

Amendment #9 to Resolution 31760 - DRAFT

Sponsor: CM Bagshaw

Civil Rights, Utilities, Economic Development and Arts Committee

Utility Discounts for Low Fixed Income Customers: This amendment requests SPU report back to the appropriate Council committee on measures to reduce the impact of utility bills on utility discount program eligible customers living on a fixed income.

- Council requests Central Staff reconcile all amendments and re-number sections to reflect the cumulative impact of all changes to the resolution.

Section [intentionally left blank]. Utility Discount Program Expansion Option. Given the rising cost of living in Seattle, the City Council requests that Seattle Public Utilities provide a written report describing potential policy measures to address the impact of utility bills on low income customers living on a fixed income. The report should describe specific policy proposals, supported by empirical evidence including rate and budget impacts, demographic data, potential timing, etc. The report shall be submitted to the Council President, and the Chair of the appropriate Council committee no later than June 30, 2018.
