annual budget for 2025. If a budget proviso refers to a City Council committee, and a committee by that name ceases to exist, the reference shall be to the successor committee with policy oversight of the same subject matter area.

C. The appropriation for each budget control level in Attachment A to this ordinance may be used only for the purpose listed in Attachment A for that budget control level, unless transferred pursuant to Seattle Municipal Code (SMC) Sections 3.14.210-240. Use of any amount of any appropriation restricted by one or more of the provisos in C.F. 314539 for any purpose other than that stated, or for any purpose expressly excluded, or in violation of any condition specified by proviso, whether by transfer pursuant to SMC 3.14.220 or by any other means, is prohibited.

D. In addition to each budget control level in Attachment A to this ordinance, any budget control level created by a previous budget, for which appropriations remain that have not lapsed, is part of the 2025 budget and the un-lapsed appropriations for that budget control level are subject to the restrictions in subsection 1.C of this ordinance. These un-lapsed appropriations continue to be subject to any provisos previously placed on them that have yet to be removed or satisfied.

E. The funds appropriated in each budget control level are available to first satisfy any obligations incurred by contract, including but not limited to satisfaction of any bond obligation, contractual indemnity provision, or lease obligation.

F. Unspent funds for the following Budget Control Levels, appropriated by subsection
1.B of this ordinance, shall carry forward to subsequent fiscal years until they are exhausted or
abandoned by ordinance:

G. The revenue estimates for 2025 contained in the Mayor's 2025 Proposed Budget, filed
in C.F. 314537, as modified by the changes of the City Council in C.F. 314539, are adopted. Section 2. The "CIP Project Pages" of the 2025-2030 Proposed Capital Improvement
Program submitted by the Mayor, filed in C.F. 314538, as modified by the changes of the City
Council in C.F. 314539, are adopted as the City's six-year Capital Improvement Program (CIP). Section 3.

B. The City, by enacting Ordinance 127079, established a position list effective as of
January 1, 2024. Subsection 3.A of this ordinance modifies that list. It is anticipated that the
Seattle Department of Human Resources will submit a proposed list of the City's regular
positions for each department or office as of January 1, 2025 to the City Council for possible
action in 2025. The proposed list should reflect: (i) the modifications made in subsection 3.A of
this ordinance that take effect on January 1, 2025; (ii) the reclassifications of regular positions
made by the Human Resources Director from January 1, 2024, through December 31, 2024; and

(iii) the creation, modification, or abrogation of regular positions, by ordinance, that took effect from January 1, 2024, through December 31, 2024.

Section 4.

4 A. Subject to the conditions in Section 1 of this ordinance, the appropriation of money in 5 the budget adopted by this ordinance, for a budget control level that includes a program or 6 project assigned a project identification number in the 2025-2030 Adopted CIP, constitutes 7 authority for the designated City department, commission, or office (after compliance with the 8 State Environmental Policy Act) to acquire personal property; obtain options to acquire real 9 property; negotiate to acquire right-of-way and other real property interests; prepare plans and 10 designs; demolish, construct, or make improvements; and obtain any ancillary services, 11 including, without limitation, planning, engineering, design, appraisal, escrow, title insurance, 12 construction, inspection, environmental audits, and remediation appraisals or other reviews; all in 13 order to carry out the project or program substantially as described in the 2025-2030 Adopted 14 CIP. Each department may obtain the authorized services or property using City staff or by 15 contract as authorized in subsection 4.J of this ordinance. If projects or programs are identified in 16 the 2025-2030 Adopted CIP to be carried out by other entities wholly or in part with City funds, 17 the appropriation constitutes authority to provide such funds to such other entities for such 18 purposes, subject to applicable laws and ordinances.

B. None of the appropriations in the 2025 Adopted Budget may be spent on capital projects or programs unless the projects or programs are specifically identified and assigned a project identification number in the 2025-2030 Adopted CIP or are added to the 2025-2030 Adopted CIP by a future amending ordinance.

1 C. Without future Council authorization by ordinance, expenditures in 2025 on any 2 project or program identified and assigned a project identification number in the 2025-2030 3 Adopted CIP for Seattle City Light, Seattle Public Utilities, or the Seattle Department of 4 Transportation, other than expenditures pursuant to unspent capital appropriations carried 5 forward from 2024 into 2025 in accordance with RCW 35.32A.080 and allocated to the same 6 project or program, shall not exceed by more than \$1,000,000 the amount shown as the 7 Appropriations Total in the 2025 column for that project or program in the Adopted CIP, as that 8 amount may be amended by ordinance. The City Budget Office shall certify to the Chair of the 9 City Council Budget Committee a list of those unspent capital appropriations not subject to the 10 expenditures restriction imposed by this subsection by May 1, 2025, and shall also file the list 11 with the City Clerk. The list shall include the project identification number and the dollar amount 12 by project or program not subject to the expenditure restriction, at minimum.

