Seattle Misdemeanor Average Daily Jail Population

Non-DV, Non-Traffic Crime Heat Map

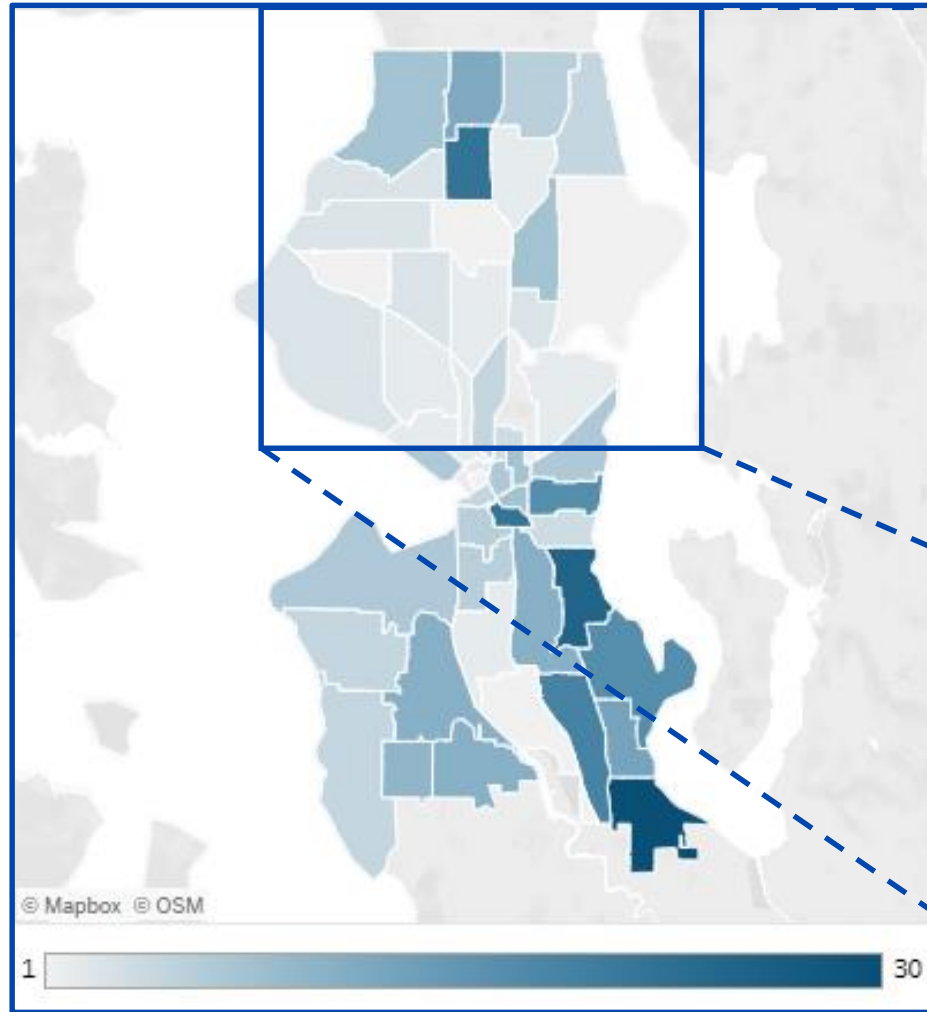

Downtown Hot Spots

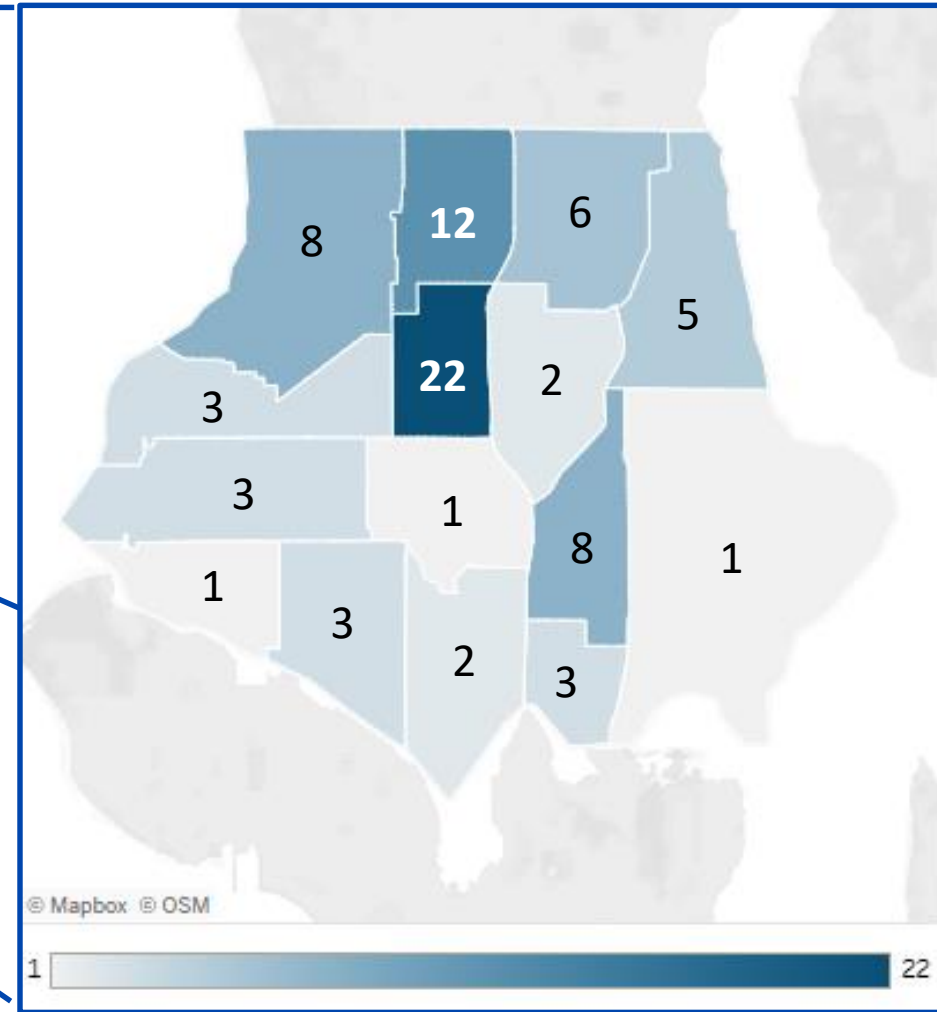

Hot Spot Issue: Aurora Ave Sex Trafficking Slide 6

2024 Shootings through May

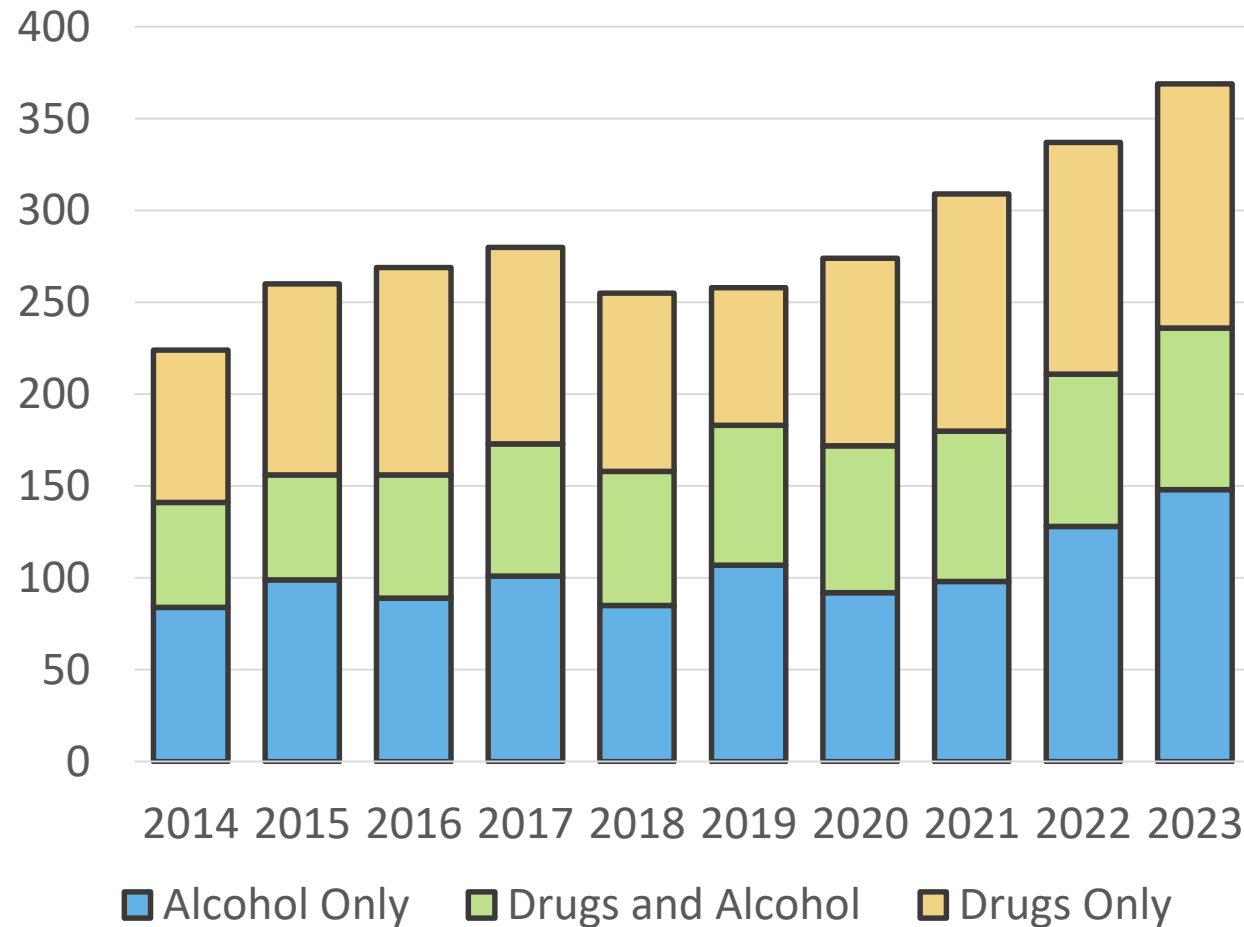

Aurora Ave Hot Spot

- The Washington State Patrol Toxicology Laboratory faces a huge backlog
- Seattle currently has 800 DUIs awaiting tox reports
- It takes an average of one year to receive a tox report from the Washington State Patrol

Impaired Drivers Involved in Fatal Washington Crashes

An aerial photograph of the Seattle skyline at sunset. The city's buildings are silhouetted against a sky filled with soft, orange and yellow clouds. The water of the harbor is visible on the right, with a few ships and cranes. The overall mood is calm and scenic.
