Marc Daudon

Senior Principal

Marc Daudon, Senior Principal, co-founded Cascadia Consulting Group in 1993. Marc provides facilitation and development support on a range of diverse and complex projects involving research, policy analysis, consensus building and strategy development. His facilitation empowers multi-stakeholder planning groups and advisory panels to achieve informed consensus around strategic environmental solutions. This experience includes facilitating the development of policies, plans, and legislative frameworks related to such areas as waste and recycling, toxics reduction/chemical action planning, climate change mitigation and adaptation, community sustainability, product stewardship, and resource/energy conservation.

Affiliations

Marc is a gubernatorial appointee to the Board of Energy Northwest and participates on the boards of Climate Solutions and the Washington Environmental Council.

HIGHLIGHTS
