A RESOLUTION endorsing the Philippine Human Rights Act.

WHEREAS, on January 30, 2017, the Seattle City Council unanimously passed Resolution 31730, affirming The City of Seattle as a Welcoming City that promotes policies and programs to foster inclusion for all, and serves its residents regardless of their immigration or refugee status, race, color, creed, religion, ancestry, national origin, age, sex, marital status, parental status, sexual orientation, gender identity, political ideology, disability, homelessness, or low-income or veteran status, and reaffirming the City’s continuing commitment to advocate and support the well-being of all residents; and

WHEREAS, on July 3, 2020, then-President of the Philippines Rodrigo Duterte signed the Anti-Terrorism Act (“Act”) into law; and

WHEREAS, the Act gives authority to the Philippine National Police (PNP) and the Armed Forces of the Philippines (AFP) to extrajudicially conduct arrests without warrants and detain suspects for 14 days, which can be extended by ten more days, and to place suspects under surveillance by the police or military for 60 days, which can also be extended by up to 30 days; and

WHEREAS, Section 49 of the Act outlines the scope of extraterritorial applications of the Anti-Terrorism Act by stating that it applies to “a Filipino citizen or national who commits any of the acts defined and penalized under ... this Act outside the territorial jurisdiction of the Philippines” and “individual persons who, although physically outside the territorial limits of the Philippines, commit any of the crimes mentioned ... inside the territorial limits of the Philippines”; and

1 WHEREAS, the extraterritorial applications of the Act define “foreign terrorist” as anyone who  
2 travels to the Philippines and is suspected by the Anti-Terror Council of the intent to  
3 commit “terrorist acts”; and

4 WHEREAS, the Philippine Government has employed red-tagging, a term used to describe  
5 accusing individuals and/or organizations of being left-leaning, subversives, communists,  
6 or terrorists, to target individuals or groups such as activists, critics, and political  
7 opponents and resulted in surveillance, detention, torture, and killings after targets were  
8 labeled as “terrorists”; and

9 WHEREAS, in 2019 and 2020 Philippines and United States dual citizen Maria Ressa, Rappler  
10 CEO, Fulbright Scholar, 2018 *Time* magazine Person of the Year, and 2021 Nobel Peace  
11 Prize recipient, was accused of and convicted for cyber libel and supporting independent  
12 journalism on then-President Duterte’s War on Drugs; and

13 WHEREAS, on August 6, 2019, U.S. citizen Brandon Lee, an indigenous and environmental  
14 activist from San Francisco, was shot in front of his family’s home in the Philippines  
15 during an exposition to defend indigenous land; and

16 WHEREAS, the Act threatens the safety of residents and families here in Seattle, both Filipino  
17 and non-Filipino, who exercise their constitutionally protected freedom of speech and  
18 speak out against these injustices; and

19 WHEREAS, since the beginning of President Duterte’s administration in 2016, over \$700  
20 million of U.S. tax dollars was sent as monetary aid to the Philippines according to the  
21 Philippine Embassy in Washington, D.C., with part of the funding going directly to  
22 Philippine security forces; and

1 WHEREAS, the Duterte administration’s allocation of those funds resulted in systemic human  
2 rights violations on the War on Drugs, and expanding the National Task Force to End the  
3 Local Communist Armed Conflict (NTF-ELCAC) which is used to systematically red-  
4 tag, target, arrest, and kill political opponents, political dissidents, and those critical of the  
5 government; and

6 WHEREAS, U.S. Representative Susan Wild (PA-07) sponsored House Bill 1433, the Philippine  
7 Human Rights Act, which will suspend the U.S. security assistance to the Philippines  
8 until human rights violations by Philippine security officials have ceased and responsible  
9 state forces are held accountable; and

10 WHEREAS, according to Amnesty International, the Act “contains dangerous provisions and  
11 risks further undermining human rights in the country” and defines, by law, acts of  
12 dissent and opposition to the Philippine government as acts of terrorism;
