1. BILL SUMMARY

Legislation Title:

AN ORDINANCE appropriating money to pay certain claims for the week of January 19, 2026, through January 23, 2026, and ordering the payment thereof; and ratifying and confirming certain prior acts. Claims include all financial payment obligations for bills and payroll paid out of PeopleSoft for the covered.

Summary and Background of the Legislation:

RCW 42.24.180 requires that payment of certain claims be authorized by the City Council. This bill, prepared each week by the City Treasury, authorizes the payments of funds that were previously appropriated by the City Council, so the passage of this bill does not have a direct result on the City's budget.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project?

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City?

Yes No

This bill authorizes the payments of funds that were previously appropriated by the City Council, so the passage of this bill does not have a direct result on the City's budget.

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

Please describe any financial costs or other impacts of *not* implementing the legislation.

The legislation authorizes the payment of valid claims. If the City does not pay its legal obligations it could face greater legal and financial liability.
