Seattle Information Technology

Permit System Integration

BCL/Program Name:	Applications	BCL/Program Code:	D6600
Project Type:	New Investment	Start Date:	Q1/2017
Project ID:	D601TCPSI	End Date:	ONGOING
Location:	700 5th AVE		
Neighborhood Plan:	Not in a Neighborhood Plan	Council District:	3
Neighborhood District:	Downtown	Urban Village:	Commercial Core

This new project provides funding to develop, implement, support a cross-department platform for the City’s regulatory oversight. The platform will provide internal and external stakeholders with streamlined processes and accessibility. In addition, the project seeks to automate labor-intensive processes while establishing tracking and reporting of performance metrics.
