

Budget Authorization Proposal ^(1/2)

- The 2025 Adopted Budget allocated funding to deploy an additional 37 **School Zone Cameras** at 19 locations.
- During deliberations on the 2025 Adopted Budget, the Council also allocated \$1.18 million for deployment of **cameras outside of school zones**.
 - This spending is restricted by proviso until authorized by future Council action.
 - The proposed legislation would amend the proviso to authorize spending for the intended use.

Budget Authorization Proposal (2/2)

- Proposed legislation would modify the proviso as follows:

Notwithstanding Seattle Municipal Code Section 5.82.010 and Section 1 of Ordinance 125206, of the General Fund appropriations in the 2025 budget for the Seattle Department of Transportation's Mobility Operations Budget Summary Level (BO-TR-17003), \$1,180,000 is appropriated solely for deployment of automated traffic enforcement cameras outside school zones and may be spent for no other purpose. ~~((Furthermore, none of the money so appropriated may be spent until authorized by future Council action.))~~
