EXPERIENCE Lien Nishiwaki Architects LLC, Seattle, WA, February 2010 – present.

-AW Larson Eastlake Lofts– Project Manager, Project Architect as consultant to Johnson Architecture & Planning - Designed a 47 unit apartment building in the Eastlake neighborhood and right under the University Bridge. The Design incorporates a historically significant brick façade which addresses concerns of the DRB, Landmarks Review Board and neighborhood groups while balancing cost owner's constructability and cost concerns. The project has obtained a Master Use Permit and is currently going through the Building Permit process.

-Kavela Apartments – Project Manager, Project Architect as consultant to Johnson Architecture & Planning - Designed a 61 unit apartment building in the Roosevelt neighborhood north of the University of Washington. Worked with the client on early design options. Worked through the Master Use Permit process with the city and neighborhood to come up with a sensible design for a tight urban lot. Worked through construction documents. Project is built.

-Beacon Hill Residence – Renovated a historic house originally owned by local business owner Costantino Oberto (founder of Oh Boy Oberto). Added a garage and various exterior improvements. Acted as architect, contractor and developer.

-Rising Sun Produce – Project Manager, Project Architect - A 2,500 sf retail, fruit warehouse and cold storage steel structure in the Roosevelt neighborhood in Seattle. Programmed and produced working drawings and guided the client through the land use process. Project is soon to be built.

-Queen Anne Duplexes– Project Manager, Project Architect – Explored design options for building 2 to 6 units on three sloping sites.

-Various Residential Renovation Projects – Produced drawings and obtained permits for home renovation projects including basement conversions and bathroom renovations.

Johnson Architecture & Planning, Seattle, WA, May 2003 – present (As consultant since December 2009).
