2025 Department Highlights

Community Engagement and Partnership

Build and maintain trusted relationships with community partners to ensure we are effective in serving those most in need of our support and can provide culturally and linguistically relevant support services.

"Over the last 7 years, our partnership with OLS has allowed us to support Latino small business owners and their workers. Further, we have been able to create a positive relationship between small business owners and OLS. All these efforts have been done while ensuring that business owners understand and are [compliant] with our City's worker protections."

- Latino Community Fund, BOEF Partner

Community Outreach & Education Fund: 2024 -

2026 Cohort

- 10 partners, 8 of which are returning
- Over 1,000 intakes, helping workers to directly resolve concerns
- Nearly 4,000 workers trained in 380 trainings

Business Outreach & Education Fund: 2025 - 2027

Cohort

- 7 partners, 5 of which are returning
- 8,800 businesses reached via activities
- Over 2,000 businesses representatives trained
- 1,600 businesses visited door-to-door outreach

Multi-jurisdiction agency networks

OLS belongs to local and nation-wide municipal and county labor standards agency networks that promote shared learning and collaboration.

Boards & Commissions

- Domestic Worker Standards Board (DWSB)
- Labor Standards Advisor Commission (LSAC)

Each are comprised of worker, business, and community organization voices. We lean on them for their advice on working conditions, outreach strategies, and more.

Domestic Worker Reports – Exemplar

For the past several years, OLS, alongside a large coalition of community members and DWSB member, conducted research to assess a paid time off policy for domestic workers. These efforts culminated in two reports that we issued last year. This work stands as exemplar of the importance of community engagement and collaboration.

Business Education and Support

Invest in business education and support to prevent labor standards violations in the first place and avoid burdening workers with accountability responsibilities.

"I am proud of the elevating and betterment of our policies we were able to achieve in a short amount of time thanks to your guidance. As always, I am so grateful for your education and partnership as we make sure [our business] is as safe and compliant as possible." - Compliance Letter Customer

Educational Materials and Trainings.

- Educational materials for all 16 laws
- Mailed 52,000 Workplace Posters to support business posting requirements

- Posters and multiple materials available in 30+ languages
- Provide live trainings and recorded trainings/video shorts

Summer Field Outreach: 478 businesses visited OLS staff visit businesses to increase awareness and provide live technical assistance. Our Summer activities start with a large collaborative event on May Day where we frequently partner with

community partners and fellow departments to visit businesses.

Technical Assistance Line: 149 businesses supported

Strategic Enforcement, Adaptive Approaches

Use strategic approaches that deepen our impact and efficacy: co-enforcement, company-wide investigations, and alternative tools that allow us to effectively resolve violations fairly and as quickly as practicable.

"It was empowering to work with local government to rectify this [labor standards] wrong, and I would strongly recommend that anyone who is having their worker's rights violated contact the Office of Labor Standards." - Grocery Store Employee

Worker Intakes

Minimum Wage, Wage Theft, and Paid Sick and Safe Time are consistently top inquiries.

| | |
|---------------------------------|-------|
| Intakes Received: | 1,522 |
| > App-Based Work Intakes: | 393 |
| > Unresolved rolling into 2026: | 84 |
| Intakes Resolved: | 1,438 |

Intake Numbers – Year over Year

The number of intakes rises every year.

| | |
|--------------------------|-------|
| Intakes Received – 2024: | 1,383 |
| Intakes Received – 2023: | 1075 |
| Intakes Received – 2022: | 900 |
| Intakes Received – 2021: | 738 |

Investigations

| | |
|----------------------------|-----|
| New Investigations Opened: | 46 |
| Investigations Resolved: | 84 |
| Resolved via settlement: | 80% |

| | |
|-------------------------------------|------------|
| Number of Affected Workers: | 33,269 |
| Remedies Assessed to Workers: | ~ \$21.5m |
| Fines & Penalties Assessed to City: | ~\$142,000 |

Compliance Letters: 132 businesses supported

The Department uses this tool when a complaint doesn't meet enforcement priorities, but where there is evidence of potential violations. The letter informs the business of their legal responsibilities and our technical assistance services. In some cases, the Department conducts limited corrective education and requests confirmation of compliance.

