7
8 WHEREAS, Downtown Seattle Association (“DSA”) is a 501(c)(4) non-profit membership
9 organization incorporated and registered to do business in Washington, whose geographic
10 service area is the downtown area defined as the Metropolitan Improvement District
11 (“MID”); and

12 WHEREAS, the DSA’s purpose is to promote, advance, and stimulate civic, business,
13 commercial, and residential interests and general welfare in Downtown, and to
14 encourage, promote, and stimulate change and advances for the general improvement and
15 welfare of Downtown; and

16 WHEREAS, the DSA has engaged a third-party vendor IKE Smart City (“Vendor”) of
17 interactive media kiosk (“Kiosks”) technology to provide static and digital commercial
18 advertising and to also provide wayfinding, public service, and safety announcements;
19 and

20 WHEREAS, the DSA maintains that Kiosks can be used in a variety of ways to enhance
21 communication, commerce, entertainment, educational and civic affairs, and that their
22 installation, deployment, and operation in Downtown and participating Business
23 Improvement Areas (“BIAs”) across the City will provide benefits to the public; and

24 WHEREAS, the Kiosks will further the City’s interest in equity by providing free Wi-Fi hubs
25 throughout Downtown and in participating BIAs benefiting those who may not be able to
26 afford these services; and

1 WHEREAS, the Kiosks will also serve a public safety function by providing a 911 call function
2 to allow the public to seek police, fire, and emergency medical help; and

3 WHEREAS, the DSA will contract with the Vendor for the Kiosks and the City agrees to have
4 the Kiosks deployed on City rights-of-way within the Metropolitan Improvement District
5 and participating BIA boundaries; and

6 WHEREAS, the City would like to provide opportunities for additional BIAs that have
7 demonstrated interest in the Kiosks and attendant public benefits to apply for Kiosks in
8 the future with new term permit legislation; and

9 WHEREAS, Article IV, Section 14 of the City Charter authorizes the City Council to approve

15 **NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF
16 SEATTLE, THE MAYOR CONCURRING, THAT:**

17 Section 1. The City Council finds that the Kiosks, as proposed by the DSA and Vendor,
18 is in accordance with and in the public interest.

19 Section 2. As conditions for obtaining permission to construct the Kiosks, the DSA and
20 Vendor shall:

21 (1) Provide engineering and utility plans for additional review and permitting by the
22 Seattle Department of Transportation (“SDOT”) that the Director will circulate to other City
23 departments and any public and private utilities affected by the installation of the Kiosks;

(2) Provide a surety bond, covenant agreement, and public liability insurance naming the City as an additional insured or self-insurance, as approved by the City's Risk Manager;

(3) Pay all City permit and review fees;

(4) Obtain all other necessary permits;

(5) Maintain and inspect the Kiosks; and

(6) Remove the Kiosks and restore the right-of-way in as good condition for public use as existed prior to construction of the Kiosks and in at least as good condition in all respects as the abutting portions of the public place as required by SDOT right-of-way restoration standards upon expiration of the term permit, or at the direction of the Director or City Council in accordance with the provisions of the term permit ordinance.

Section 3. The City Council anticipates that proposed appropriations for revenues to the City agreed upon under the anticipated Memorandum of Understanding between the City and the DSA will support activation and improvements in neighborhood business areas citywide.

Section 4. After this resolution is adopted, SDOT will present to the Council a draft term permit ordinance identifying the conditions under which permission may be granted for the use of the right-of-way for the Kiosks. Permission to use the right-of-way is subject to the Council's decision to approve, deny, or modify the draft term permit ordinance presented by the Director.
