Budget Action Description:

This Council Budget Action would impose a proviso on the Seattle Department of Transportation (SDOT) that restricts \$1.0 million Transportation Fund in the Bike Master Plan - Protected Bike Lanes (MC-TR-C062) CIP project so that it may only be used to replace plastic bollards with concrete barriers on currently protected bike lanes in Council District Two.

This Council Budget Action would impose the following proviso:

"Of the appropriations in Seattle Department of Transportation's 2023 budget for the Bike Master Plan - Protected Bike Lanes (MC-TR-C062) project in the 2023-2028 Capital Improvement Program, \$1,000,000 is appropriated solely for the replacement of plastic bollards with concrete barriers on currently protected bike lanes in Council District Two and may be spent for no other purpose."
