

## Amendment 66 Version 2 to CB 120993 OPCD Permanent State Zoning Compliance ORD

**Sponsor:** Councilmember Rinck

Allowing more commercial uses in more locations in neighborhoods

**Effect:** This amendment would allow stores with a wider variety of commercial uses to be located on any lot in neighborhood residential zones, with no size maximum. As transmitted, the proposed legislation would allow commercial uses including food processing, general sales, and restaurants on corner lots in neighborhood residential zones with a maximum size of 2,500 square feet. The amendment would remove the size restriction and the requirement that the use be located on a corner lot; the list of allowed commercial uses was also expanded to include all eating and drinking establishments.
