

## Amendment 3 Version 1 to CB 120912 Payroll Expense Tax 2024 Modifications

**Sponsor:** CM Moore

**Co-Sponsors:** CM Morales and CM Saka

*Limit use of JumpStart proceeds for the General Fund, increase funding for affordable housing, and restore the sunset*

### **Effects:**

1. This amendment would establish the following spending priorities for JumpStart proceeds in 2027 and beyond:
  - 2.5% to be transferred to the General Fund Revenue Stabilization Account.
  - 42.5% for the General Fund, with the City’s commitment to Equitable Development, Economic Development, the Green New Deal, and Student Mental Health and Youth Violence Prevention guiding the allocation of these dollars.
  - 55% for Affordable Housing.

In 2027, the General Fund financial plan currently projects a General Fund deficit of approximately \$100 million, after a transfer of \$233 million from the JumpStart Fund. This amendment would limit that transfer to ~\$217 million and provide as much as \$266 million of JumpStart funding for affordable housing. This amendment would not provide funding for the other JumpStart priorities and would also increase the projected General Fund deficit by \$16 million.

2. Eliminate the automatic transfer of unanticipated year-end JumpStart Fund Balance to the JumpStart Revenue Stabilization Account.
3. Keep the December 31, 2040 sunset date for the JumpStart Payroll Expense Tax by removing the proposed repeal of Seattle Municipal Code Section 5.38.120.
