Sponsor: Councilmember Saka

Remove Alki Neighborhood Center from Docket

Effect: This amendment would remove reference to an Alki Neighborhood Center from Resolution 32183, and thereby remove the neighborhood center from a proposed list of potential additions to the Comprehensive Plan in 2026 and update the numbering accordingly. Attachment 1 of the resolution delineates proposed borders of potential additional NCs listed in the resolution for further study by Office of Planning and Community Development. This amendment would remove the current map in Attachment 1 labeled “Alki Neighborhood Center.”

Amend Section 3 of Resolution 32183 as follows, and renumber the subsections accordingly. Remove the Alki Neighborhood Center map from Attachment 1 and update the attachment page numbers.

Section 3. Comprehensive Plan annual amendments to be considered in 2026. The Council requests that OPCD and other relevant departments develop the following proposed amendments to the One Seattle Comprehensive Plan, including conducting public engagement and new or additional environmental reviews. The Council also requests that OPCD present its analyses and the Mayor’s recommendations to the Seattle Planning Commission and to the Council as part of that planning effort.
