CITY OF SEATTLE

ORDINANCE 125467

COUNCIL BILL 119113

AN ORDINANCE relating to employment in Seattle; adding a new Chapter 14.36 to the Seattle Municipal Code; and establishing a retirement-savings program for certain employees working in Seattle.

WHEREAS, an expanding population of workers in Seattle, as elsewhere in the United States, are failing to save adequately for their retirement; and

WHEREAS, although Social Security does provide some basic retirement income, it is insufficient to meet living costs during retirement and must be complemented by other sources of retirement savings, and a 2013 survey by AARP, titled "Not Making the Grade," found that 24 percent of Washingtonians aged 45 to 64 had less than \$25,000 in savings and that 81 percent wished they had saved more for their retirement; and

WHEREAS, the growing issue of retirement security is partially due to diminishing access of many employees to workplace retirement savings plans, in addition to the challenges of wage stagnation and increased living costs facing low and middle-income workers; and

WHEREAS, a 2016 Pew Charitable Trusts study conducted for The City of Seattle found that 40 percent of employees in the Seattle metropolitan area do not have access to a workplace retirement savings plan; and

WHEREAS, the aforementioned 2016 Pew Charitable Trusts study found that people of color and employees of small businesses in the Seattle metropolitan area are particularly disadvantaged in terms of access to retirement plans; and

1 WHEREAS, it is well established that individuals are far more likely to save for retirement if an
2 option is made available to them in their workplace, especially if they are automatically
3 enrolled into a retirement savings plan; and

4 WHEREAS, by providing an efficient and cost-effective way to save for retirement, the Seattle
5 Retirement Savings Plan would provide workers the opportunity to improve their own
6 retirement security and reduce inequities; and

7 WHEREAS, the Seattle Retirement Savings Plan is also expected to protect the City's financial
8 well-being as the cost of insufficient retirement savings is borne in part by higher
9 spending on social services; and

10 WHEREAS, the Mayor's 2018 Proposed Budget allocates \$200,000 to begin an efficient
11 implementation of the Seattle Retirement Savings Plan; NOW, THEREFORE,

12 **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

13 Section 1. A new Chapter 14.36 is added to the Seattle Municipal Code as follows:

14 **CHAPTER 14.36 SEATTLE RETIREMENT SAVINGS PLAN**

15 **14.36.010 Findings**

16 The City Council makes the following findings of fact and declarations:

17 A. In 2016, Pew Charitable Trusts conducted a study for the City, reporting that 40
18 percent of employees in the Seattle metropolitan area do not have access to a workplace
19 retirement savings plan. Applying this figure to Seattle, an estimated 200,000 Seattle workers
20 and their families do not have access to a workplace retirement savings plan.

21 B. People of color in the Seattle metropolitan area are particularly disadvantaged in terms
22 of access to retirement plans. In the 2016 Pew Charitable Trusts study cited in subsection
23 14.36.010.A, Pew also reported that 45 percent of black employees, 54 percent of Latino

1 employees, and 47 percent of Asian employees lacked access to a workplace retirement savings
2 plan compared to 37 percent for white employees.

3 C. The 2016 Pew Charitable Trusts study cited in subsections 14.36.010.A and
4 14.36.010.B also found that employees of small businesses are especially unlikely to have access
5 to a workplace retirement program, and that 68 percent of employees in the Seattle metropolitan
6 area at firms with under 50 employees lack access to a workplace retirement savings plan.

7 D. Individuals are far more likely to save for retirement if an option is made available to
8 them in their workplace, especially if they are automatically enrolled into a retirement savings
9 plan.

10 E. Providing an efficient and cost-effective way to save for retirement will help smaller
11 employers and people of color close the inequitable gap in retirement savings, and improve their
12 retirement security.

13 F. A retirement savings plan for Seattle workers would help protect the finances of the
14 City by lessening the higher spending on social services that results from insufficient retirement
15 savings.

