**1. BILL SUMMARY**

AN ORDINANCE relating to the North Precinct project in the Department of Finance and Administrative Services; amending Ordinance 124648, which adopted the 2015 Budget; authorizing the loan of funds from the City’s Consolidated (Residual) Cash Pool, or its participating funds, in the amount of \$2,750,000, to the 2016 Bond Fund for bridge financing of the North Precinct project; establishing a budget control level in the 2016 Multipurpose LTGO Bond Fund; increasing appropriations of \$1,500,000 in the 2016 Multipurpose LTGO Bond Fund; and ratifying and confirming certain prior acts; all by a 3/4 vote of the City Council.

**Summary and background of the Legislation:** As part of the 2013-2018 Adopted Capital Improvement Program, the Executive proposed and the Council adopted the acquisition of a site and the design and construction of a new North Precinct for the Seattle Police Department. In addition to overcrowding and the cost of the leases at adjacent privately owned facilities, the existing facility, built in 1984, is not designed to essential facility standards, which means the building will most likely cease to function during a large seismic event. The existing site cannot adequately accommodate an expansion or addition to the facility. This multi-year project is estimated to cost \$160 million and is funded by proceeds from multiple fund sources through 2019.

The project has completed the purchase of several parcels and is currently engaged in design, tenant relocations and the negotiation for acquisition of an easement. The timing of expenditures related to this work varied from initial cash flow projections through 2015 and has resulted in a projected negative cash position in the project’s budget beginning in the third quarter of 2015.

This ordinance seeks Council authorization to establish a revolving interfund loan for the implementation phase of the North Precinct project in the amount of \$2,750,000 to meet cash flow requirements as bridge financing in advance of the 2016 LTGO bond issuance. The entire principal and interest amount of the loan authorized by this ordinance will be repaid by proceeds of the 2016 LTGO bonds issued for this project, subject to future authorization by ordinance for the 2016 bond. This ordinance also increases appropriation in the 2016 Multipurpose LTGO Bond Fund in order to pay for 2015 capital costs to be incurred.

The North Precinct project is scheduled to be completed in 2019. The Executive will seek Council approval to issue LTGO bonds for the project in 2016, 2017, 2018 and 2019. The debt service will be repaid through the REET fund or General Fund.
