## Budget Action Description:

This Council Budget Action (CBA) would add \$220,000 GF in 2023 and \$220,000 GF in 2024 (ongoing) to the Human Services Department (HSD) to increase outreach in the Chinatown/International District neighborhood in support of the Neighborhood Safety Model.

The Neighborhood Safety Model was developed by local organizations, neighborhood businesses, mutual aid societies, and local and State Government staff to deliver a coordinated response to public safety needs in the CID and Little Saigon. The model incorporates neighborhood liaisons, coordinated outreach, street ambassadors, and city coordination to provide a full suite of responses to improve public safety in the area.

This CBA would provide funding to a contracted service provider for two positions that would be dedicated to outreach staff specializing in behavioral health support. Outreach activities would include harm reduction and unsheltered survival support, relationship building with unsheltered residents, de-escalation, crisis response and behavioral health outreach, and connection to services, as well as coordination and outreach with local businesses and residents. Currently, REACH is providing one FTE dedicated outreach staff to this effort. This funding would bring the total to three FTE.

HSD would contract with King County Regional Homelessness Authority (KCRHA) to administer and manage these funds.