12 established by the Internal Revenue Code;

17 employers, the objectives of the SRSP, and the approach taken to defining covered employers in
18 other City regulations related to private employment;

19 H. Establish whether the definition of "eligible employee" should be limited to
20 employees customarily working a certain number of hours per month in the Seattle city limits,

17 participating employers, and others are not liable for decisions employees make pursuant to this
18 Chapter 14.36;
- 19 8. That the SRSP is not an employer-sponsored retirement plan;
- 20 9. Any contribution limits and salary requirements under the Internal Revenue
21 Code applicable to an employee's account; and
- 22 10. That the SRSP accounts and rate of return are not guaranteed by the City,
23 participating employers, or any other parties.

1 **14.36.070 Confidentiality of account information**

2 Individual account information for accounts under the SRSP is confidential to the extent allowed
3 by law. A person who either provides or is the subject of the individual account information may
4 agree expressly in writing that the information may be disclosed.

5 **14.36.080 Seattle Retirement Savings Plan Administrative Fund**

6 A. The Seattle Retirement Savings Plan Administrative Fund is established in the City
7 budget, separate and distinct from the General Fund. Interest earned by the Seattle Retirement
8 Savings Plan Administrative Fund shall be credited to the fund.

9 B. The Board may use the moneys in the fund to pay the administrative costs and
10 expenses of the Board and the SRSP and for any other purpose described in this Chapter 14.36.

11 **14.36.090 Seattle Retirement Savings Plan Trust**

12 There is hereby created as an instrumentality of the City a trust to be known as the Seattle
13 Retirement Savings Plan Trust.

14 A. The Board shall appoint an institution qualified to act as trustee of IRA trusts or
15 insurance company issuing annuity contracts under Section 408 of the Internal Revenue Code
16 and licensed to do business in the City to act as trustee.

17 B. The assets of IRAs established for participating employees shall be allocated to the
18 trust and combined for investment purposes. Trust assets shall be managed and administered for
19 the exclusive purposes of providing benefits to participating employees of the SRSP and
20 defraying reasonable expenses of administering and maintaining, and managing investments, of
21 the IRAs and the Trust, including the expenses of the Board under Section 14.36.035.

22 C. The Board shall establish within the trust several investment funds, each pursuing an
23 investment strategy and policy established by the Board. The Board shall establish at least three

1 “core” investment funds, which shall be diversified so as to minimize the risk of large losses
2 under the circumstances, and may establish one or more “non-core” investment funds that
3 participating employees may select. The Board may, at any time and from time to time, add,
4 replace, or remove any investment fund.

5 D. The Board may allow participating employees to allocate assets of their IRAs among
6 such investment funds and in such case, the Board also may designate an investment fund as a
7 default investment for the IRAs of participating employees who do not make an investment
8 choice.

9 E. Subject to subsection 14.36.090.F, the Board, in consultation with such third-party
10 professional investment advisers, managers, or consultants as it may retain, shall establish each
11 investment fund. Such investment funds may include mutual funds, index funds, collective
12 funds, separately managed accounts, exchange-traded funds, or other pooled investment vehicles
13 that are generally available in the market place. The Board shall not direct that any investment
14 fund or any other entity make any investment in any bond, debt instrument, or other security
15 issued by the City.

16 F. The Board may, in its discretion, retain an investment adviser to select and manage the
17 investments of an investment fund on a discretionary basis, subject to the Board’s ongoing
18 review and oversight.

19 G. The trustee shall be subject to directions of the Board under subsection 14.36.090.E or
20 an investment adviser under subsection 14.36.090.F and shall otherwise have no responsibility
21 for the selection, retention, or disposition of trust investments or assets.

22 H. The assets of the trust shall at all times be preserved, invested, and expended solely for
23 the purposes of the trust and no property rights therein shall exist in favor of the City or any

1 covered employer. Trust assets shall not be transferred or used by the City for any purposes other
2 than the purposes of the trust or funding the expenses of operating the SRSP. Amounts deposited
3 with the trustee shall not constitute property of the City and shall not be commingled with City
4 funds and the City shall have no claim to or against, or interest in, the trust assets.

