**Statement of Legislative Intent:**

This Statement of Legislative Intent (SLI) would request the Seattle Public Library (SPL) to consider opening, if safe and sustainable, all branch libraries for either curbside pickup and return services or in-branch service at 25% capacity (per Safe Start Phase 2) until the end of the COVID-19 civil emergency. Currently, curbside pickup is being offered at nine locations (Central Library, Ballard, Broadview, Douglass-Truth, High Point, Lake City, Rainier Beach, Greenwood, and Northeast branches), with services being planned for the Beacon Hill and Southwest branches in early November and the possibility of the Columbia branch by year-end.

SPL has indicated it is currently reviewing how to safely and effectively add services in consideration of the Governor's guidance related to opening in-building services for patrons. It is a priority for the Library to provide services at as many branches as possible, and they are working to do so through a combination of reopened libraries and curbside services.

The Council appreciates SPL's efforts to provide services as safely as possible to patrons, and this SLI expresses the Council's support and preference for SPL to expand the established practice of curbside pickup and return to all branches.
