AN ORDINANCE relating to the City Light Department; accepting various easements for overhead and underground electrical rights in King County, Washington; placing said easements under the jurisdiction of the City Light Department; and ratifying and confirming certain prior acts.

Summary and background of the Legislation:

This ordinance accepts 213 easements for overhead and underground electrical rights in King County, Washington. These easements are contained in short plats, lot boundary adjustments and unit lot subdivisions approved by the Department of Planning and Development and recorded in 2014.
