C. Seattle Municipal Code Section 23.34.004 allows the City to approve a rezone subject to “self-imposed restrictions” upon the development of the Property.

NOW, THEREFORE, in consideration of the mutual agreements contained herein, the parties agree as follows:

AGREEMENT

Section 1. Agreement. Pursuant to Seattle Municipal Code Section (“SMC”) 23.34.004, the Owner covenants, bargains, and agrees, on behalf of itself and its successors and assigns that it will comply with the following conditions in consideration of the Rezone:

Prior to Issuance of a Building Permit

1. Plans for development of the rezoned property shall be in substantial conformance, as determined by the Director, with the approved plans for Master Use Permit (MUP) Number 3037185-LU.

Prior to Issuance of Demolition, Excavation/Shoring, or Construction Permit

1. Provide a Construction Management Plan that has been approved by the Seattle Department of Transportation (SDOT). The submittal information and review process for Construction Management Plans are described on the SDOT website.
2. Provide an archaeological monitoring and inadvertent discovery plan prepared by a qualified professional and include statement that the Duwamish Tribe shall be notified in the event of archaeological work.

For the Life of the Project

1. The building and landscape design shall be substantially consistent with the materials presented at the Design Review Board Recommendation meeting and in the materials submitted after the recommendation meeting, before the MUP issuance. Any change to the proposed design, including materials or colors, shall require prior approval by a Land Use Planner at the Seattle Department of Construction and Inspections.

Section 2. Agreement Runs With the Land. This Agreement shall be recorded in the records of King County by the City Clerk. The covenants contained in this Agreement shall attach to and run with the land and be binding upon the Owners, their heirs, successors and assigns, and shall apply to after-acquired title of the Owner.

Section 3. Amendment. This Agreement may be amended or modified by agreement between the Owner and the City; provided any amendments are approved by the City Council by ordinance.

Section 4. Exercise of Police Power. Nothing in this Agreement shall prevent the City Council from making further amendments to the Seattle Municipal Code or Land Use Code as it may deem necessary in the public interest.

Section 5. No Precedent. The conditions contained in this Agreement are based on the unique circumstances applicable to the Property and this Agreement is not intended to establish precedent for other rezones in the surrounding area.

Section 6. Repeal as Additional Remedy. Owner acknowledges that compliance with the conditions of this Agreement is a condition of the subject rezone and that if the Owner avails itself of the benefits of this rezone but then fails to comply with the conditions of this Agreement with the City, in addition to pursuing any other remedy, the City may:

- a. Revoke the rezone by ordinance and require the use of the Property to conform to the requirements of the previous zoning designation or some other zoning designation imposed by the City Council; and
- b. Pursue specific performance of this Agreement.
