600 feet from the new maintenance area being provided under the Overlook Walk for vehicle storage and other maintenance activities. The building would also fulfill the City's permitting commitments to the Muckleshoot Tribe for construction of the Elliott Bay Seawall to provide space in a building along the Waterfront for a Tribal Interpretive Center rent free in perpetuity. The Tribe has indicated their interest in the space and that it could fulfill the conditions of the permit.
