# Seattle Design Commission

The Seattle Design Commission advises the Mayor, City Council, and City departments on the design and environmental implications of City funded projects, projects seeking long-term or permanent use of a right of way, or public projects seeking City approval. The Commission is comprised of 10 members, as established by Seattle Municipal Code Section 3.58. Members serve a two year term and are eligible for two consecutive terms. All members are appointed by the Mayor and confirmed by the City Council.

A Chair is also appointed on each year. The Chair is selected by Commissioners for appointment by the Mayor and confirmation by the Council.

New appointments are underlined.

**University of Pittsburgh, B.S. Computer Science; magna cum laude** Aug 2019 – Apr 2022 | Pittsburgh, PA  
**Awards:** Computer Science Departmental Honors, University Honors College, Dean's List  
**Activities:** Pitt SCI (Teaching Assistant & Peer Tutor), ResidenceLife (Resident/Community Assistant), South Asian Student Association (Social and Outreach Chair), Student Government Board (Vice Chair of Academic Affairs), Pitt Computer Science Club (Member)

## EXPERIENCE

**Software Development Engineer, Amazon.com, Inc.** Sep 2022 – Present | Seattle, WA

Organization: Consumer, Health; Team: Health Storefront & Technology

- Onboarded to Amazon Pharmacy as an away team engineer and ramped up to the codebase within a week to support a critical project deadline where I owned integration of ordering APIs for checking order reversal eligibility, reversing the order, and retrieving an order's reversal status
- Designed and implemented the HIPAA compliant page routing behind Amazon Health (all health.amazon.com pages) for the Amazon Mobile Shopping App which was instrumental for the Prime One Medical offering and the Health Condition Programs launches
- Designed the Amazon Health OT Benefits Store page and the data synthesis between Benefits Programs, Payments, and Cart/Checkout teams

**Computational Biology Research Assistant,** Aug 2021 – Jan 2022 | Pittsburgh, PA

University of Pittsburgh School of Medicine - Laboratory of Ocular Biomechanics

Advisor: Dr. Ian Sigal; Project Title: Generation of Synthetic Fiber Networks of the Sclera

- Interpreted the fiber architecture and mechanical properties of the sclera to establish a connection in understanding glaucoma pathophysiology
- Integrated the fastPLI collision-free algorithm to split fiber bundles from polarized light images using numpy, matplotlib, multiprocessing, and scipy
- Tested methods to optimize seed point placement, cut algorithmic costs, and adapt current solvers to work in high-performance computing systems

**Natural Language Processing Research Assistant,** Feb 2021 – Jan 2022 | Pittsburgh, PA

University of Pittsburgh School of Computing and Information - Alikhani Lab

Advisor: Dr. Malihe Alikhani; Project Title: Lexical Innovation in Visual Dialogue Games

- Wrote a Python script to automate the extraction of 300,000 relational dialogues from the Photobook Dataset and set discourse classifications
- Applied bidirectional training using BERT to extract vector embeddings of each dialogue and understand relational magnitudes between words
- Implemented deep neural network models that use the BERT embeddings to classify dialogues as research-standard coherence discourses

**Computer Vision Research Assistant, University of Pittsburgh - LIFE Lab** Aug 2020 – Aug 2021 | Pittsburgh, PA

Advisor: Dr. Jamie Hanson

- Performed quality assurance on the codebase of online psychology experiments using libraries such as PsychoPy, PsychoJS, and jsPsych
- Evaluated deep neural networks to predict "brain age" from raw MRI data for applications that span neurological disorders due to age and stress
- Implemented a 3D Convolutional Neural Network using Keras to segment volumetric patches of MRI scans and extract gray matter as a biomarker

**Computational Biology Research Intern, NSF REU - TECBio** May 2021 – Jul 2021 | Pittsburgh, PA

Mentor: Dr. Ian Sigal; Project Title: Virtual Reality (VR) Visualization of Ocular Hemodynamics Models

- Developed VR software using Unity Engine and C# to model 3D spatial dynamics of ocular vascular morphology and its hemodynamic properties
- Leveraged a mathematical-coordinate-based representation to present the vasculature with edges as vessels and nodes as a change in direction
- Employed algorithms such as depth-first search to locate nodes and Edmonds-Karp to find maximum flow and changes in blood pressure

## Experience

### **4CULTURE**

Seattle, WA

#### **Building for Equity Support Specialist**

April 2023 – Present

Provides cross-departmental administrative assistance to historic preservation and heritage grant programs. Facilitates the implementation of exploratory anti-racist practices within capacity building and capital project funding programs. Identifies, evaluates, and collaborates to address emerging barriers to funding access throughout application, scoring, and allocation processes. Conducts outreach, surveys, and data analysis aimed at existing and potential grant applicants of historically underserved communities. Serves on organization's Racial Equity Team and Racial Equity Education Subcommittee.

### **OFFICE OF U.S. REPRESENTATIVE SUZAN DELBENE**

Kirkland, WA

#### **Congressional Intern**

Jan 2023 – April 2023

Conducted legislative bill research to prepare federal forms and communication materials. Drafted memos and reports in support of congressional staff. Managed and responded to constituent correspondence via phone, email, letter, in-person meetings, etc. Ensured administrative procedures were streamlined and consistent across multiple office locations. Aided in planning and day-of coordination of public office events.

### **UW JACKSON SCHOOL OF INTERNATIONAL STUDIES**

Seattle, WA

#### **Diversity, Equity, and Inclusion Student Fellow**

Oct 2022 – June 2023

Modeled equity initiatives under faculty fellows. Specifically addressed inclusion-driven concerns of pedagogy. Assisted in the planning of workshops highlighting the integration of DEI into international studies syllabi. Conducted focus groups and developed outreach strategies to gain feedback from underserved students both internal and external to the Jackson School. Codified and analyzed qualitative survey data to develop a report on engagement outcomes between historically underserved communities and the Jackson School.

