1. BILL SUMMARY

a. Legislation Title: AN ORDINANCE authorizing the Director of Finance and Administrative Services or the Director’s designee to execute a license agreement with the Department of the Army for the City’s continued use of an approximately 13,000 square foot warehouse facility at 1555 Alaskan Way South for the operation of the St. Martin de Porres shelter for homeless men over the age of 50, and ratifying and confirming certain prior acts.

b. Summary and Background:

▪ *Summary:* The Department of Finance and Administrative (“**FAS**”) seeks authority to enter into a(n) amended and restated license agreement with the Department of the Army for the City’s continued use of an approximately 13,000 square foot warehouse facility at 1555 Alaskan Way South for the operation of the St. Martin de Porres shelter for homeless men over the age of 50.

▪ *Background:* For over thirty years, pursuant to a license granted by the Department of the Army, the City of Seattle has utilized (via a third-party operator) the approximately 13,000 square foot warehouse facility as a shelter for homeless men over the age of 50. Such shelter – commonly known as the St. Martin de Porres Shelter – is currently operated by Catholic Community Services of Western Washington pursuant to a separate agreement with the City of Seattle’s Human Services Department.

Given that the City’s most recent license agreement with the Department of the Army for the St. Martin de Porres shelter expired, the Department of the Army has presented the City with an amended and restated license agreement, the term of which runs for one year. The amended and restated license agreement is considered the functional equivalent of a lease. Pursuant to Seattle Municipal Code subsection 3.127.020.C.1, the authority of the Director of the Department of Finance and Administrative Services to execute leases is limited to those where the square footage of the premises does not exceed 5,000 square feet. Therefore, the Director now seeks the authority to execute for and on behalf of the City of Seattle the amended and restated license agreement (where the square footage of the premises exceeds 5,000 square feet) with the Department of the Army.
