

City of Seattle Boards & Commissions Notice of Appointment

Appointee Name: <i>Molly Spetalnick</i>		
Board/Commission Name: <i>Seattle Design Commission</i>		Position Title: <i>Get Engaged Member</i>
<input checked="" type="checkbox"/> Appointment OR <input type="checkbox"/> Reappointment	City Council Confirmation required? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No	
Appointing Authority: <input type="checkbox"/> City Council <input checked="" type="checkbox"/> Mayor <input type="checkbox"/> Other: <i>Fill in appointing authority</i>	Term of Position: * 9/1/2021 to 8/31/2022 <input type="checkbox"/> <i>Serving remaining term of a vacant position</i>	
Residential Neighborhood: <i>Fremont/Ballard</i>	Zip Code: <i>98107</i>	Contact Phone No.: [REDACTED]
Background: <p>Molly Spetalnick is an urban designer whose experience and education span urban design, architecture, landscape architecture, and interior design. Her varied background allows her to approach each urban design project from a variety of scales that benefit accessibility and equitable access, whether she is focusing upon the scale of the transit shed, the scale of the community, or the scale of ergonomic details that support universal design principles.</p> <p>Molly has had the opportunity to apply her Transit Oriented Development Masters research from the University of Texas to her work at Mithun and then at ZGF in Seattle. In her urban design work at ZGF, Molly has a passion for leveraging policy, architecture, landscape architecture, and community engagement to support the development of vibrant, affordable communities near transit stations. Molly splits her time between completing feasibility studies for affordable housing, contributing to pedestrian and bike improvement projects, engaging community groups, and supporting urban design teams across ZGF offices as they integrate urban design data into their workflow and human-centered design approach.</p> <p>Molly looks forward to the opportunity to contribute to the Seattle Design Commission through thoughtful review of projects' public benefit. She has experienced the value of the Commission's work through her work on the Pike Pine Streetscape and Bicycle Improvements Project during her time at ZGF, and she hopes to provide similarly useful direction to other projects alongside the talented group of current Commissioners.</p>
