

# Public Safety Committee

An Update on the Mission, Vision, and  
Strategic Framework for a Safer Seattle

*Chair Robert Kettle*

# Public Safety Committee Mission

The mission of the Public Safety Committee is to provide a safe base for Seattle through community engagement, policy direction, and oversight.

# Public Safety Committee Vision

We envision a future where families feel safe sending their children on the bus to school, businesses can operate without paying for private security, and the city can respond in a timely and appropriate manner to people experiencing acute crises.

# Pillars addressing the Permissive Environment
