Budget Action Description:

This Council Budget Action would amend and recommend passage of Council Bill (CB) 120446 that would reflect changes in the regular property taxes in terms of dollars and percentages. This does not include “refund fund levy,” or additional taxes resulting from new construction, construction of wind turbine facilities classified as personal property, improvements to property, or an increase in the value of state-assessed property. It is a companion to the ordinance authorizing Seattle’s property tax levies, commonly known as the “Long Property Tax Ordinance.”

The amendment to CB 120446, as shown in Attachment A, includes a minor correction to a public hearing date in a recital.
