### **Professional Statement**

A lifetime of experience as a performing artist of music, poetry and theater and over a decade spent as a teacher of all ages and stages has given me the insight needed to see various types of projects though from inception to completion. Time spent in the facilitation of courageous conversations around race and social justice has given me awareness and respect for diverse cultures, experiences and perspectives.

# **Design and Facilitation of Professional Development**

# Race, Social Justice, Inclusion, Equity, Diversity

Infused with theater-based practices these Interactive workshops allow participants the space to engage in active, inclusive and empathetic listening to inform courageous conversations in a brave and sacred space. Trust, truth and community are cultivated through individual and collective responsibility. These culturally responsive workshops are designed to break down barriers and build bridges.

## THE ART OF LISTENING

3-hour workshop in person (2019) and virtual (2020) designed to prepare a cohort to engage in a year of building valuable skills in organizational community strengthening and development. The art of listening is the first step in learning and growing together.
