

Amendment #6 to Resolution 31611
Transportation Committee
Sponsor: CM O'Brien

Section 7 – Request a bicycle and pedestrian access plan during construction.

Section 7. The City expects final phases of SR 520 not to be completed incrementally. Funding and construction of the remaining components should allow for the project to be completed in the shortest duration possible, with a focus on limiting impacts to neighborhoods and communities in the project area. [The City expects WSDOT to develop a transportation and safety access plan that includes all modes including transit, vehicle, bicycle and pedestrian access for all phases of SR 520 construction.](#)
