and outreach with \$1.5 million for workers and \$800,000 for businesses. If this green sheet is approved in conjunction with 403-1-A-1 and 403-2-A-1, funding for worker education and outreach would be increased by an additional \$341,742 (for a new total of \$2.64 million); and

2. cut \$126,000 GSF in 2018 from the Seattle Department of Construction and Inspections' Code Compliance BCL and re-establish the December 2017 sunset date (as originally planned) for 1 FTE Senior Planning and Development Specialist (Position number 10005893). This position was added in 2016 as a two-year term limited position in the Code Development unit to draft, process and evaluate design review code changes as they go through the Mayoral and Council review and approval processes. This Design Review work is expected to be completed in early to mid-2017. The proposed 2017-2018 budget converts this position to a regular ongoing position in the Code Development unit within SDCI. This action would allow the Council to reallocate the proposed funding for the OLS outreach and education work.
