Reduce proposed funding for a Gunshot Detection System by \$1.0 million GF (2023) and \$1.0 million GF (2024) in SPD

Description:

This Council Budget Action would reduce \$1.0 million GF in 2023 and \$ 1.0 million in 2024 in the Seattle Police Department (SPD) for activities that would prepare the department for the purchase of a Gunshot Detection System, including the necessary planning, community outreach, development of a Surveillance Impact Report and identification of a consultant to perform an evaluation of the system. This CBA would also cut \$1.0 million in 2024 for the acquisition of the Gunfire Detection System.
