

Amendment 1 to RES 32145 – Transportation Funding Task Force

Sponsor: Councilmember Saka

Add recital to acknowledge Resolution 32137

Effect: This amendment would add a Whereas Clause to document the legislative history of the Transportation Funding Task Force by describing Council’s intent in passing Resolution 32137.

Add a new recital as follows:

* * *

WHEREAS, achieving the Durable Infrastructure Solution goals established in the 2024

Transportation Levy, as well as the STP’s 20- and 30-year goals are beyond the scale of what can be funded through the 2024 levy proposal, or any single levy lid lift measure; and

WHEREAS, in Resolution 32137, the Council provided direction on the composition, scope, and schedule of the Transportation Funding Task Force; and

WHEREAS, the Council and Mayor would like to engage Seattle residents and transportation stakeholders in developing a plan to meet these long-term infrastructure goals through a combination of policy changes and funding strategies; NOW, THEREFORE,
