1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to funding for housing and community development programs; adopting The City of Seattle 2016 Annual Action Plan to the 2014 – 2017 Consolidated Plan for Housing and Community Development and authorizing its submission to the United States Department of Housing and Urban Development; authorizing acceptance of grant funds from that department for programs and activities included in the Annual Action Plan; amending Ordinance 124927, which adopted the 2016 Budget, by modifying appropriations to various departments and budget control levels in the 2016 Adopted Budget; and ratifying and confirming certain prior acts, all by a three-fourths vote of the City Council.

Summary and background of the Legislation: This legislation adopts the 2016 Annual Action Plan to the 2014 – 2017 Consolidated Plan for Housing and Community Development and authorizes its submittal to the US Department of Housing and Urban Development (HUD). The Consolidated Plan governs the use of the City’s annual allocation of funds from several programs in HUD. In total, the funds amount to approximately \$14 million, which are used to provide services, housing, and facilities to low- and moderate-income persons, businesses and neighborhoods. The legislation authorizes the acceptance of these funds.

HUD provides annual allocations to the City from four of its programs. These allocations differ from the estimated allocations that were included in the 2016 Adopted Budget; the net difference from the Adopted Budget is shown in parentheses:

- Community Development Block Grant, \$8,984,932 (-\$122,492)
- HOME Investment Partnerships, \$2,408,254 (+\$146,008)
- Housing Opportunities for Persons with AIDS, \$1,783,626 (+\$12,805)
- Emergency Solutions Grant, \$819,850 (-\$14,109)

To receive the annual allocations, jurisdictions must submit a Consolidated Plan which describes the policies governing the City’s use of these funds, and an annual allocation plan which identifies the specific uses of the funds for a particular program year. Funds are allocated to the Human Services Department, Office of Housing, Office of Economic Development, Office of Immigrant and Refugee Affairs, and the Department of Parks and Recreation to fund core services and supporting activities, such as homeless shelters, affordable housing preservation and development, homelessness and affordable housing planning and research, community and economic development, support to small businesses and microenterprises, job training and creation, and park improvements. For 2016 only, the Mayor has proposed one-time funding in

the amount of \$400,000 for CDBG-eligible activities to assist businesses affected by 23rd Avenue street construction, as further described in the AAP.

Community Development Block Grant 17810	Office of Housing	CDBG – Office of Housing 6XZ10	(\$450,195)

Low Income Housing Fund / HOME Subfund 16490	Office of Housing	Low Income Housing Fund XZ-R1	\$146,008	
TOTAL			\$73,488	

Appropriations Notes:

The appropriations increase is larger than the revenue increase because funds budgeted for contingency and increased reprogrammed funds from prior projects partially offset a decrease in the CDBG program.

3.b. Revenues/Reimbursements

X This legislation adds, changes, or deletes revenues or reimbursements.

Anticipated Revenue/Reimbursement Resulting from this Legislation:

Fund Name and Number	Dept	Revenue Source	2016 Revenue	2017 Estimated Revenue
CDBG Main Fund (17810)	CDBG	US HUD Community Development Block Grant Program entitlement	\$8,984,932	
Low Income Housing Fund / HOME subfund (16490)	Office of Housing	US HUD HOME Investment Partnership Program entitlement	\$2,408,254	
Human Services Operating Fund (16200)	HSD	US HUD Housing Opportunities for Persons with AIDS Program	\$1,783,626	
Human Services Operating Fund (16200)	HSD	US HUD Emergency Solutions Grant Program	\$819,850	

Revenue/Reimbursement Notes:

The 2016 Adopted Budget contains estimates of these revenues. This legislation provides the actual revenue numbers and adjusts the appropriations in the Adopted Budget to match the actual numbers. The appropriations increase is larger than the revenue increase because funds budgeted for contingency and increased reprogrammed funds from prior projects partially offset a decrease in the CDBG program.