CITY OF SEATTLE

RESOLUTION

A RESOLUTION identifying the opportunity to develop a regional transportation hub adjacent to Westlake Park; creating a vision for how this hub will integrate with the surrounding neighborhoods; and setting forth directions for functionality, safety, and urban compatibility, along with guiding principles for the public projects planned for the area adjacent to Westlake Park.

WHEREAS, Westlake Park and its surrounding area have long served as a civic center, a place at the

intersection of social gatherings, park use, urban living, retail shopping, and a transit hub; and

WHEREAS, there are three public projects scheduled for the area surrounding Westlake Park, including the

Westlake Park Renovation Phase 1, which is currently underway and scheduled for completion by

Spring 2026, the Sound Transit Westlake Station expansion to support the Ballard Link light rail

extension, and future planning for Monorail station upgrades to improve safety, reliability, and

passenger capacity; and

WHEREAS, these public projects, along with Metro transit routes that serve the Westlake area, will create a

comprehensive multi-modal transportation hub that is essential for a connected and efficient regional

transportation system, as well as public spaces that are welcoming, lively, and safe, contributing to the

livability and economic vitality of the downtown core; and

WHEREAS, the City convened a Westlake Civic Committee in 2025 to review projects underway and establish

a shared planning framework for the area around Westlake Park and establish guiding principles to

inform planning and the integration of the public projects that will impact this area; and

WHEREAS, the members of the Westlake Civic Committee included the following individuals who represent

residents and businesses immediately adjacent to Westlake Park, along with others with a historical

perspective and understanding:

Mari Horita, Co-Chair (Downtown Seattle Association, Seattle Kraken)

Matt Griffin, Co-Chair (Downtown Advocate, Resident)

Gina Klem (Amazon)

Gordon McHenry, Jr. (United Way of King County)

Holly Golden (Hillis, Clark, Martin & Peterson P.S.)

Janel Jensen (BH Properties, owners of Pacific Place)

Joe Olujic (Muckleshoot Development Corporation)

Jon Scholes (Downtown Seattle Association)

Josh LaBelle (Seattle Theatre Group)

Laura Best (Nordstrom)

Laurie Black (Nordstrom, former director Boys & Girls Club King County)

Rebecca Bear (Seattle Parks Foundation)

Stanley McCammon (Joshua Green Corporation); and

WHEREAS, as the Westlake Park area changes and evolves in the coming years, the City of Seattle wishes to take advantage of this unique opportunity to create a revitalized urban center that enhances downtown and benefits all those who live, work, play, visit, and commute through Westlake; NOW, THEREFORE,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR

CONCURRING, THAT:

Section 1. Consistent with the recommendations of the Westlake Civic Committee, the City finds and declares that:

A. The area adjacent to Westlake Park will become a multi-modal transportation hub connecting the region to downtown Seattle with the completion of current and planned public projects, including Phase 1 of the Westlake Park renovation, scheduled for 2026, the Westlake Monorail station improvements, and the Sound

Transit Westlake Station expansion for the Ballard Link extension.

B. These public projects offer a unique chance to create a retail center, celebrated for its design and usability, that serves as a welcoming “front door” to the city’s lively urban core, meets the needs of current and future residents, and that is closely connected to and fully compatible with the transportation hub.

C. All planning, design, and development of public projects in the Westlake area, as well as any private projects that may occur, should advance the following foundational elements regarding functionality, safety, and urban compatibility:

1. An efficient and effective transportation hub that provides users an enjoyable and pleasant experience.
2. A clean, safe, well-lit, and attractive experience for everyone who passes through the hub.
3. A functional urban destination with interesting sidewalks, retail, and services, including overhead weather protection.
4. Comfortable, accessible, and easy wayfinding, enabling users of all abilities to easily and efficiently navigate through the hub to reach their destinations.
5. An economic catalyst for the retail core, creating interest and desirability for nearby shopping and attractions.
6. A unique, vibrant, and livable urban neighborhood with amenities that enable people and families to meet their needs and thrive.

D. The following guiding principles are adopted for all public projects underway or planned for the Westlake transportation hub:

1. Celebrate and represent the city’s diverse culture and heritage, innovative spirit, and natural beauty through natural materials, technology, historic elements, art, and design.
2. Act as an inviting gateway to Downtown, the Pike-Pine neighborhood, and provide easily accessible connections to the Pike Place Market, Waterfront Park, Seattle Convention Center, Historic Theater

District, and Seattle Center.

