

2016 Race and Social Justice Initiative Accomplishments

Finance and Administrative Services Department

Report to City Council February 2017

Race & Social Justice Initiative

FAS 2016 Workplan Highlights

FAS continues to work on initiatives that help improve racial equity

- ▶ Purchasing and Contracting Services
 - ▶ Manages Priority Hire and the Community Workforce Agreement to ensure that a fair share of work is available to workers living in economically disadvantaged zip codes.
 - ▶ Administers WMBE initiatives, including outreach to WMBE businesses and WMBE Inclusion Plan enforcement.
 - ▶ Enforces prevailing wage by identifying and resolving any wage theft violations on City public works construction sites.
 - ▶ Administers apprenticeship requirements on City construction contracts.

Customer Service

The Find-it-Fix-it application allows residents throughout the city to report on graffiti, litter and illegal dumping, among other things.

- ▶ Neighborhood Payment and Information Services ensures interpretation and free legal clinics are available when needed at the Neighborhood Service Centers.
- ▶ New Mobile Customer Service Center went into service in December 2016.
 - ▶ Provides information and referrals to City and human services; processes online service requests, payments for Seattle Public Utilities, City Light, and the Municipal Court; and sells Pet Licenses.
 - ▶ Focuses on underserved neighborhood destinations, and participation at high-profile community gatherings.
 - ▶ Services offered can be customized to address needs of a specific community or outreach project and can include language interpretation.

FAS 2016 Workplan Highlights

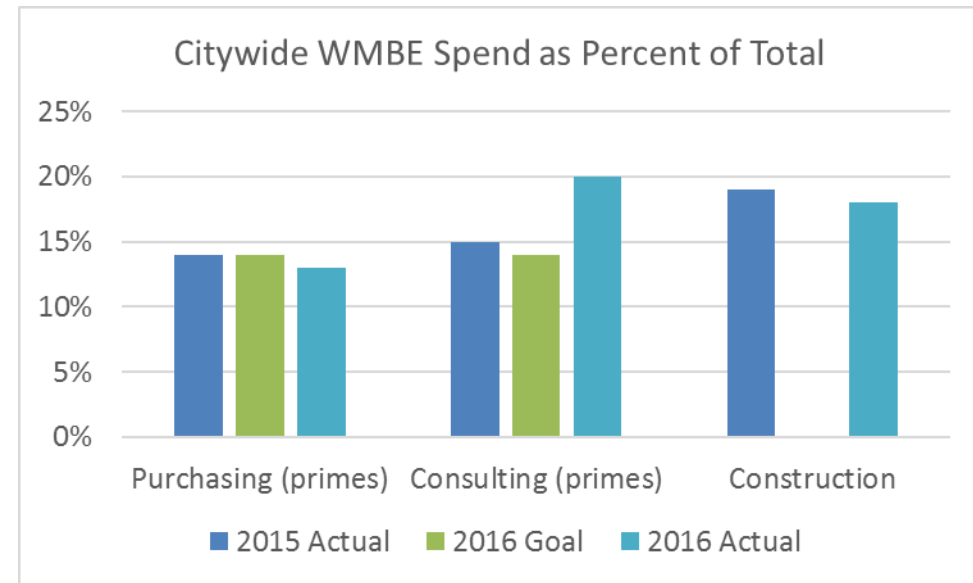

- ▶ Fleet Management
 - ▶ Apprenticeship program provides opportunities for individuals to become automotive mechanics and offers subsequent promotion pathways.
 - ▶ Utilizes electric cars in the City's motor pool to improve the environment and reduce the City's carbon footprint.
- ▶ The Seattle Animal Shelter provides low cost spay and neuter services and makes such services available at no cost on a case-by-case basis when a low-income pet owner finds even the lower cost unaffordable.
- ▶ Real Estate Services unit looks for City leasing opportunities in underserved communities.