### **UW KAPPA DELTA SORORITY**

Seattle, WA

#### **Vice President of Diversity, Equity, and Inclusion**

Nov 2020 – Nov 2022

Pioneered previously non-existent DEI policy infrastructure within the chapter. Led monthly education workshops and oversaw monthly individual member programming requirements for 110+ women. Integrated DEI initiatives into financial, marketing, and recruitment chapter efforts. Chaired the risk management team by processing judicial cases and delivering punitive sanctions to ensure member accountability. Led Kappa Delta to receiving the UW Panhellenic Association's Excellence in Equity, Diversity, and Inclusion Award in 2021 and 2022.

## Projects

### **SENIOR CAPSTONE PROJECT – POLICY TASK FORCE**

Seattle, WA

#### **Supporting Sanctuary Efforts: Trends in Apprehension Data**

Jan 2023 – Mar 2023

Generated comprehensive report on trends of immigrant detainment and deportation in Washington and Oregon state. Parsed, codified, and analyzed data to identify targeting tactics of U.S. Immigration and Customs Enforcement. Explored how such tactics vary with geography, indigeneity, and gender. Uncovered patterns of unlawful collaboration between local and federal law enforcement agencies. Ultimately selected by team to report findings to local migrant justice organizations and other key stakeholders.

Passionate social impact manager with a Master's in Human Rights Practice, I have extensive experience in digital rights advocacy and developing inclusive digital education platforms. At UNICEF, I led initiatives to enhance digital child rights and wellbeing, establishing CSR impact policy standards across digital platforms. At Khan Academy, I developed AI ethics frameworks and spearheaded the localization of educational content into multiple languages to broaden access for refugees and underserved communities. Committed to leveraging digital tools for civic engagement and social justice, I advocate for integrating youth voices into technology governance and ensuring technological advances enrich our communities. With a deep connection to Seattle and a proven track record in policy, strategic communication, and ethical technology integration, I am eager to influence policy on the city's boards to reflect shared values of equity and inclusivity.

As an individual with lived experience in foster care, I have valued expertise and passion for advocacy work using my voice in order to make a positive impact for those who have experienced the childhood welfare system. I have actively communicated with legislators through work with The Mockingbird Society, Treehouse for Kids and National Foster Youth Institute and continue to do so. I have a strong desire to continue legislative advocacy and public/motivational speaking throughout the rest of my career.

- Work Experience**
- Treehouse Fellow, Treehouse for Kids, Seattle, WA, *September 2022 - June 2023***
- Assisted in developing Treehouse’s North Star focus for services by providing lived experience perspective.
  - Participated in group work with 8-15 individuals, facilitating discussions about a “storytelling bill of rights”, which resulted in terms of media use and sliding scale for compensation development.
  - Utilized strategic planning skills to distribute program resources efficiently and effectively.
  - Planned, drafted and executed a speech for fundraising purposes, which funded programming for a nonprofit serving foster youth.
  - Provided a lived experience lens during interviews with The Seattle Times, Ivanhoe, and RedElement Studios regarding experiences in foster care, childhood welfare programs and the effects of the system.
- Volunteer Work**
- PeaceHealth Bereavement Services, Vancouver, WA, *September 2020***
- Created respite bags and journals for caregivers of elderly patients that contained food, water bottles, lists of resources for clients and healing journals with prompts to promote wellbeing.
- The Mockingbird Society, King County Chapter, *January 2022 -***
- Participated in Youth Advocacy Day and demonstrated an ability to advocate for bills that would support homeless and foster youth populations.
  - Provided a personal impact segment during the press event sponsored by Senator Patty Murray.
  - Spoke at The Mockingbird Society’s Youth Leadership Summit to propose a new program that would provide peer to peer support for current and former foster youth.
- National Foster Youth Institute, Washington, DC, *June 2022 - August 2022***
- Participated in NFYI’s Congressional Shadow Day and addressed challenges youth face while involved with childhood welfare programs. Shadowed congress member Dean Philips and discussed public policy and its impact through a youth-centered lens.
  - Met with President Joe Biden’s administrative team to advocate for disadvantaged youth and decipher how we can support the continuing of their post-secondary education mentally, physically and financially.

**Education** **Roosevelt High School**, Johnstown, CO, *June 2019*

## SELECTED ENDORSEMENTS

---

“Within two weeks of being on my campaign team, Kyler had to represent me in a candidate forum because I had Covid. I was so impressed with his preparation and presentation. He did a great job outlining and clearly communicating our policy positions. Over the ensuing months, he brought that same policy knowledge, clear communication style, and organization to every component of the campaign. Everyone on my team loved working with Kyler. He’s a natural leader, organizer, and catalyst for action. He is friendly, approachable, collaborative, and sharp as a tack. And finally, he is a hard worker who needed very little oversight. I would work with Kyler again in a heartbeat.” -**Maren Costa, Seattle City Council Candidate (Employer)**

“Kyler’s passion for policy was obvious as we discussed the role and candidate. While his role was campaign manager, he played an integral role in shaping the policy for the candidate. He is an excellent researcher and is able to craft summaries and overviews easily and quickly. He is bright, articulate, organized, dedicated, a great communicator and possesses instincts of a much older person... I highly recommend Kyler, particularly for communication and strategy work.” -**Carla S. Rogers, Experienced Democratic Leader (Colleague, Top Volunteer)**
