Budget Action description:

This budget action increases GSF support to the Human Services Department (HSD) by \$100,000 for a program such as Evergreen Treatment Services REACH to fund a contracted nurse position. The contracted nurse position can enable a program such as REACH to contract with a community-based health care provider such as Neighborcare to provide medical treatment to individuals living in unauthorized encampments.

The nurse shall provide medical support to an outreach program for unsheltered homeless individuals; the nurse shall also work with the City's Navigation Team with REACH when needed. A nurse will increase the capacity and service modalities offered by the Navigation Team, and will provide wound care, referrals to chemical dependency services or mental health services, services to prevent communicable diseases such as hepatitis A, and other health-related needs.
