# Sustainable Procurement Resolution

---

LISE KAYE, ANALYST

FINANCE & HOUSING COMMITTEE

JULY 20, 2022

# Resolution Title

---

A RESOLUTION relating to sustainable procurement; encouraging the Executive to coordinate strategic planning for and implementation of performance standards and/or baseline practices to achieve far-reaching and systemic sustainable procurement outcomes to protect the environment and public health; and requesting a report by June 30, 2023.

# Summary of the Legislation

---

- Endorses FAS's April 2021 Sustainable Purchasing Policy
- Encourages FAS-led Green Team to convene asap and establish baseline practices and performance standards for procurement of:
  - Chemicals
  - Construction materials
  - Energy
  - Natural resources
- Requests a report by June 30, 2023 on baseline practices and performance standards, including fiscal impacts and potential funding sources
