### MEMORANDUM

Date: March 10, 2016

To: Affordable Housing, Neighborhoods & Finance Committee  
Councilmember Tim Burgess, Chair  
Councilmember Lisa Herbold  
Councilmember Rob Johnson

From: Michael Look, Manager  
CDBG Administration

Subject: Amended Attachment A to Proposed 2016 Annual Action Plan Ordinance

---

As a follow-up to the briefing you received on March 2 regarding the 2016 Annual Action Plan to the 2014 – 2017 Consolidated Plan for Housing and Community Development, please find attached to this memorandum an amended version of Attachment A to the proposed ordinance. The amendments are minor: a typographical error occurred in the column heading of the table in Section AP-15, and the HOME funds were described as being used for homeowner assistance in that same table when in fact they are no longer used for that purpose.

If you concur, please move this amended version to the full Council for final action. Thank you.
