| CITY OF SEATTLE  |
| RESOLUTION 32166   |
| A RESOLUTION granting conceptual approval to install, maintain, and operate a pedestrian skybridge over and across 8th Avenue, north of Cherry Street; as proposed by FH, LLC d/b/a Skyline, in the First Hill neighborhood. |
| WHEREAS, FH, LLC d/b/a Skyline ("Skyline"), an organization committed to improving the   |
| lives of older adults by integrating housing and community services; and   |
| WHEREAS, Skyline developed its original facility ("Cascade Tower") providing 275   |
| independent senior residential units, 105 units for residents needing assisted living,   |
| memory support, rehabilitative care, or skilled nursing, and other amenities for the   |
| residents; and   |
| WHEREAS, Skyline developed its second facility ("Olympic Tower") providing 77 independent  |
| senior residential units and amenities including an auditorium, fitness center, restaurant,  |
| and other services; and  |
| WHEREAS, Skyline applied for permission to construct, maintain, and operate an above-grade   |
| private pedestrian skybridge over and across 8th Avenue, north of Cherry Street  |
| ("Pedestrian Skybridge"); and  |
| WHEREAS, Skyline, at the request of building residents, wishes to connect Cascade Tower and  |
| Olympic Tower to support connectivity and resident safety, access to services, and   |
| support community and family activities with the Pedestrian Skybridge; and   |
| WHEREAS, Seattle Municipal Code Chapter 15.64 requires public benefits to offset the impact  |
| of the Pedestrian Skybridge on the adjacent public realm and Skyline worked with the   |
| Seattle Department of Transportation (SDOT) and the Seattle Design Commission and is   |
| proposing the following public benefits:   |
|  |

|----|--|
| 1  | A. Open space improvements and activation on 8th Avenue adjacent to its building,            |
| 2  | including new plantings, furnishings, and pet relief area;                                   |
| 3  | B. Integrated public art in the enhanced 8th Avenue landscape area;                          |
| 4  | C. Pedestrian improvements at 8th Avenue and Marion Street, including extending the          |
| 5  | existing curbs and curb ramps; and   |
| 6  | D. Interpretive wayfinding signage for the Park to Park Loop project; and                    |
| 7  | WHEREAS, Skyline presented the proposal, including public benefits, to the Seattle Design    |
| 8  | Commission on May 2, 2024, and October 17, 2024, and the Seattle Design Commission           |
| 9  | recommended approval of the Pedestrian Skybridge and public benefit proposal; and            |
| 10 | WHEREAS, Skyline is responsible for obtaining permits, installing and maintaining the public |
| 11 | benefits, and any changes to this proposal requires SDOT review and SDOT may request         |
| 12 | the Seattle Design Commission review; and  |
| 13 | WHEREAS, in making a recommendation, the Director of SDOT considered the plans and           |
| 14 | application materials submitted by Skyline to construct the Pedestrian Skybridge and the     |
| 15 | Seattle Design Commission's report and recommends that conceptual approval be                |
| 16 | granted; NOW, THEREFORE,   |
| 17 | BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE                               |
| 18 | MAYOR CONCURRING, THAT:  |
| 19 | Section 1. The City Council finds that the pedestrian skybridge that would run over and      |
| 20 | across 8th Avenue, north of Cherry Street ("Pedestrian Skybridge"), as proposed by FH, LLC   |
| 21 | d/b/a Skyline, is in accordance with and in the public interest.                             |

of-way restoration standards upon expiration of the term permit, or at the direction of the
Director or City Council in accordance with the provisions of the term permit ordinance.
Section 3. After this resolution is adopted, SDOT will present to the Council a draft term
permit ordinance identifying the conditions under which permission may be granted for the use
of the right-of-way for the Pedestrian Skybridge as documented in Section 2 of this resolution.
Permission to use the right-of-way is subject to the Council's decision to approve, deny, or
modify the draft term permit ordinance presented by the Director.
Section 4. As recommended by the Director and the Mayor, conceptual approval for
construction of the Pedestrian Skybridge is granted.