D. Moneys appropriated from funds, accounts, and subaccounts in which are deposited the proceeds derived from the issuance of bonded obligations shall be expanded only in accordance with the terms, conditions, and restrictions of ordinances authorizing such obligations and establishing the respective funds.

17 E. The 2025-2030 Adopted CIP is part of the 2025 Adopted Budget and identifies, among 18 other projects, those capital projects funded wholly or in part from the proceeds of the taxes 19 authorized in RCW 82.46.010 and/or RCW 82.46.035, and/or from the proceeds of bonds, for the 20 repayment of which tax revenues under RCW 82.46.010 and/or RCW 82.46.035 have been pledged. Such taxes are intended to be in addition to other funds that may be reasonably available for such capital projects.

16

F. The portions of the 2025-2030 Adopted CIP pertaining to Seattle City Light and
Seattle Public Utilities, as those portions of the 2025-2030 Adopted CIP may be amended from
time to time, are adopted as systems or plans of additions to, and betterments and extensions of,
the facilities, physical plants, or systems of Seattle City Light and Seattle Public Utilities,
respectively.

G. The Director of Finance and Administrative Services and the City's Director of Finance are authorized to draw and pay the necessary warrants or checks and to make any necessary transfers among funds and accounts.

H. Except as limited by this section or by Section 1 of this ordinance or by any other
 ordinance, the funds appropriated in the 2025 Adopted Budget are subject to transfer for use with
 other projects as provided in SMC Sections 3.14.210-240.

I. The Mayor, or, at the Mayor's request, the head of the department that is designated to carry out a project for and on behalf of The City of Seattle, is authorized to submit applications as may be deemed appropriate to the United States of America, or any of its departments, and the State of Washington, or any of its departments, for financial assistance in carrying out the authorized projects included in the 2025-2030 Adopted CIP; to make for and on behalf of the 17 City all assurances, promises, representations, and consent to suit, and/or covenants to comply 18 with any applicable regulations of the United States relating to implementation of the projects; to 19 act in connection with the applications as the authorized representative of the City; to provide 20 additional information as may be required; and to prepare plans for implementation of terms and 21 conditions as may accompany financial assistance, provided that the submission of an 22 application shall not result in the making of a contract, in incurring of any indebtedness, or in the

acceptance of moneys imposing any duties or obligations upon the City except as is authorized by this or another ordinance.

3 J. The Director of Transportation, the Superintendent of Parks and Recreation, the 4 Director of the Office of Arts and Culture, the General Manager and Chief Executive Officer of 5 City Light, the General Manager and Chief Executive Officer of Seattle Public Utilities, the 6 Director of the Department of Finance and Administrative Services, the City Librarian, the Chief 7 Technology Officer, and the Director of the Seattle Center Department are authorized to 8 negotiate for and enter into non-public works contracts, within their appropriation authority, to 9 obtain property and services authorized in Section 4 of this ordinance to carry out those capital 10 projects and programs included in the 2025-2030 Adopted CIP and assigned to their respective 11 departments or offices.

Section 5. The Mayor and the City Council find that the General Fund's 2025 contribution to the Park and Recreation Fund exceeds the requirements established in Article XI, Section 3 of the City Charter.

Section 6. Pursuant to the requirements of Ordinance 117216, Ordinance 118814, Ordinance 122293, Ordinance 122859, Ordinance 123459, Ordinance 124057, Ordinance 124640, and Ordinance 125190, the City in subsection 1.B of this ordinance and Attachment A to this ordinance appropriates to the Firefighters' Pension Fund ("the Fund") \$26,470,724, of which \$25,168,305 comes from General Fund resources. No beneficiary of the Fund has a vested contractual right to the appropriation of the foregoing amount or any amount appropriated by the City to the Fund.

The Mayor and the City Council, under the authority granted by RCW 41.16.060, find
that the General Fund's 2025 contribution to the Fund is equal to \$0.084 per \$1,000 of assessed

value and provides, in accordance with the 2024 Actuarial Report on the condition of the Fund
received from a qualified actuary dated May 31, 2024, together with other amounts appropriated
by the City for the Fund, an amount equal to or greater than the estimated demands on the fund
for 2025 and maintains the actuarial soundness of the Fund as it prevents recording a positive net
pension obligation for the Fund.

The Mayor and the City Council find that the amount appropriated by this ordinance is appropriated for the purpose of keeping the Fund flexible and maintaining its integrity and actuarial soundness. The Mayor and City Council also find that such amount is reasonable for the purposes established in the ordinances listed at the beginning of this section, and that such amount bears a material relation to the successful operation of the Fund.

Section 7. The provisions of this ordinance are declared to be separate and severable. The invalidity of any clause, sentence, paragraph, subdivision, section, or portion of this ordinance, or the invalidity of its application to any person or circumstance, does not affect the validity of the remainder of this ordinance or the validity of its application to other persons or circumstances.