5 I. The assets of the trust shall at all times be held separate and apart from the assets of the
6 City. None of the City, the SRSP, the Board, any Board member, or any covered employer shall
7 guarantee any investment, rate of return, or interest on amounts held in the trust, an investment
8 fund, or any IRA. None of the City, the SRSP, the Board, any Board member, or any covered
9 employer shall be liable for any losses incurred by trust investments or otherwise by any
10 participating employee or other person as a result of participating in the SRSP, including but not
11 limited to any and all claims of damage or loss alleged to arise from a participating employee's
12 investment elections, any failure to make such investment elections, or the selection of the
13 investment funds offered in the SRSP.

14 **14.36.100 Prerequisites to establishing the SRSP**

15 A. Before establishing the SRSP and providing for enrollment, the Board shall:

16 1. Conduct a market analysis to determine the feasibility and projected impacts of
17 the SRSP, as described in this Chapter 14.36; and

18 2. Obtain legal advice to determine whether the SRSP conflicts with or is
19 preempted by state or federal law, including the Employee Retirement Income Security Act of
20 1974 (29 U.S.C. § 1001 et seq.) and the Internal Revenue Code.

21 B. If, following the market and legal analyses described in subsection 14.36.100.A, the
22 Board determines that the SRSP described in this Chapter 14.36 is unfeasible, then the Board
23 shall propose any reasonable changes necessary to make the SRSP feasible. If the Board finds

1 that the SRSP cannot be made feasible, the Board shall recommend to the City Council that the
2 SRSP not be opened for enrollment.

3 C. The Board may coordinate with the efforts of states and other local governments as
4 they pursue legal and administrative guidance for similar retirement savings programs.

5 **14.36.110 Annual reports**

6 The Board shall report in each calendar year to the Mayor and to an appropriate committee of the
7 City Council detailing the Board's activities with respect to the SRSP.

8 **14.36.120 Assistance with outreach, technical assistance, and compliance services**

9 The Board shall enlist City departments and/or the third-party plan administrator to:

10 A. Provide employer outreach, technical assistance, or compliance services for the Board;

11 and

12 B. Develop a plan for providing such employer outreach, technical assistance, or
13 compliance services for the Board.

14 Section 2. Initial report of the Board

15 The Seattle Retirement Savings Plan Board of Administration (Board) shall report to the Mayor
16 and to an appropriate committee or interim committee of the City Council on or before
17 December 31, 2018. The report must include:

18 A. The results of the market analysis sought by the Board under Section 14.36.100 of the
19 Seattle Municipal Code;

20 B. The findings from legal advice obtained by the Board under Section 14.36.100 of the
21 Seattle Municipal Code;

22 C. Recommendations regarding how best to approach enforcement of employers'
23 required participation and appropriate penalties for failure to participate;

1 D. Any changes to the Seattle Retirement Savings Plan (SRSP) by the Board, or its
2 recommendation that the SRSP not be opened for enrollment, under subsection 14.36.100.B of
3 the Seattle Municipal Code;

4 E. An analysis of potential costs to employers, including administrative costs, associated
5 with providing automatic payroll deductions for participation in the SRSP, and recommendations
6 on how to eliminate or reduce those costs through incentives, tax credits or other means;

7 F. A draft of the request for proposals to solicit bids from plan administrators;

8 G. A timeline for implementation of the SRSP;

9 H. If the Board has determined pursuant to Section 14.36.100 of the Seattle Municipal
10 Code that the SRSP is feasible and permissible to establish and implement, the Board shall
11 determine the amount of additional funding needed for establishing, administering, and enforcing
12 employer requirements in the SRSP. The Board shall coordinate with the City Council or, to the
13 extent feasible, seek other funding to satisfy such additional expenses as needed for the
14 establishment of the SRSP; and

15 I. An overview of any contracts entered into by the Board in the performance of its
16 duties; and

17 J. Recommendations to the City Council regarding ways to increase financial literacy
18 among Seattle residents and workers.

19 Section 3. Except as provided in Section 14.36.100 of the Seattle Municipal Code, the
20 Board shall establish the SRSP so that contributions may begin to be made to the SRSP no
21 earlier than January 1, 2019 and no later than January 1, 2021.

1 Section 4. This ordinance shall take effect and be in force 30 days after its approval by
2 the Mayor, but if not approved and returned by the Mayor within ten days after presentation, it
3 shall take effect as provided by Seattle Municipal Code Section 1.04.020.