3. Provide high-quality and seamlessly interconnected public spaces that create a cohesive pedestrian and transportation experience for everyone using Light Rail, Metro Transit, bicycles, and other mobility options.

E. Subsequent efforts by the City departments engaged in projects underway or planned for the area will endeavor to fully incorporate these guiding principles into their work, and to build partnerships with the downtown community and other key agencies and stakeholders to advance a cohesive vision for the Westlake area based on these principles.

Adopted by the City Council the _____ day of _____, 2026, and signed by me in open session in authentication of its adoption this _____ day of _____, 2026.

President _____ of the City Council

The Mayor concurred the _____ day of _____, 2026.

Katie B. Wilson, Mayor

Filed by me this _____ day of _____, 2026.

1. BILL SUMMARY

Legislation Title: A RESOLUTION identifying the opportunity to develop a regional transportation hub adjacent to Westlake Park, creating a vision for how this hub will integrate with the surrounding neighborhoods, and setting forth directions for functionality, safety, and urban compatibility, along with guiding principles for the public projects planned for the area adjacent to Westlake Park.

Summary and Background of the Legislation: The legislation would affirm the vision and planning framework adopted by the Westlake Civic Committee, including: foundational elements regarding functionality, safety, and urban compatibility; guiding principles all public projects underway or planned for the Westlake transportation hub; and a commitment that efforts by the City departments engaged in projects underway or planned for the area will endeavor to fully incorporate these guiding principles into their work, and to build partnerships with the downtown community and other key agencies and stakeholders to advance a cohesive vision for the Westlake area based on these principles.

2. CAPITAL IMPROVEMENT PROGRAM

Does this legislation create, fund, or amend a CIP Project? Yes No

3. SUMMARY OF FINANCIAL IMPLICATIONS

Does this legislation have financial impacts to the City? Yes No

3.d. Other Impacts

Does the legislation have other financial impacts to The City of Seattle, including direct or indirect, one-time or ongoing costs, that are not included in Sections 3.a through 3.c? If so, please describe these financial impacts.

N/A

If the legislation has costs, but they can be absorbed within existing operations, please describe how those costs can be absorbed. The description should clearly describe if the absorbed costs are achievable because the department had excess resources within their existing budget or if by absorbing these costs the department is deprioritizing other work that would have used these resources.

N/A

Please describe any financial costs or other impacts of *not* implementing the legislation.

Please describe how this legislation may affect any City departments other than the originating department.

It will provide guiding principles for departments to refer to in working to advance public projects adjacent to Westlake Park.

4. OTHER IMPLICATIONS

- a. Is a public hearing required for this legislation? No**
- b. Is publication of notice with The Daily Journal of Commerce and/or The Seattle Times required for this legislation? No**
- c. Does this legislation affect a piece of property? No**
- d. Please describe any perceived implication for the principles of the Race and Social Justice Initiative.**
 - i. How does this legislation impact vulnerable or historically disadvantaged communities? How did you arrive at this conclusion? In your response please consider impacts within City government (employees, internal programs) as well as in the broader community.**
 - ii. Please attach any Racial Equity Toolkits or other racial equity analyses in the development and/or assessment of the legislation. N/A**
 - iii. What is the Language Access Plan for any communications to the public? N/A**
- e. Climate Change Implications**
 - i. Emissions: How is this legislation likely to increase or decrease carbon emissions in a material way? Please attach any studies or other materials that were used to inform this response. N/A**
 - ii. Resiliency: Will the action(s) proposed by this legislation increase or decrease Seattle's resiliency (or ability to adapt) to climate change in a material way? If so, explain. If it is likely to decrease resiliency in a material way, describe what will or could be done to mitigate the effects. N/A**

- f. If this legislation includes a new initiative or a major programmatic expansion: What are the specific long-term and measurable goal(s) of the program? How will this legislation help achieve the program's desired goal(s)? What mechanisms will be used to measure progress towards meeting those goals? N/A**
- g. Does this legislation create a non-utility CIP project that involves a shared financial commitment with a non-City partner agency or organization? N/A**
