Budget Action Description:

This Council Budget Action would add \$150,000 GF to Finance General (FG) as a reserve for partial year costs of establishing an independent economic and forecasting office through separate legislation. The funding is intended to be combined with personnel costs for positions currently included in the City Budget Office budget in 2021 to support the initial setup and partial year costs of an independent economic and forecasting office. Similar to the King County Office of Economic and Financial Research and the Washington State Economic Revenue Forecast Council staff, this office would provide confidential economic and tax research and resources to the Council and Mayor. Further, it would independently develop economic and revenue forecast information and present forecast results to the Mayor and Council and the same time, establishing a level playing field for receiving this information.

Legislation establishing the office will be introduced separately, and the new office's final operating

budget, including staffing and other operating considerations, will be based on the body of work included in that legislation. To restrict use of funds pending passage of legislation establishing the office, this budget action would impose two provisos on appropriations to CBO and FG in the budget. The action would impose the following provisos:

"Of the appropriation in the 2021 Budget for the City Budget Office (CBO), \$330,000 may not be spent until an ordinance is created approving the establishment of an independent forecasting office."

"Of the appropriation in the 2021 Budget for Finance General (FG), \$150,000 may not be spent until an ordinance is created approving the establishment of an independent forecasting office."
